Notwithstanding the above, the College will notify the Labor Council of any proposal to subcontract bargaining unit work and shall bargain with the Labor Council regarding any such proposal for contracted services. The parties agree that through June 30, 2020, such contracted services shall not cause a reduction in the membership of the bargaining unit.
Section 1.3 Probationary Period
The probationary period for each full-time police officer will extend for twelve (12) months after the police officer’s date of hire however, upon notification by the Chief and mutual agreement with the Labor Council the probationary period may be extended up to six months. The Chief of Police shall assign each non-probationary employee, on an annual basis, to a specific work shift with designated work hours and shall assign a majority of employees to shifts of at least ten (10) or twelve (12) hours in length. If there is a substantial change in the College’s public safety needs or operations resulting from a specific occurrence (e.g., addition of a new
campus facility or site), the College reserves the right to notify the Labor Council and negotiate any proposal to waive this required allocation of ten (10) or twelve (12) hour work shifts. The Chief shall annually assign work shifts to employees by implementing a seniority bid procedure which allows employees with greater seniority, as defined in Section 10.1, the preferred right of assignment to available work shifts. Probationary employees may be assigned to rotating or different work shifts during their probationary period, depending upon Departmental staffing requirements. The Chief of Police will limit the number of short-term changes or adjustments to a non-probationary employee’s assigned work shift to a maximum of two (2) shift changes per officer per contract year, non-inclusive of shift changes necessitated by a bona fide emergency situation.

Each employee shall be entitled to two (2) fifteen (15) minute paid break periods each day, which shall be taken at the officer’s election, and a thirty (30) minute paid lunch break, except that officers assigned a twelve (12) hour shift will receive an additional fifteen (15) minutes break. Employees shall use their best efforts to schedule lunch breaks to ensure proper staffing and adequate coverage of the College’s public safety requirements. Officers shall not be required to work more than sixteen (16) consecutive hours in any 24 hour period.

Section 6.3 Compensatory Time

At the end of each work year, the employee may elect to receive compensation at the overtime rate for any accrued compensatory time. An employee’s request for compensatory time off in lieu of overtime will be subject to prior approval of the Chief of Police and shall be limited to a time period agreed to by the Chief of Police consistent with departmental scheduling needs. The option of electing overtime or comp. time in lieu of overtime shall be made by the affected officer, by the end of the shift.

Section 6.4 Trading Shifts

If the overtime assignment cannot be filled on a voluntary basis, the Chief will assign the overtime work to the employee with the least seniority as defined by Section 10.1, who is working the shift immediately prior to the overtime shift.

Section 6.8 Court Time
If an employee is required by the Chief of Police, state or federal court, or the State’s Attorney to attend court proceedings related to the employee’s duties as a full-time police officer, the employee shall receive compensation at their regular hourly wage rate for a minimum of two (2) hours or for the actual hours spent attending the court proceeding, whichever is greater.

Section 6.9 Call Back
The term “call back” is defined as an official assignment of work which does not immediately precede or follow any employee's regularly scheduled working hours. Employees reporting back to work under the definition of “call back” shall be compensated for a minimum of two (2) hours or for the actual hours worked, whichever is greater. No call back shall be compensated unless such call back has been approved by a supervisor. Employees will not be entitled to call back pay when they are required to return to work to correct their own errors.

Once the measure of discipline is imposed, it shall not be increased.

Section 7.3 Pre-Disciplinary Meeting
Except when detrimental to the general welfare of the College, any non-probationary employee shall have the opportunity prior to discharge or suspension without pay to request Labor Council representation at a pre-disciplinary conference with the Chief of Police. The employee may request copies of documents in his personnel file at the employee’s expense, consistent with College policy.

Section 7.5 Personal Assets
No employee shall be required or requested to disclose any item of his property, income, assets, source of income, assets, debts or personal or domestic expenditures (including those of any member of his family or household) unless such information is necessary in investigating a possible conflict of interest with respect to the performance of his official duties, in an internal investigation with regards to the employee’s assets, or as required by Federal, State or County Law or court order or subpoena.

If the designated representative of the College shall neglect to proceed or render a decision within the time limits, the grievance may be advanced to the next step of the grievance procedure. Time limits may, however, be extended by mutual written agreement.

Section 8.5 Procedures
The party asserting a grievance shall attempt to resolve the problem through informal communication with the immediate supervisor.

Step 1.
If the informal process shall fail to resolve the problem, the grievant(s) may formally present the grievance in writing to the Sergeant who will arrange for a meeting to be held within seven (7) days to review the grievance. The formal written grievance shall clearly identify the grievant(s), summarize all relevant facts, identify all provisions of the Agreement allegedly violated, and describe the remedy which is being requested. The filing of the formal written grievance at this step must be within seven (7) days of the date of the occurrence giving rise to the grievance or from the date when the grievant might reasonably have become aware of the occurrence. The Sergeant shall provide a written response to the grievant with a copy to the Labor Council within seven (7) days of the meeting.

Step 2.
If the grievance is not resolved at the preceding step, the Labor Council and/or the grievant may refer it to the Chief of Police by filing the step 2 grievance appeal in writing within seven (7) days of receipt of the response from step 1. The Chief of Police will arrange for a meeting to be held within seven (7) days of such referral to review the grievance. Each party shall have the right to include in its
presentation of facts such witnesses as it deems necessary to develop facts pertinent to the grievance. A written response shall be provided to the grievant with a copy to the Labor Council within seven (7) days of the step 2 meeting.

Services or designee will arrange for a meeting to be held within seven (7) days of such referral to review the grievance. Each party shall have the right to include in its presentation such witnesses as it deems necessary to develop facts pertinent to the grievance. A written response shall be provided to the grievant with a copy to the Labor Council within seven (7) days of the step 3 meeting.

**Step 4.** If the grievance is not resolved at the VP of Admin. Services level, the Labor Council may submit it to binding arbitration, provided written notice of the arbitration appeal is filed with the President within fifteen (15) days of the step 3 response, or if no step 3 response was filed, within fifteen (15) days of the last day on which the step 3 response was due. The College and Labor Council representative shall jointly select an arbitrator who is mutually agreeable to both parties.

The Arbitrator, in his opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. His authority shall be strictly limited to deciding only the issue or issues presented to him by the College and the Labor Council, and his decision must be based solely upon his interpretation of the meaning or application of the express language of this Agreement.

The fees and expenses of the Arbitrator and the American Arbitration Association shall be shared equally by the College and the Labor Council. The parties likewise shall share the expense of any transcript, which they may jointly request, but all other expenses which may be incurred by either party shall be borne by that party.

**Section 8.6 Verbal and Written Warning Appeal Process**

Employees with the least seniority as defined in Section 10.1 above shall be subject to layoff first. Employees on layoff status shall not accrue additional seniority during the period of any layoff. The College will notify the Labor Council of the employees subject to layoff at least thirty (30) days prior to approval of the reduction-in-force decision by the College’s Board of Trustees. When employees are injured off the job and will be unable to perform their regular duties for a lengthy period of time, the Police Department, at its discretion, will provide light duty to employees.

Employees who are injured off the job must submit a Return to Work Authorization form completed by their doctor before returning to work. If the doctor has not released the employee completely from care, but has light duty for his or her work within specified guidelines, the Chief may assign light duty subject to management approval and light duty will not be unreasonably denied under the following specifications:

1. The availability of light duty is dependent upon the availability of a task to perform and is assigned at the discretion of the Chief.

2. The work the employee performs must be within the physical limitations prescribed by the employee’s and/or College’s physician.

3. The light duty normally shall not exceed a period of six (6) weeks. If at the end of that time, the employee is still not released for regular duty, he or she must resume the use of sick leave or other leave provision or be re-evaluated by his and/or the College’s physician for a determination as to when he will be able to return to work. Continued assignment to light duty beyond six (6) weeks is the exception rather than the rule and shall be made after consideration of all the circumstances, including the physician’s re-evaluation and prognosis and these specifications.

The College will make the determination as to whether the employee will be required to submit to an examination by a physician of the College’s choice.

Employees must realize the light duty assignment may be available at some times and not at others. The College will only attempt such assignments when the work exists and the employee’s skills are appropriate to the work to be done. If light duty work is available and if the employee is capable of performing the light duty work, the college reserves the right to assign the employee to a light duty assignment.

Section 13.5 Welfare and Death Benefit
The College shall be responsible for providing full-time police officers with any vaccinations required by law and shall pay the cost of the vaccinations of the officer’s family or household members who are subject to exposure to a contagious disease as a result of the officer’s involvement in an occurrence or incident. The College shall pay the reasonable funeral and burial expenses of a police officer who is killed while acting within the scope of their duties for the College.
Section 13.6 Vacations

Employees who are required to work during the period the College is closed between Christmas and New Year’s Day shall be permitted to adjust their regularly assigned work schedule with other employees subject to approval of the Chief of Police. Vacation leave may be utilized in minimum increments of fifteen (15) minutes.

A maximum of one hundred sixty (160) hours of accrued unused vacation can be accumulated and carried over until the end of the calendar year. Any accrued vacation time in excess of one hundred sixty (160) hours shall be forfeited.

Section 13.7 Vacation Scheduling
Written requests for vacation leave must be submitted to and approved by the Chief of Police. Vacations will be scheduled to avoid multiple employees taking vacation at the same time and to ensure a reasonable staffing level to meet operational requirements of the College’s Police Department. In determining priority for approval of vacation requests, employees with the greater seniority as defined in Section 10.1 will be granted preference provided they submit their vacation requests within the first thirty (30) days (by July 31) of each contract year. Vacation requests submitted after July 31 shall be prioritized based upon the order submitted with the earliest requests granted preference.

Section 13.8 Jury Duty
Employees who serve on jury duty or serve as a subpoenaed witness shall be paid their regular salaries. Mileage paid to those serving on jury duty or subpoenaed as a witness can be retained by the employee. Appearance fees payable by the court, may be kept by the employee.

UNIFORM ALLOWANCE

Section 14.1 Uniform Allowance
The College will provide all newly hired full-time police officers with new uniforms, bulletproof vests, vest carriers and weapons, including duty gear. The College will designate a local cleaning service for the police officers to send their uniforms for cleaning at the College's expense. The College will replace uniforms which are damaged while in the performance of assigned duties. Damage to uniforms or duty gear will be documented by the officer in a memorandum to their sergeant, explaining the nature in which the damage occurred. The sergeant will approve all uniform replacement requests that are determined to be valid.

Each officer will receive in an account with the department approved vendor $800 for the purpose of purchasing and maintaining their uniform, duty gear, and duty footwear in accordance with department standards. The minor repair and maintenance of uniform items resulting from normal wear and tear shall be the responsibility of the officer utilizing this account. This account will be established on July 1st of each contract year. Unused funds from one year will not be carried over to the next year.

Newly hired full-time officers will not receive a clothing allowance for the initial twelve (12) months of employment. Upon completion of the twelve (12) month initial period of employment, the officer will receive a prorated sum from the amounts listed above (computed using number of full months between the officer’s anniversary date and the next June 30th).

Bulletproof vests will be replaced by the department in accordance with manufacturer warranty.

All uniforms and equipment provided by this department in accordance with this section remain the property of Rock Valley College, are subject to inspection, and shall be returned to Rock Valley College upon termination of employment.

Section 14.2 - Uniform and Equipment Review
The College and the Labor Council mutually agree to meet semi-annually or as needed in accordance with Article III to review approved vendors and locations and to discuss modification of police uniforms, equipment and cleaning services with department standards.

In addition, by my spouse/domestic partner’s signature below, authorization is given to his/her employer to release the required dependent information indicated on Page 2 of this form. I understand that failure to notify Rock Valley College of my spouse/domestic partner’s employment change or falsifying his/her employment status is fraud and could result in financial penalty, loss of coverage and/or possible termination of employment.
