RockValleyCollege.edu/PublicSafety

This information is being provided as part of Rock Valley College’s commitment to safety and security on campus. At Rock Valley College (RVC) the safety and well-being of students, faculty, and staff is important. A truly safe campus can only be achieved through the cooperation of everyone at Rock Valley College. We hope that this information will be read carefully to help foster a safe environment for everyone at RVC.

This report is prepared in cooperation with local law enforcement agencies, out-of-state law enforcement agencies, the RVC Police Department (RVCPD), Human Resources, Enrollment Services, Student Life, Community Education Outreach, the Center for Learning in Retirement (CLR), Athletics, and other RVC departments. These entities provide updated information on their educational efforts and programs to comply with the Act.

THE RVC CAMPUSES
The RVC Main (Mulford) Campus is on the northeast corner of Mulford and Spring Brook Roads. It is situated on 217 acres in the city of Rockford, and according to the ICCB fall 2016 enrollment survey, served approximately 7,700 credit students and more than 20,000 non-credit students.

RVC maintains seven campuses (see photos on page 19):
1. Main Campus located at 3301 N. Mulford Road, Rockford, IL 61114;
2. Aviation Career Education Center (ACEC) located at 6045 Cessna Drive, Rockford, IL 61109;

RVC also offers various classes at multiple locations owned by other companies throughout and beyond the RVC District. The policies in this Annual Security Report apply to all seven campuses, unless otherwise stated in a particular section of the report.

RVC does not have dormitories on any of the campuses. All students live off campus.

REPORTING OF CRIMINAL ACTIVITIES OR EMERGENCIES
The Rock Valley College Police Department (RVCPD) is responsible for law enforcement, security, and emergency response at RVC. All crimes occurring on any RVC campus should immediately be reported to the Rock Valley College Police Department. RVC police are trained to receive, document and investigate all crimes reported.

A RVC police officer will work with individuals reporting a crime to obtain information and evidence, identify potential witnesses, and conduct a thorough investigation in an effort to identify the responsible party. When appropriate, crime suspects may be adjudicated through the student disciplinary system or criminal justice system.

RVC police officers have full law enforcement authority, including the authority to effect arrests, granted by the Illinois General Assembly under 110 ILCS 805/3-42.1. This Act authorizes them to make arrests on view or warrants, for violations of state statutes, and to enforce county and city ordinances in all counties that lie within the Community College District (#511), when such is required for the protection of community college personnel, students, property, or interests.

All RVCPD officers are certified police officers with training through the University of Illinois Police Training Institute or Illinois State Police Academy.

The RVCPD enforces all the laws of the state of Illinois, city of Rockford, and regulations of the college.

Officers are responsible for a full range of public safety services, including:
- all criminal reports
- investigations
- medical emergencies
- fire emergencies
- traffic accidents
- enforcement of laws regulating alcohol use on campus
- the use of controlled substances
- weapons
- all other incidents requiring police assistance.

The Rock Valley College Police Department is located in the Support Services Building (Room 1100), on the Main (Mulford) Campus and can be contacted by dialing 911 in emergency situations or (815) 966-2900 for non-emergency situations. RVCPD officers provide 24 hour patrol protection on weekdays. Rockford Police respond to police calls on campus between 2:30 a.m. and 5:30 a.m. on Saturdays and Sundays. The RVCPD makes daily patrols of the Stenstrom Center (SCCE), Aviation Career Education Center (ACEC), Cold Forming (CFTC), and RVC Downtown (RVCD). The SCCE and ACEC are also patrolled by the Rockford Police Department. Work Force Connections is patrolled by the Rockford Police Department. A strong working relationship is maintained with the Rockford Police Department, Loves Park Police Department, Winnebago County Sheriff’s Department, and other local, state, and federal law enforcement agencies. The RVCPD maintains a mutual aid agreement and assists other local law enforcement agencies as needed.

Emergency calls should be placed directly to 911. All non-emergency police-related calls should be placed to (815) 966-2900. For non-emergency campus-related issues dial (815) 921-4357 to reach the RVCPD administrative line.

RVC also has numerous Emergency Call Boxes in place on the Main Campus and off-campus facilities. These Call Boxes can be used to contact the Rock Valley College Police Department in emergencies or whenever assistance is needed. Call Boxes are available at the Bell School Road Center, Stenstrom Center, and Aviation Career Education Center.

The Rock Valley College Police Department maintains a daily crime log in the RVCPD lobby, in the SSB (Room 1100). The crime log contains information concerning reported crimes and typically includes the case number, classification of the crime, date reported, date occurred, time occurred, general location, and disposition of the crime.

MAINTENANCE AND SECURITY OF CAMPUS FACILITIES
Facilities, Plant Operations, and Maintenance (FPOM) maintains the campus buildings and grounds with a concern for safety and security. The Rock Valley College Police Department inspects campus facilities regularly and reports all potential security and safety hazards to FPOM for repairs. Students, faculty, and staff may also call FPOM at (815) 921-4300 to report any security or safety hazards.

ACCESS TO CAMPUS FACILITIES
All RVC campus buildings and facilities are accessible during normal hours of operation: 6:30 a.m. – 11:00 p.m. daily.

Please contact the college’s main switchboard (815) 921-7821 or the Rock Valley College Police Department (815) 921-4350 for weekend and holiday hours.

The campus(es) are closed to the public from 11:00 p.m. until 6:30 a.m. During non-business hours, access to all college facilities is by key or card access, if issued, or by admittance via the RVCPD.

INVESTIGATIONS/CRIME PREVENTION
There is an ongoing effort at RVC to prevent crimes from occurring rather than react to them after the fact. A method for accomplishing this goal is the college’s crime prevention program. The college’s crime prevention program is based upon the elimination of criminal opportunities and the encouragement of students, faculty, and staff to be responsible for the security and safety of all members of the campus community. The college’s primary crime prevention and awareness programs are made available to all incoming students, new employees, current students, and current employees.

The following is a listing of the crime prevention programs and projects utilized by RVC.

1. SAFE WALK PROGRAM
Provides an escort service, particularly during hours of darkness, for persons walking on campus. Call (815) 921-4350 or use an Emergency Call Box to request an escort. A RVCPD police officer will walk with you to any of these on-campus destinations: Main (Mulford) Campus, Bell School Road Center, RVC Downtown, Falcon Road Center, and Stenstrom Center for Career Education.

2. NEW STUDENT ORIENTATION
Crime prevention material is made available to new and returning students during the fall. Crime prevention material is also available throughout the year at several brochure kiosks located in buildings on campus.

3. BEHAVIOR INTERVENTION TEAM (BIT) AND THREAT ASSESSMENT
An anonymous referral regarding concerning behavior can be made at the Behavior Intervention Team (BIT) section of the college’s website. The BIT process coordinates a response to a student behavior(s) of concern. When referrals of concerning behavior are made by students, staff, or faculty to the Behavior Intervention Team, the team will follow up on the referral of concern and respond appropriately. BIT referrals should only be made for non-emergency situations. Emergencies and behavior that is life-threatening should immediately be reported to the RVCPD.

4. EMERGENCY CALL BOXES
An Emergency Call Box phone system is in place on campus. Located inside and outside of buildings, these Call Boxes can be used 24 hours a day to contact the RVCPD.

5. CAMPUS TELEPHONES
Campus NBX telephones (used by staff and faculty) may be used to report criminal activity, fire, or other emergencies by dialing 911.

6. ELECTRONIC MONITORING SYSTEMS
A sophisticated electronic alarm system monitors a network of intrusion and duress alarm systems in campus facilities. A series of closed-circuit security cameras are also utilized.

7. TIMELY WARNINGS
In the event that a situation arises, either on- or off-campus, that, in the judgment of the Chief of the Rock Valley College Police Department, constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning will be issued through the college email systems to students, faculty, and staff. The college may also post the warning on the college website and, in such instances, a copy of the warning will be posted at the entrance door of each on-campus building.

8. EMERGENCY NOTIFICATION
Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Rock Valley College Police Department, in conjunction with the Rock Valley College Communications department shall without any delay, notify students and staff through the use of the “RVC Alerts” emergency text message and voice message system. The “RVC Alerts” system, which provides more immediate notification, is a voluntary program that students and staff can enroll in to receive alerts concerning emergencies on campus via their cellular phone, email address, or landline telephone.

Students and staff can sign up at RockValleyCollege.edu/Alert. Anyone with information warranting a timely warning should report the circumstances to the RVCPD, by phone at (815) 654-4357 or in person at the dispatch center, within the Support Services Building (SSB), on the Main (Mulford) Campus near Parking Lot #4.

Persons wishing to report criminal offenses for the purpose of making a timely warning report or an emergency notification should contact the RVC Police Department.
EMERGENCY PREPAREDNESS

As required by federal and state law, Rock Valley College has a comprehensive emergency operations plan (EOP) that details immediate response and evacuation procedures, including the use of electronic and cellular communication.

The Rock Valley College Police Department has staff members assigned to the college’s Plans, Preparedness, Prevention, and Physical Security division. This division manages and maintains most of the college’s emergency preparedness procedures. RVC police officers, supervisors, and dispatchers (telecommunicators) have received training in Incident Command and the National Incident Management System (NIMS).

Generally, if a serious incident or emergency occurs, RVC police officers are the first responders to the scene. Depending on the scope and type of incident, assistance may be requested from the Rockford Police Department, Rockford Fire Department, and other college departments. Other local, state, and federal agencies could also be involved in the response.

Emergency response and evacuation procedures are tested at least annually. College employees are routinely trained utilizing emergency preparedness exercises such as drills, table top exercises, and functional exercises. The college also has an active Campus Community Emergency Response Team (C-CERT) consisting of faculty and staff. These individuals are trained in emergency response techniques and are activated during disasters and emergencies.

DRUG, ALCOHOL, & WEAPONS POLICIES

ALCOHOLIC BEVERAGES

No person shall possess, consume, distribute, or manufacture any alcoholic beverages on the campus of RVC or any property that the college may own or lease.

The Rock Valley College Police Department enforces Illinois underage drinking laws.

Such laws are strictly enforced by the RVC Police Department. Violators are subject to campus disciplinary action, criminal prosecution, fine, and imprisonment.

The RVC campus has been designated, “drug free,” and only under certain circumstances is the consumption of alcohol permitted.

CONTROLLED SUBSTANCES

No person shall possess, consume, distribute, purchase, or manufacture any controlled or illegal substance on the campus of RVC or any property which the college may own or lease.

The Rock Valley College Police Department enforces federal and state drug laws.

WEAPONS

No person shall wear, transport, store, or possess any firearms or other weapons while on any property the college may own or lease (including college-owned vehicles) (720 ILCS 5/21-6). Possession of “weapons” shall include, but is not limited to, firearms (including any gun, rifle, shotgun, pistol, BB, or pellet gun, or any firearm or device from which a projectile may be fired by explosive or gas/compressed air), knives, explosives, chemical or biological weapons, slingshot, metal knuckles, blackjack, or any other object which by use, design, or definition may be used or threatened to inflict injury upon another.

“Weapons” does not include mace or pepper spray.

Per the Illinois Firearm Concealed Carry Act [Section 65 (a)(15)], carrying a concealed firearm is prohibited on community college property even if the individual has a valid Concealed Carry License (CCL). Prohibited areas include all campus properties. This includes, but is not limited to, all buildings, parking lots, sporting event areas, bikes paths, and college-owned vehicles. A person with a valid CCL (licensee) may carry a concealed firearm on or about their person within a vehicle into a parking area and may store a firearm or ammunition concealed in a case within a locked vehicle or locked container out of plain view within the vehicle in the parking area. A licensee may carry a concealed firearm in the immediate area surrounding their vehicle within a parking lot area only for the limited purpose of storing or retrieving a firearm within the vehicle’s trunk, provided the licensee ensures the concealed firearm is unloaded prior to exiting the vehicle. It is the licensee’s responsibility for knowing and obeying the Concealed Carry Law. Violations of Illinois weapons laws may result in arrest. Additionally, violation of the college’s weapons policy may result in disciplinary action for students and staff including suspension and/or termination.

This policy does not apply to certified law enforcement personnel (police officers, sheriff’s deputies, parole agents) who are authorized by their agency to carry firearms on and off duty. Activities requiring use of prohibited items may be conducted only with the prior written approval of the RVC Chief of Police, or their designee.

TREATMENT

RVC provides a complete listing of personal counseling and treatment programs available in the Winnebago/Boone counties area. This listing is available in the Personal and Success Counseling Center, the Library, Financial Aid Office, the Bell School Road Center, Stenstrom Center for Career Education, the Falcon Road Center, and at the office of the Dean of Students.

In addition, students and employees may seek assistance from the counselor designated to assist with drug education on the campus who is located in the Personal and Success Counseling Center on the second floor of the Student Center.

If you are aware of problems with friends or family members, we encourage you to act responsibly by consulting with the Personal and Success Counseling Center. Remaining silent or waiting until a situation has escalated is neither respectful nor responsible. The college supports the notion of students helping one another to cooperatively solve alcohol and substance abuse problems as they occur.

SEXUAL & OTHER HARASSMENT POLICY (TITLE IX)

Rock Valley College is committed to providing an educational environment that is free from all forms of harassment as defined and otherwise prohibited by state and federal law. It is the policy of Rock Valley College that sexual harassment or any other form of harassment of a student by another student, an employee or a third party is prohibited and will not be tolerated. Any student or employee who is found after appropriate investigation to have violated this policy will be subject to disciplinary action, up to and including expulsion or termination.

Students who believe they have been subjected to harassment in violation of this policy shall have the right to submit complaints to the college in accordance with the administrative procedures implementing this policy.
SEXUAL & OTHER HARASSMENT DEFINED

Sexual harassment means unwelcome sexual advances, requests for sexual favors, or other verbal, nonverbal, or physical conduct of a sexual nature from another student, an employee, or a third party when:

A. Such conduct denies or limits a student’s ability to participate in or to receive benefits, services, or opportunities in the college’s programs or activities;

B. Submission to or rejection of such conduct is used as a basis for educational decisions affecting such individual; or

C. Such conduct has the purpose or effect of unreasonably interfering with an individual’s academic performance, or of creating an intimidating, hostile, or offensive educational environment.

This policy applies in all college environments, whether on campus, off campus, at college-sponsored social functions, or otherwise.

Examples of Sexual Harassment

Sexual harassment, as defined above, can range from unwelcome sexual flirtation to sexual assault. The following is a list of examples of conduct that may violate this policy. It is not intended to be an exhaustive list:

1. Direct propositions of a sexual nature
2. Physical assaults or sexual violence
3. Unwelcome and offensive physical contact such as patting or pinching
4. Unwelcome sexual flirtation
5. Sexually explicit statements, jokes, or anecdotes
6. Remarks or speculation about sexual activity
7. Direct or implied threats that submission to sexual advances will be a condition of grading, promotion, or other educational actions
8. Sexual slurs, sexual innuendos, and other comments about a person’s body
9. Telephone calls, emails, text messages, use of social media, and other electronic communications of an unwelcome sexual nature
10. Deliberate touching of another’s sexual parts without consent
11. Deliberate sexual contact of another without consent
12. Deliberate constraint or incapacitation of another, without that person’s knowledge or consent, so as to put another at substantially increased risk of sexual injury
13. Any sexual act that occurs without the consent of the victim, or that occurs when the victim is unable to give knowing consent due to drug or alcohol intoxication, mental incapacity, or under the age of 17
14. Obscene or indecent behavior, which includes, but is not limited to, exposure of one’s sexual organs or the display of sexual behavior that would be reasonably offensive to others

This policy also prohibits gender-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

Other Forms of Harassment

Harassment on the basis of any other protected characteristic is also strictly prohibited.

Harassment means unwelcome verbal, physical, or other conduct based upon student’s race, color, religion, gender, sexual orientation, national origin, age, disability, marital status, citizenship, or any other characteristic protected by law that:

A. Has the purpose or effect of creating an intimidating, hostile or offensive educational environment
B. Has the purpose or effect of unreasonably interfering with a student’s academic performance
C. Otherwise adversely affects a student’s educational opportunities

Harassing conduct includes, but is not limited to: epithets, slurs, or negative stereotyping; threatening, intimidating, or hostile acts; offensive jokes; and written material that shows hostility or aversion towards an individual or group based upon a legally protected characteristic.

Consensual Relationships

A sexual or romantic relationship between an employee and a student creates a conflict of interest when one of the individuals has direct evaluative authority over the other. Voluntary consent to a relationship of this nature is inherently suspect given the dynamics of the relationship. Therefore, it is a violation of this policy for an employee to have a sexual or romantic relationship with a student enrolled in a course being taught by the employee or whose work that employee supervises.

Relationships of this nature can affect other students, faculty, and staff because it places the employee in a position to favor or advance one student’s interest at the expense of the others. This relationship may also send an implicit message that obtaining benefits is contingent on a sexual or romantic relationship.

Please see the RVC Dean of Students web page for additional information regarding Title IX / Sexual Harassment (Sexual Assault, Sexual Harassment & Relationship Violence tab): RockValleyCollege.edu/DeanOfStudents.

SEXUAL & OTHER HARASSMENT PROCEDURES

Informal Discussion

Before filing a formal complaint, students are encouraged to discuss their concerns with the Title IX Coordinator, or their designee. This discussion is seen as the first step in the resolution procedure. It allows for sharing of information, giving of advice, and the possibility of achieving mutual resolution between/among the parties. Students who pursue this option will be informed at the outset of the right to end the informal process at any time and file a formal complaint.

Filing a Formal Complaint

Any student who feels that he or she has been the victim of harassment of any type by another student, an employee, or a third party may submit a formal written complaint to the Title IX Coordinator:

(815) 921-1500  |  RVC-StudentConduct@RockValleyCollege.edu

Written complaints must be signed and, to the extent possible, should state in detail the time, place, pertinent facts, and circumstances of the alleged harassment along with any witnesses. Written complaints must also state the remedy or relief being sought.
Investigating Complaints

All complaints of harassment are taken seriously and will be investigated promptly. The Title IX Coordinator, or their designee, will inform and seek consent from the complainant before beginning an investigation. If the complainant requests confidentiality or asks that the complaint not be pursued, the college will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation.

If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the Title IX Coordinator, or their designee, will inform the complainant that the college’s ability to respond may be limited. The Title IX Coordinator, or their designee, will also inform the complainant that this policy prohibits retaliation, and the college will not only take steps to prevent retaliation, but also take strong responsive action if retaliation occurs. The Title IX Coordinator, or their designee, will inform the complainant that the college cannot ensure confidentiality.

The purpose of the investigation is to determine whether the alleged violation of the college policy has occurred. In making this determination, the college uses a preponderance of the evidence standard, i.e., whether it is more likely than not that sexual harassment or violence occurred. In conducting the investigation, the Title IX Coordinator, or their designee, may interview the complainant, the accused, and any other persons believed to have pertinent factual knowledge regarding the alleged conduct, as deemed appropriate is the sole discretion of the Title IX Coordinator, or their designee.

The investigation will afford the accused a full opportunity to respond to the allegations. During the investigation, it may be necessary to take appropriate interim measures, such as reassigning the student to a different class or teacher or prohibiting the alleged perpetrator from having any contact with the complainant, pending the results of the investigation.

- To the extent possible, the Title IX Coordinator, or their designee, shall strive to conclude the investigation within sixty (60) days from the receipt of the complaint. This time period may be extended as necessary.
- Within fifteen (15) days of the conclusion of the investigation, the Title IX Coordinator, or their designee, shall prepare a confidential report regarding the investigation and whether a violation of the college’s policy has occurred. The complainant and the accused shall be provided copies of the confidential report.

Any student or employee who is found after appropriate investigation to have been in violation of this policy will be disciplined and subjected to corrective action, up to and including expulsion or termination. Appropriate corrective action for students may include, but is not limited to, counseling, warning, education, suspension, or expulsion depending upon the severity of the harassment and any record of prior related behavior.

The college may also provide appropriate remedies to the complainant. Remedies for the complainant might include, but are not limited to, ensuring that the complainant and alleged perpetrator do not attend the same classes, providing counseling or medical services, providing academic support services, such as tutoring, or arranging for the complainant to re-take a course or withdraw from a class without penalty, including ensuring that any changes do not adversely affect the complainant’s academic record.

Confidentiality

The college will strive to protect the confidentiality of the parties and records to the extent permitted by law. However, the college cannot ensure confidentiality in every situation. The college will evaluate requests for confidentiality in the context of its responsibility to provide a safe and nondiscriminatory environment for all students. Accordingly, the college may weigh the request for confidentiality against the following factors: the seriousness of the alleged harassment; the complainant’s age; whether there have been other harassment complaints about the same individual; and the alleged harasser’s rights to receive information about the allegations if the information is maintained by the school as an “education record” under the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g; 34 C.F.R. Part 99.15.

Retaliation

Retaliation means adverse action taken against a student because he or she has, in good faith, reported harassment or provided information in support of a harassment complaint. Retaliation violates the college’s policy and is also illegal. A person engaging in retaliatory conduct will be subject to corrective action, up to and including expulsion or termination.

Reprisal Against Alleged Harasser

It is against this policy to take into account the filing of a complaint against an employee or a student when making determinations such as reappointment, tenure, promotion, grades, merit, or any other evaluation, unless a final determination has been made that the employee or student did in fact violate this policy. The fact that a complaint has been filed is not proof of the prohibited conduct and should not be treated as such.

False Claims

Allegations of harassment are extremely damaging by their very nature. All claims of harassment must be made in good faith. Any claims that are brought while knowingly false, with malicious intent, or out of retaliation are a violation of this policy. Students who violate this policy will be disciplined and subjected to corrective actions, up to and including expulsion.

External Complaints

While the college encourages individuals to use the college’s internal complaint procedure to resolve harassment concerns, students also have the right to file a complaint with the U.S. Department of Education’s Office for Civil Rights (OCR) in addition to or in lieu of filing an internal complaint. Students may also file a criminal complaint with the college’s Police Department and/or the Rockford Police Department. No retaliation shall be taken against a student for filing an external complaint.
SEXYAL AND INTERPERSONAL VIOLENCE

Sexual Violence:
- Refers to physical sexual acts perpetrated against a person’s will, or where a person is incapable of giving consent. Consent must be given freely and voluntarily. It must be active and cannot be passive; silence or an absence of resistance, does not imply consent. A person may not give consent if they are unconscious, under the age of 17, incapacitated due to the use of alcohol or drugs, or have an intellectual or other disability. Past consent does not imply future consent, consent can be withdrawn at any time. Coercion, force, or threat of either; invalidates consent. Examples of sexual violence includes; rape, sexual assault, sexual battery, and sexual coercion. All such acts are forms of sexual harassment covered under this policy.
- Involves the use of force or threat of force to sexually touch or sexually penetrate the victim’s body or forcing the victim to touch or penetrate the offender’s body. Threats of death or use of a weapon increases the severity of criminal charges. According to Illinois law, sex crimes can be prosecuted even if the victim knew the attacker; the victim did not fight back; the victim had consensual sex with the attacker previously; or the victim was intoxicated or unconscious.

Rock Valley College does not tolerate interpersonal violence, which includes sexual assault, prohibited sexual contact, stalking, dating violence, and domestic violence in any form.

Rock Valley College (“college”) is committed to providing a safe and welcoming campus environment free from discrimination based on sex, which includes sexual assault, sexual exploitation, stalking, sexual harassment, dating violence, and domestic violence (collectively referred to as sexual misconduct). The college prohibits and will not tolerate sexual misconduct because such behavior violates the college’s institutional values, adversely impacts the college’s community interest, and interferes with the college’s mission. The college also prohibits retaliation against any person who, in good faith, reports or discloses a violation of this policy, files a complaint, and/or otherwise participates in an investigation, proceeding, complaint, or hearing under this policy. Once the college becomes aware of an incident of sexual misconduct, the college will promptly and effectively respond in a manner designed to eliminate the misconduct, prevent its recurrence, and address its effects. Whenever a student or employee reports an incident or if the college becomes aware of an incident, the college will investigate and respond to prevent the recurrence of the misconduct and address its effects. The college will provide the student or employee with an explanation of their rights and options. This information is in the Rock Valley College “Know Your Rights” booklet.

The Lead Title IX Coordinator is responsible for coordinating the college’s efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (“Title IX”), which prohibits sex discrimination, including sexual misconduct, in education programs and activities for institutions that receive federal financial assistance, as well as retaliation for the purpose of interfering with any right or privilege protected by Title IX. The Lead Title IX Coordinator oversees the college’s response to all reports and complaints of sexual misconduct to monitor outcomes, identify and address any patterns or systemic problems, and to assess their effects on the campus climate. The Lead Title IX Coordinator also evaluates requests for confidentiality by those who report or complain about sexual misconduct in the context of the college’s responsibility to provide a safe and welcoming campus environment for all students free from discrimination based on sex. Following a report or complaint of sexual misconduct, the college is required to conduct an adequate, reliable, impartial, equitable, and prompt investigation, including:

1. Determining whether the report or complaint alleges conduct that may, upon further investigation, constitute prohibited sexual misconduct;
2. Appointing an investigative team to conduct that investigation;
3. Determining whether reports and complaints are handled properly in a prompt and timely manner;
4. Informing all parties regarding the disciplinary process;
5. Confirming that all parties have been notified of a decision and the right to, and procedures for, an appeal, if applicable;
6. Maintaining information and documentation related to the investigation in a secure manner, consistent with the college’s obligations to disclose information as required by law; and
7. Monitoring compliance with timeframes set forth in the applicable procedures.

The Lead Title IX Coordinator and can be contacted at (815) 921-1500; or by email at RVC-StudentConduct@RockValleyCollege.edu. A person should contact the Lead Title IX Coordinator or a Deputy Title IX Coordinator to:

1. Seek information or training about rights and available actions to resolve reports or complaints involving potential sex discrimination, including sexual misconduct;
2. File a complaint or make a report of sex discrimination, including sexual misconduct;
3. Notify the college of an incident, policy or procedure that may raise potential Title IX concerns;
4. Get information about available resources (including confidential resources) and support services related to sex discrimination, including sexual misconduct; and ask questions about the college’s policies and procedures related to sex discrimination, including sexual misconduct.

Domestic Violence and Dating Violence
Involves a person knowingly, without justification, causing bodily harm to any family or household member, or making physical contact of an insulting or provoking nature with them. A family or household member includes spouses, former spouses, parents, children, stepparents and继父母, and other persons related by blood or by present or prior marriage, persons who share or formerly shared a common household, persons who have or allegedly have a child(ren) in common, persons who share or allegedly share a blood relationship through a child, persons who have or have had a dating or engagement relationship, persons with disabilities and their personal assistants, and caregivers as defined in Section 12-4.4a of the Illinois Domestic Violence Code.

Stalking
Is committed when a person knowingly engages in a course of conduct directed at a specific person, and they know or should know that their course of conduct would cause a reasonable person to fear for their safety or the safety of a third person, or causes them to suffer from emotional distress. It can also involve knowingly following a person and/or placing them under surveillance, on at least two separate occasions.
ASSISTANCE FOR VICTIMS OF SEXUAL VIOLENCE

If You Have Been the Victim of Sexual Assault

Sexual Assault should be reported immediately to the RVC Police Department, and/or Title IX Coordinator, or their designee. The Title IX Coordinator, or their designee, will provide assistance by discussing options available at the college including; assistance with support services, information on college procedures, providing remedies or administrative measures, and providing answers to questions or concerns. The Chief of the Rock Valley College Police Department, or their designee, will complete a campus report and explain to the student their options for pursuing the complaint through the legal system. The Rock Valley College Police Department can also assist with the needed hospital treatment (or other appropriate agency) and investigation of the complaint. It is important to have prompt, thorough medical care after a sexual assault. The primary medical concerns are physical injuries, sexually transmitted diseases, and pregnancy. At the time of the medical examination, testing will also be done to collect evidence that can be used to prosecute the individual who committed the assault. For this reason, sexual assault victims should not bathe or change their clothing after an assault, because it could destroy evidence. Preserved evidence may be helpful in obtaining a protection order against the assailant.

The RVC Police Department will notify college officials and will report the complaint to the Title IX Coordinator, or their designee for determination of the need for campus adjudication to take place regardless of prosecution through the legal system.

Any case of sexual assault referred to the Title IX Coordinator, or their designee, will be investigated. Sanctions for students found responsible of sexual assault may range from disciplinary warning or probation to suspension or expulsion from the college.

Rock Valley College provides referral and counseling assistance for victims of sexual assault through the Title IX Coordinator, or their designee, and/or the RVC Personal and Success Counselor (located on the second floor of the Student Center Main Campus). A victim may report directly to an RVC Personal and Success Counselor for immediate confidential response to obtain resources, discuss options, and to help navigate the process.

Crisis Centers

Additional sexual assault information and crisis center locations are available at the Illinois Coalition Against Sexual Assault (ICASA): ICASA.org.

You may also contact Rockford Sexual Assault Counseling, Inc. (RSAC): RSAConline.org.

RSAC’s services are confidential and free, 24 hours a day/7 days a week at (815) 636-9811.

CONSENT
Consent is informed, freely and actively given, mutually understandable words or actions that indicate a willingness to participate in mutually agreed upon sexual activity. A person can withdraw consent at any time. There is no consent when there is force, threats, intimidation, or duress. A person’s lack of verbal or physical resistance does not constitute consent. Consent to past sexual activity with another person does not constitute consent to future sexual activity with that person. Consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another person. A person cannot consent to sexual activity if such person is unable to understand the nature, fact, or extent of the activity or give knowing consent due to circumstances including without limitation the following:

A. the person is incapacitated due to the use or influence of alcohol or drugs;
B. the person is asleep or unconscious;
C. the person is under the legal age to provide consent; or
D. the person has a disability that prevents such person from having the ability or capacity to give consent.

DATING VIOLENCE
Dating violence is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim, and the existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of relationship, the type of the relationship, and the frequency of the interaction between the persons involved in the relationship.

SEXUAL EXPLOITATION
The use of another person’s nudity or sexual activity without consent for the purpose of sexual gratification, financial gain, personal benefit, personal advantage, or any other non-legitimate purpose. Sexual exploitation includes, but is not limited to:

A. without the knowledge and consent of all participants, observing, recording, or photographing nudity or sexual activity of one or more persons in a location where there is a reasonable expectation of privacy, allowing another to observe, record, or photograph nudity or sexual activity of one or more persons, or otherwise distributing recordings, photographs, or other images of the nudity or sexual activity of one or more persons;
B. exposing one’s genitals without consent of the other person(s); and
C. sending sexually explicit materials to another person without consent of the recipient.

SEXUAL HARASSMENT
Sexual harassment is defined by college policy and set forth in the Student Code.

ORDERS OF PROTECTION AND NO-CONTACT ORDERS
In Illinois, a victim of domestic violence, dating violence, sexual assault or stalking has rights. Further, the college complies with Illinois law in recognizing orders of protection. Any person who obtains an order of protection from Illinois or any other state should provide a copy to the RVC Police. A complainant may then meet with the RVC Police to develop a “Safety Action Plan,” which is a plan for RVC Police and the victim to reduce risk of harm while on campus or coming and going from campus.

Rock Valley College provides students and employees with written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available for victims, both within the institution and in the community. They will also be provided with information about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures. The college will make such accommodations or provide such protective measures if the victim requests them and if they are reasonably available, regardless if the victim chooses to report the crime to campus police or local law enforcement.

This information is available in the “Know Your Rights” booklet published by the college.
CONFIDENTIALITY
The college will attempt to protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking, consistent with its legal obligations to protect the safety of the campus community.

Personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20)). Further, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The college does not publish the name of crime victims nor house identifiable information regarding victims in the campus police departments Daily Crime Log or online. Victims have the right to require that directory information about them not be disclosed.

To make this request, a student must submit a “Request to Suppress Directory Information” to the Office of the Registrar (815) 921-4250. Students who request suppression of directory information usually do so because of serious, even dangerous, circumstances. It is critical that their privacy be protected in every situation. If a student has elected to suppress directory information, the college will respond to inquiries as follows:

“There is no information available for any student by that name.”

Police reports in the state of Illinois are public records, and the college Police cannot hold reports of crimes in confidence. However, victim information is redacted in reports requested via the Freedom of Information Act (FOIA). Confidential reports for inclusion in the annual disclosure of crime statistics can be made to other campus security authorities.

INTERIM PROTECTIVE MEASURES AND SANCTIONS
The college may implement protective measures following the report of domestic violence, dating violence, sexual assault and/or stalking, which may include some or all of the following actions: no contact orders, no trespass orders, and changes to class schedules.

RESULTS OF DISCIPLINARY HEARINGS
Rock Valley College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, RVC will provide the results of the disciplinary hearing to the victim’s next of kin, if so requested.

Results of hearings should be released to the victim and the accused on the same day.

HOW TO BE AN ACTIVE BYSTANDER
Bystanders play a critical role in the prevention of sexual and relationship violence. They are individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it. We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.

2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.

3. Speak up when someone discusses plans to take sexual advantage of another person.

4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.

5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

RISK REDUCTION
With no intent to victim-blame and recognizing that only rapists are responsible for rape, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org):

1. Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.

2. Try to avoid isolated areas. It is more difficult to get help if no one is around.

3. Walk with purpose. Even if you don’t know where you are going, act like you do.

4. Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.

5. Try not to load yourself down with packages or bags as this can make you appear more vulnerable.

6. Make sure your cell phone is with you and charged and that you have cab money.

7. Don’t allow yourself to be isolated with someone you don’t trust or someone you don’t know.

8. Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.

9. When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.

10. Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately.

11. Don’t leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you’ve left your drink alone, just get a new one.

12. Don’t accept drinks from people you don’t know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don’t drink from the punch bowls or other large, common open containers.

13. Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they’ve had, or is acting out of character, get him or her to a safe place immediately.
14. If you suspect you or a friend has been drugged, contact law enforcement immediately. Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
   a. Remember that being in this situation is not your fault. You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
   b. Be true to yourself. Don’t feel obligated to do anything you don’t want to do. “I don’t want to” is always a good enough reason. Do what feels right to you and what you are comfortable with.
   c. Have a code word with your friends or family so that if you don’t feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
   d. Lie. If you don’t want to hurt the person’s feelings it is better to lie and make up a reason to leave than to say and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.

16. Try to think of an escape route. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?

17. If you and/or the other person have been drinking, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

Student Code of Conduct Policies

The college recognizes each student’s procedural right to due process, which includes providing notice setting forth alleged violation(s) of the Student Code of Conduct (hereafter referred to as the “Code”), and a speedy and fair hearing/administrative meeting. An appeals process is available to students that are suspended or expelled from the college. Any member of the college community can initiate accusation of an alleged violation. If a student referred to the Dean of Students for an alleged violation, he or she will receive notice of the alleged violation which will include a request for an administrative meeting with the Dean of Students, or their designee.

Procedural Right to Due Process

Any student facing possible disciplinary action is entitled to the following procedural due process:
- To be notified of the allegations against them
- The right to a speedy and fair hearing/administrative meeting
- To know the nature of the information against them, unless release of the information would endanger the health or safety of victim(s) or witness(es)
- To present information and/or witnesses relevant to the allegation
- To appeal a sanction of suspension or expulsion, if applicable

College Jurisdiction

Jurisdiction is maintained between periods of enrollment for all students. The term “student” includes all persons taking courses at Rock Valley College, either full-time or part-time, in person or online. Persons who withdraw after allegedly violating the Code, who are not officially enrolled for a particular term, but who have a continuing relationship with the college or who have been notified of their acceptance for admission are considered “students.”

This Code applies to all college locations including the Main (Mulford) Campus, Stenstrom Center, RVC Downtown, and all other sites. Sanctions may be imposed for prohibited conduct which occurs on college premises, at off-campus instructional sites (e.g., experiential coursework, internships, lab, or clinical sites), at college-sponsored extracurricular activities or events when a student serves as a representative of the college, or in the instance of using college technology or property.

Student Conduct & Conflict Resolution Model

The Dean of Students, or their designee, shall determine whether the Code shall be applied to conduct occurring off campus in accordance with the best interests of the college. Sanctions may be imposed for conduct that occurs on- or off-campus which substantially interferes with the college’s operation or educational programs or the safety and welfare of the college community. A substantial college interest is defined to include:

A. Any situation where it appears that the student’s conduct may present a danger or threat to the health or safety of themselves or others
B. Any situation that significantly impinges upon the rights, property, or achievements of self or others or significantly breaches the peace and/or causes social disorder
C. Any situation that is detrimental to the educational mission and/or interests of the college

The Student Code of Conduct may be applied to behavior conducted online, via email, or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats, and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online.

The college does not regularly search for this information, but may take action if and when such information is brought to the attention of college officials.

Records maintained and/or created by a law enforcement unit of an educational institution for purposes of law enforcement are not considered “student records” under the Family Educational Rights and Privacy Act (“FERPA”) and may be released to third parties as necessary without violating FERPA. Contact the RVCPD on how to view law enforcement records.
Violations of The Law

1. College discipline may be imposed on students charged with an off-campus violation of federal, state, or local laws even when there is no accusation of any other violation of the Code. This action is necessary to provide for the safety and welfare of the college community. Disciplinary action may be taken and sanctions imposed only for grave misconduct, which demonstrates flagrant disregard for the college community.

2. College disciplinary proceedings may be instituted against a student charged with violation of a federal, state, or local law which is also a violation of this Code, that is, if both violations result from the same factual situation, without regard to pending civil litigation in court or criminal arrest and prosecution. Proceedings under this Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

3. When a student is charged by federal, state, or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of their status as a student. If the alleged offense is also the subject of a proceeding before a judicial body under the Code, however, the college may advise off-campus authorities of the existence of the Code and of how such matters will be handled internally within the college community. The college will cooperate fully with law enforcement and other agencies in the enforcement of law on campus, and in the conditions imposed by criminal courts for the rehabilitation of violators who are also students. Individual students and faculty members, acting in their personal capacities, remain free to interact with governmental representatives as they consider appropriate.

STUDENT CODE OF CONDUCT

Students accused of crimes may request to take a leave from the college until the criminal charges are resolved. In such situations, the college procedure for voluntary leaves of absence is subject to the following conditions:

• The responding student must comply with all campus investigative efforts that will not prejudice their defense in the criminal trial

• The responding students must comply with all interim actions and/or restrictions imposed during the leave of absence

• The responding student must agree that, in order to be reinstated to active student status, they must first be subject to, and fully cooperate with, the campus conduct process and must comply with all sanctions that are imposed

Conduct Process Overview

A. Reporting a Code Violation

Any member of the college community may file a Code violation allegation against any student (with the exception of complaints of academic misconduct—faculty have original jurisdiction over these matters). Reports may be sent to the Dean of Students, or their designee. Reports can be made in person or online at: RockValleyCollege.edu/DeanofStudents.

There is no time limit on reporting violations of the Code; however, the longer someone waits to report an offense, the harder it becomes for college officials to obtain information and witness statements and to make determinations regarding alleged violations. Though anonymous complaints are permitted, doing so may limit the college’s ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Dean of Students Office, or RVC Police Department.

B. Notice and Response

Within 30 business days of receiving an alleged Code violation, the Dean of Students, or their designee, will notify the responding student of the allegation. The notice shall include:

(1) the alleged Code violation

(2) the opportunity for the student(s) to meet with the Dean of Students for purposes of resolving the allegation(s)

The student may choose to have an “advisor or support person” accompany them during the meeting (such as a peer, friend, family member, or Rock Valley College employee). The advisor/support person may be present during the administrative meeting, but may not speak for or on behalf of the student.

If the student does not meet with the Dean of Students, or their designee, or chooses not to participate in the process within 10 business days of the notice, the Dean of Students will make a decision without input from the student.

A student against whom a Code violation has been filed and/or disciplinary charges are pending may have a “hold” placed on their academic record until charges are resolved. A hold will prevent the student from requesting an official transcript, registering for classes or withdrawing, dropping courses, etc.

STUDENT CONDUCT EXPECTATIONS

Conditions may include ineligibility for specific courses, services, and the restrictions.

L. **College Expulsion**
A permanent separation from the college with consequent loss of tuition and fees. Due to the severity of this sanction it may be noted on the student’s official college academic transcript.

M. **Parental Notification**
The college reserves the right to notify the parents/guardians of dependent students regarding any conduct situation, particularly alcohol and other drug violations. The college may also notify parents/guardians of non-dependent students who are under the age of 21 for alcohol and or their drug violations. Parental notification may also be utilized discretionally by administrators when permitted by FERPA or consent of the student.

N. **College Record**
A hold may be placed on a student’s academic record, denying them access to official transcripts, registration or degree until all of the obligations of the college conduct process and/or assigned sanctions are completed.

Additional or alternate sanctions may be created and designed as deemed appropriate to the offense with the approval of the Dean of Students, or their designee.

Sanctions may be imposed upon college groups or organizations found to have violated the Code; such as deactivation, de-recognition, or loss of all privileges including the status as a college-registered organization for a specific period of time, or one or more of the sanctions listed above.

**Student Discipline/Conduct Procedure**

Conduct procedures are based on fundamental fairness practices and preponderance of evidence. They are not formal legal proceedings and are not subject to the same rules that govern civil or criminal hearings including, but not limited to, the rules of evidence.

**A. PRELIMINARY INVESTIGATION AND ADMINISTRATIVE MEETING WITH THE DEAN OF STUDENTS**

The Dean of Students, or their designee, will conduct a preliminary investigation to determine if the allegation has merit. If the allegation can be disposed of at the preliminary investigation stage, such disposition will be final and there will be no subsequent proceedings.

If necessary, the Dean of Students, or their designee, shall meet with the responding student and inform the student of their procedural rights to due process. The Dean, or their designee, may determine the following:

- Find student responsible for Code violation(s)
- Issue sanctions for Code violations
- Dismiss the case
- Refer parties to conflict resolution or mediation
- Refer to Behavioral Intervention Team (BIT)
- Refer student to educational programming
- Refer parties to community resource

The Dean of Students, or their designee, will notify the student in writing within 20 business days of the decision.

The outcome of the conduct process is part of the education record of the responding student and is protected from release under FERPA, except under certain conditions. As allowed by FERPA, when a student is accused of a policy violation that would constitute a “Crime of Violence” or forcible or nonforcible sex offense, the college will inform the alleged victim/party bringing the complaint in writing of the final results of an administrative meeting regardless of whether the college concludes that a violation was committed. Such release of information may only include the alleged students, responding students name, the alleged violation, and the sanctions assigned (if applicable).

In cases of sexual misconduct and other offenses covered by Title IX Coordinator, or their designee, only, the rationale for the outcome will also be shared with all parties to the complaint in addition to the finding and sanction(s).

In cases where the college determines through the student conduct process that a student violated a policy that would constitute a “Crime of Violence,” the college may also release the above information publicly and/or to an third party.

FERPA defines “crimes of violence” to include: Arson, Assault offenses (includes stalking), Burglary, Criminal Homicide (Manslaughter by negligence), Criminal Homicide (Murder and non negligent manslaughter), Destruction/damage/vandalism of property, kidnapping/abduction, Robbery, Forcible sex offenses, Non-forcible sex offenses.
B. APPEAL PROCESS

1. Appeal of Sanctions:
The Conduct Review Board or Chief Academic Officer (CAO) will hear cases of appeal for suspension or expulsion sanctions only. The “Conduct Review Board” may consist of a minimum of three (3) individuals and no more than six (6), two (2) faculty members appointed by Academic Affairs, two (2) students appointed by the Manager of Student Life, and two (2) Student Development administrators (one of whom will serve as non-voting Chair) appointed by the Chief Academic Officer (CAO). The Dean of Students, or their designee, shall serve as non-voting Secretary and advisor to the Conduct Review Board. No Conduct Review Board member may sit on the Board during a hearing if that member is a complainant, witness, has a direct or personal interest in the outcome of the hearing, or has previously acted in an advisory capacity to the accused student. The Chair of the Conduct Review Board may establish a hearing format consistent with this Code. In cases involving more than one responding student, the chair of the Conduct Review Board and the Dean of Students, or their designee, will determine if hearings or conferences concerning each student will be conducted jointly or separately.

2. Appeal Hearing Procedures:
   Formal appeal hearings will be conducted by the Conduct Review Board or the Chief Academic Officer (CAO) according to the following guidelines:
   a. A written appeal must be received within 10 business days from sanction notice date, sent by the Dean of Students.
   b. The Dean of Students, or their designee, will determine if the appeal will be referred to the Conduct Review Board, or the Chief Academic Officer (CAO).
   c. The Dean of Students, or their designee, will notify the student of the appeal hearing within 15 days of receipt of appeal request. The notice will include the date, time, location, and type of hearing.
   d. Decisions made by the Conduct Review Board or Chief Academic Officer (CAO), are final.

3. The Student’s Role:
   a. The student must submit an appeal in writing within 10 business days of the date of the sanction notice to the Dean of Students.
   b. The responding student may be accompanied by an advisor. The advisor may attend the hearing with the student to support them. The responding student and advisor may be present during the entire hearing, but neither may be present during deliberations of the Conduct Review Board. In no event, may the advisor participate directly by speaking for the student or questioning witnesses or the Conduct Review Board. Admission of any other person to a Conduct Review Board hearing will be at the discretion of the Chair.
   c. Both the responding student and the complaining parties may present information, including witnesses and written statements.

4. The Dean of Students’ Role:
   a. Notify the student by certified mail of the appeal hearing within 15 business days in advance of the hearing. The letter will inform the student of:
      • The violation(s) and assigned sanction
      • The time, date, and location of the hearing
      • If the appeal will be heard by the Conduct Review Board or the Chief Academic Officer (CAO).
   b. The Dean of Students, or their designee, shall notify the student via certified mail, return receipt requested within 15 days of the appeal decision by the Conduct Review Board or the Chief Academic Officer (CAO).

5. Chief Academic Officer (CAO) Role:
   a. Review the written appeal
   b. Review all documents or information available pertaining to the case
   c. Meet with the student who originated the appeal
   d. Arrive at a decision within 15 business days after hearing the appeal
   e. The Chief Academic Officer (CAO) will communicate to student in writing the results of their decision. A copy of this letter will be provided to the Dean of Students Office.

6. Conduct Review Board Role and Process:
   a. Hearings will be closed to the public.
   b. In all cases, information related to the case will be presented and considered whether or not either party is in attendance.
   c. Quorum for a hearing requires that a minimum of three (3) Conduct Review Board members are present for the hearing.
   d. Pertinent and relevant information may be reviewed without regard to the legal rules of evidence.
   e. The Conduct Review Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation via telephone, video-phone, closed-circuit television, video conferencing, CD/DVD, audio tape, written statement, or other means.
   f. Both the responding student and the complaining parties may present information, including witnesses and written statements. The Chair of the Conduct Review Board will determine the format of the hearing, the admissibility of witnesses or written statements, and may elect not to hear such information if deemed redundant or irrelevant.
   g. The Chair of the Conduct Review Board retains authority to question witnesses and parties to the alleged violations and will determine the appropriateness of questions posed by the parties.
   h. The Chair of the Conduct Review Board may opt to hear the witnesses separately.
   i. There will be a single verbatim record, such as an audio recording, of all hearings before the Conduct Review Board. Review of the verbatim record may only occur on college premises and in the presence of the Dean of Students, or their designee. The verbatim record is property of the college.
   j. Determination of final sanction shall be made based on the preponderance of evidence.
   k. Decisions by the Conduct Review Board shall be by majority vote of the members present for the hearing. A decision reached by the Conduct Review Board is final.
NOTE: If the sanction decision is overturned by the Conduct Review Board or the Chief Academic Officer (CAO), and if coursework has been missed as a direct result of action taken against the student, appropriate accommodations may be made in order to assist the student.

**Interpretation & Revision**

Any question of interpretation regarding the Code may be referred to the Interim Dean of Students, or their designee, for final determination. The Code may be periodically reviewed and amended as necessary under the direction of the Dean of Students, or their designee. See the college website for the most recent version. For more information on the Code, contact the Interim Dean of Students, located in the Student Center, via telephone at (815) 921-4284 or via email: RVC-StudentConduct@RockValleyCollege.edu.

Rock Valley College Student Code of Conduct Adopted August 21, 2006; Revisions, June 2010; August 2012; June 2013; July 2014; and August 2015.

**CAMPUS SEX CRIMES PREVENTION ACT**

On October 28, 2002, the Campus Sex Crimes Prevention Act became effective. This is in conjunction with the federal law enacted on October 28, 2000 that provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education.

The act amends the “Jacob Wetterling Crimes Against Children Act” and “Sexually Violent Offender Registration Act” to require sex offenders already required to register in a state to provide notice, as required under state law, of each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. Sex offenders who fail to register their status as a student or employee at an institution of higher education are in violation of the Registration Act and face arrest.

This act also amends the “Jeanne Clery Act” to require institutions of higher education to issue a statement, in addition to other disclosures required under that act, advising the “Campus Community” where law enforcement agency information provided by a state concerning registered sex offenders may be obtained.

The Illinois State Police provides a listing of sex offenders required to register in the state of Illinois. The database is updated daily and can be found at the following website: ISP.state.il.us/sor.

The RVC Police Department also maintains a “Sex Offender List” that lists all known sex offenders who are students and employees at Rock Valley College. This Sex Offender List is available for viewing on the RVC Police Department on the Main (Mulford) Campus, in both the Information Center (located on the first floor of the Student Center-SC), and the RVC Police Department office (located in the Student Support Building–SSB, Room 1100), as well as their office at the Stenstrom Center-SCCE (Room 271), and RVC Downtown-RVCD. You may call the RVC PD (815) 921-4350 for more information.

In addition, registered sex offenders are required to meet with the Dean of Students, or their designee, prior to the beginning of each semester they are enrolled.

Lastly, the act amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders; and requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

**ACCUMULATION OF CRIME STATISTICS**

Crime statistics are gathered throughout the year utilizing campus police dispatch and report records. The Rock Valley College Police Department also contacts several college departments and determines where RVC is holding off-campus classes and activities. The police agencies who have jurisdiction over the off-campus locations are then contacted and any crime statistics concerning crimes committed during RVC classes or activities at these off-campus locations are requested. All crimes occurring at off-campus RVC classes or activities which the “Jeanne Clery Act” requires in the Annual Security Report are included in our annual report. Rock Valley College does not have any officially recognized student organizations with off-campus facilities or housing.

Campus security authorities as defined by the Clery Act are also contacted during the year to report crimes that may have been reported to them but not to campus police. Campus security authorities are defined as campus employees who have significant responsibility for student and campus activities. If the incident is believed to be founded, it is included in the Annual Security Report.

The Annual Security Report is completed prior to October 1st each year and students, staff, and faculty are notified of the reports availability via an email sent to their RVC email account. The report is also available online at RockValleyCollege.edu/PublicSafety.
ROCK VALLEY COLLEGE “COUNSELORS & CONFIDENTIAL CRIME REPORTING” PROTOCOL

Persons wishing to report criminal offenses for the purpose of inclusion in the annual statistical disclosure should report this information to the RVC Police, the Dean of Students office, or a campus security authority (CSA).

As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors”, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary, confidential basis, for inclusion into the annual crime statistics. If they wish to remain anonymous and have their reported crimes included in the annual crime statistics, victims and witnesses may report through the RVC counselor acting as a professional counselor or may use the confidential reporting methods listed below.

**The Rulemaking Committee Defines Counselors as:**

**Pastoral Counselor**
An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

**Professional Counselor**
An employee of an institution, whose official responsibilities include providing psychological counseling to members of the institution’s community, and who is functioning within the scope of his or her license or certification.

Rock Valley College CSAs are campus police staff, Student Life manager, student club advisors, athletic director or coaches, Dean of Students, and academic advisors.

All incident reports received from CSAs are reviewed by the campus police. The Dean of Students office is consulted if necessary. If an incident reported to a CSA is believed to be founded, and meets the requirements of a Clery Act defined crime, it is included in the Annual Security Report. Reviewed CSA incident reports, founded and unfounded, will be retained in the Clery Act files for that specific reporting period.

The Annual Security Report will be completed prior to October 1st each year and students, staff, and faculty will be notified of the reports availability via a postcard mailed to their residence or by an email notification sent to their campus email address. A notification notice will also be printed in college class catalogs each semester. The Annual Security Report will be available on the Rock Valley College website for online viewing. A copy of the Annual Security Report will be mailed to anyone who requests a paper version of the document.
