# Rock Valley College

The Executive Director of College Communications is the college's designated FOIA Officer. As such, they are responsible for logging, responding to, and maintaining all records associated with FOIA requests. Therefore, employees should not respond to records requests on behalf of the College. Only the FOIA Officer and the Deputy FOIA Officer are authorized to respond to FOIA (records) requests on behalf of Rock Valley College. Any college employee may accept a request but must forward it to the FOIA Officer and Deputy FOIA Officer upon receipt for processing and response.

Additional information:

- Individuals submitting FOIA requests are not required to identify themselves or the reason they are seeking a record(s)
- FOIA requests are not required to be submitted via a FOIA form; requests may also be made via mail, email, phone, in person, or other delivery modes.
- The time to respond starts on the day the college receives the request, not at the time it is necessarily received by the FOIA officer(s).
- Under the FOIA section 4(a) (5 ILCS 140/4(a)), the college is required to post its mission, organization structure, operating budget, locations, governing board, and instructions for submitting FOIA requests. This information is posted at the main entrance of each RVC campus.
