ADDITIONAL INFORMATION

ACADEMIC MAPPING
All students using military education benefits must have their courses approved by an academic advisor and provide a copy of the mapping to the Veterans office. Call (815) 921-4100 to make an appointment.

IMPORTANT: You must fill out a Veterans Certification Request (VCR) Form every semester once you have registered for classes. Turning in this signed form authorizes the School Certifying Office to process your benefits and to apply these benefits towards your bill. Failure to turn in this form could result in your classes being dropped for non-payment.

STANDARDS OF ACADEMIC PROGRESS
Students must be in good academic standing to use their state and federal grants. RVC follows the same standards and academic procedures for all students (including students using VA educational benefits). This is explained in the “Getting Started” section of the Rock Valley College Catalog under the heading “Financial Aid.” Students with unsatisfactory academic progress will be ineligible to use their state and/or federal benefits.

DROP WITH A REFUND
Every fall and spring semester, the last day to drop a class for a refund is the 10th day after classes begin [for late starting classes or summer classes, please refer to your syllabus or contact the Records Office at (815) 921-4250]. If you drop classes during this period of time, you will not be charged for these courses. However please note that it is your responsibility to notify the School Certifying Official immediately should you make any adjustments to your class schedule. Classes dropped after the drop date, are processed as a withdrawal and you will be responsible for any resulting bills. Refer to “Withdrawing From Classes” (below).

WITHDRAWING FROM CLASSES
It is your responsibility to notify the School Certifying Official immediately should you make any adjustments to your class schedule. If you need to withdraw from your classes, go to the Records Office and complete the withdrawal slip. Please note that you are still responsible for any charges that may be applied to your bill and be aware that it could result in an overpayment and a debt to the VA or to the school.

NON-ATTENDANCE DUE TO MILITARY SERVICE
All students must make arrangements with their instructors if military service will cause you to miss class. If the instructor determines that the amount of time missed will result in the unsuccessful completion of the course, then the student should withdraw due to military service. Contact the School Certifying Official for more information.

PRIORITY REGISTRATION
Per Public Law 115-48, section 303 Rock Valley College offers priority enrollment to all veterans, servicemembers, spouse, and dependents regardless of whether military benefits are being used.
