Rock Valley College Whiz Kids
Engages Young Minds.

Since 1980, Whiz Kids has been engaging young minds and providing youth with a variety of educational enrichment opportunities.

Whiz Kids classes are designed to provide enrichment activities for youth, cleverly disguised as fun, where students learn by doing and supporting each other in the learning process. Kids are inspired to try new things, build independence, gain social skills, face challenges, learn the value of work, and build character. Whiz Kids classes are taught by experienced educators who have a passion for inspiring kids.

The goal of Whiz Kids will always be the same. We are about making sure youth have the time of their lives and create ever-lasting memories. It’s a much needed break from the rigor of the academic year, where we can make creativity, adventure, thrills, smiles, and plain old good times happen.

SPECIAL NEEDS: The College is committed to providing an accessible and supportive learning environment for all Whiz Kids students. To help us meet this goal, at least three weeks in advance of the beginning of a Whiz Kids class call the RVC Community & Continuing Education office at (815) 921-3900. Notification of any disabilities or conditions requiring special accommodations or attention will allow the College to determine reasonable accommodations which can be made. For adult students, call the RVC Disability Support Services Office at (815) 921-2371. Office Hours: Monday-Friday, 8:00 am-5:00 pm.
CALLING ALL 5TH THROUGH 8TH GRADE STUDENTS!

Join us for STEM Week and learn how to design and build various projects using everyday items, repurposed materials, motors and various type and size of interlocking blocks.

Our workshops are led by local educator Faten Abdallah and RVC Assistant Professor Laura Constant. Each project emphasizes design and build concepts, simple electric motors and creativity skills.

No refunds 7 days prior to class start.

Participants keep their projects!

JUNE 17-21: BUILT TO WORK PROJECTS
(Ages 10-13) Build a sundial, windmill, LEGO zip line, bridge, catapult, marble maze, an airplane, and if time permits, a skeeball machine.

WIZ-820-JUNE $166
6/17-6/21  M-F  9:00 am-Noon 5 Sessions
Bell School Rd. Ctr. 3350 Bell School Rd. Room 007

JULY 8-12: STEAM-SCIENTIFIC ART
(Ages 10-13) Milk and vinegar plastic, math art, clothespin animals, blowpaint germ art, cell phone speaker, art spinners, 3D drawings, straw rockets, musical instruments.

WIZ-820-JULY $166
7/8-7/12  M-F  1:00-4:00 pm 5 Sessions
Bell School Rd. Ctr. 3350 Bell School Rd. Room 004

AUGUST 5-9: SCIENTIFIC INVESTIGATIONS
(Ages 10-13) Escape room, fingerprinting lab, CSI activities, handwriting lab, footprint lab.

WIZ-820-AUG $166
8/5-8/9  M-F  9:00 am-Noon 5 Sessions
Bell School Rd. Ctr. 3350 Bell School Rd. Room 004
World of Watercolor  
(Ages 9-13) Create beautiful watercolor paintings when we explore drawing and watercolor techniques. Start with watercolor splash techniques and then draw from photos and still life to create watercolor masterpieces. **DRESS:** Paint clothes or bring an apron to class.

**WIZ-801-BLL**

6/24-6/28  M-F  1:00-4:00 pm  5 Sessions
RVC Classroom Bldg. II

SEWING WITH MARY
(Ages 8-Adult) Learn to sew simple garments, read and follow a pattern guide. You can use your own sewing machine or use one that is provided. Learn easy ways to hem, put in zippers, sleeves and much more. NOTE: For those adults who want to take this great class with your child/grandchild, both adult and child must register (although strongly suggested, class does not require an adult to attend with child). First class, students will meet at classroom, then we’ll travel to local fabric store to purchase supplies.

CAH-806-BLL  Mary Foreman $141
6/22-8/24  Sa 9:00-11:30 am  10 Sessions
Bell School Rd. Ctr. 3350 Bell School Rd. Room 004

All movies created in the following classes will premiere at A Red Carpet Popcorn Film Festival for parents on Friday.
The magic in every camper comes to life as never before when they are empowered to be as creative as they were all born to be! Black Rocket has over a decade of experience designing camps in the S.T.E.A.M. fields (Science-Technology-Engineering-Arts-Mathematics). Every program is powered by the camper’s innate imagination and designed to bring their ideas to life in a fun, hands-on, learning environment. From concept to creation students will demonstrate their masterpiece to the world at the end of each week! All Black Rocket programs mirror real life experiences and the collaborative nature of the design process. Students will work in pairs or teams for most of the program.

Returning students can create more advanced projects that build on previous years!

**Minecraft Designers**
(Ages 8-14) If you love the game Minecraft, and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. Students must own a Java version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. **No refunds 7 days prior to class start date.**

WIZ-820-BR3 Black Rocket Staff $195
6/17-6/21 M-F 9:00 am-Noon 5 Sessions
RVC Woodward Technology Ctr. Room 1102

**Virtual Reality: The Future is Now**
(Ages 8-14) Embark on an EPIC adventure in virtual reality! In this cutting-edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. **At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created.** VR projects can be viewed on a website or a mobile device. Students do not need a mobile device to take the class, but to use the VR headset a camper will need access to an Android or Apple mobile device. Students will work in pairs or teams and VR projects will be available on a password protected Black Rocket website to share with friends and family. **No refunds 7 days prior to class start date.**

WIZ-820-BR5 Black Rocket Staff $185
6/24-6/28 M-F 9:00 am-Noon 5 Sessions
RVC Woodward Technology Ctr. Room 1102

**ROBLOX® Coders & Entrepreneurs**
(Ages 8-14) Discover how to code in the Lua language while playing and designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This new class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate ROBLOX®’s fast-growing marketplace to publish their games. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. **No refunds 7 days prior to class start date.**

WIZ-820-BR2 Black Rocket Staff $195
6/10-6/14 M-F 1:00-4:00 pm 5 Sessions
RVC Woodward Technology Ctr. Room 1102

**Python Programmers**
(Ages 8-14) Want to learn the world’s fastest growing programming language favored by Google, NASA, Youtube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish! Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. **No refunds 7 days prior to class start date.**

WIZ-820-BR4 Black Rocket Staff $204
6/17-6/21 M-F 1:00-4:00 pm 5 Sessions
RVC Woodward Technology Ctr. Room 1102

**Video Game Animation**
(Ages 8-14) Take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character’s personality, signature moves, special powers, and a storyline. Finish with a fully animated character to be used in your very own game. Students do not need any prior experience in game design, animation, or sketching. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for $15 conversion fee. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. **No refunds 7 days prior to class start date.**

WIZ-820-BR6 Black Rocket Staff $185
6/24-6/28 M-F 1:00-4:00 pm 5 Sessions
RVC Woodward Technology Ctr. Room 1102

**ROBLOX® Makers**
(Ages 8-14) Unlock the power of ROBLOX ® Studio, the world creation tool used by real world ROBLOX® developers! Learn how to build 3D models and create an adventure in your ROBLOX ® world. Bring characters to life with unique animations you design. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. **No refunds 7 days prior to class start date.**

WIZ-820-BR6 Black Rocket Staff $185
6/24-6/28 M-F 1:00-4:00 pm 5 Sessions
RVC Woodward Technology Ctr. Room 1102
Make Your First Video Game!
(Ages 8-14) If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Student created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers, Mac versions can be created after the program for $15 conversion fee. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. No refunds 7 days prior to class start date.

WIZ-820-BR7 Black Rocket Staff $185
7/8-7/12 M-F 9:00 am-Noon 5 Sessions
RVC Woodward Technology Ctr. Room 1102

3D Game Labs With Unity
(Ages 8-14) Are you ready to take your game design skills to another level? With Unity, an industry-grade design software, aspiring game designers will learn level editing, 3D modeling, impactful gameplay creation, as well as how to utilize scripts and variables. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. No refunds 7 days prior to class start date.

WIZ-820-BR8 Black Rocket Staff $185
7/8-7/12 M-F 1:00-4:00 pm 5 Sessions
RVC Woodward Technology Ctr. Room 1102

Minecraft Modders
(Ages 8-14) Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password protected Black Rocket website to share with friends and family. Students must own a Java version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. No refunds 7 days prior to class start date.

WIZ-820-BR9 Black Rocket Staff $185
7/15-7/19 M-F 9:00 am-Noon 5 Sessions
RVC Woodward Technology Ctr. Room 1102

Minecraft Designers
(Ages 8-14) If you love the game Minecraft, and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. RVC Woodward Technology Ctr. Room 1102

Kat’s Creative Flower Pots
(Ages 6-13) Paint your very own flower pot! Have fun while painting a clay pot to fill with a flower or plant.
WIZ-801-RV Kathryn Heitzman $34
6/8 5a Noon-2:00 pm 1 Session
RVC Classroom Bldg. II Room G25

Kat’s Palette Party
(Ages 10-14) Create your very own textured painting using palette knives and acrylic paint in this step by step guided painting experience. BRING: A paint shirt!
WIZ-807-RV2 Kathryn Heitzman $44
7/30-8/1 TTh 6:00-7:30 pm 2 Sessions
RVC Classroom Bldg. II Room G25

Math Refresher & Prep
(Ages 11-15) Reinforces main concepts from 8th grade mathematics including: analyze proportional relationships and solving real world/mathematical problems; apply and extend previous understanding of fractions to add, subtract, multiply and divide rational numbers; use properties of operations to generate equivalent expressions; use numerical and algebraic expressions and equations; draw, construct, and describe geometrical figures and relationships between them; applications in angle measure, area, surface area, and volume; random sampling to draw inferences about a population; draw informal comparative inferences about two populations; investigate chance processes and develop, use, and evaluate statistics and probability models. Homework assignments and final test will be part of this course. BRING: Pencils, erasers, red pen, calculator, geometry set, graph paper, ruler and notebook. PREREQUISITE: 7th grade math or instructor permission. PURCHASE: Text at RVC Bookstore. NO CLASS 7/4.
WIZ-807-RV Bilal Khairi $233
6/24-7/1 M-Th 10:00 am-Noon 12 Sessions
RVC Jacobs Ctr. for Science & Math Room 0216
PIANO WITH INGER LANGSHOLT

► INGER LANGSHOLT is a well respected private instruction piano teacher, instrumental in developing community piano lessons in a group setting at Rock Valley College. Inger’s teaching style and classes are best described by one of her adult students: “She taught me (to play the piano) as a child. This is an easy, laid-back approach for the beginner. The student enjoys it!”

TO REGISTER:
• Choose appropriate age/skill level
• Attend first class, register and pay (check only please) OR
• Register and pay online, attend first class
• Dates/times and class level assignments subject to change at instructor’s discretion.

Piano Classes for NEW (Inexperienced) Students
Classes designed for beginning level students. No experience required!
A piano or keyboard with standard size keys is needed for home preparation of assignments.

Elementary Piano I  
(Ages 9-11)

GIFT OF CLASS
Give the gift of “life-long learning”!
Our classes make a great gift for all occasions. For more information call (815) 921-3900.
We offer two types of Summer Day Camp options: Week-long day camps for elementary age children (rising 1st graders - rising 5th graders) and on Fridays a Pre-K one hour day camp open to ages 2-5 (with parent/grandparent). All campers get to explore, learn, play games and get creative under guided staff supervision. For complete details, visit www.midwayvillage.com.

**Tall Tales**
(Ages 2-5) Let’s hear some of the most downright exaggerated tales you will ever hear! Let’s hear some of the most downright (Ages 2-5) exaggerated and downright funny stories of some of America’s first folk heroes. Some of these tales you may have heard and some may be new, but they are all of America’s first folk heroes.

**Heroes & Villains**
(Ages 2-5) What would your favorite story sound like if it was told from the villains point of view? We are going to explore some legendary places that may have existed in the past...or might just be myths. (Ages 5-11) Based on a series of illustrated biographies for young readers featuring significant historical figures, including artists, scientists, and world leaders, your camper will explore famous figures from different place, times, and fields of study.

**Civilizations Lost & Found**
(Ages 2-5) Let’s explore some legendary places that might have existed in the past...or might just be myths. (Ages 5-11) History can be horrible and this week your camper will learn about some children’s books told from a different point of view. How does that make things different?

**Castaways**
(Ages 2-5) Activities related to living on a deserted island. We’ll dig in the dirt looking for bugs, learn how to listen to nature and so much more!

**THE WHO WAS**
(Ages 2-5) Who are some of these famous people that everybody seems to know? Let’s find out!

**Fun with Science**
(Ages 2-5) Let’s get our goggles and lab coats and try some science experiments!

**Horrible Histories**
(Ages 2-5) Even things like the potty have a history and we’re going to explore some of them this week.

- Classes run for 1 month

Preschool Gymnastics
(Ages 15 Months-5 Years) This course is considered one of the most progressive and innovative programs available today for infants, toddlers, preschoolers and kindergarten children. The program is designed to help each child's individual physical awareness, strength, balance and coordination. This program is a preparation for school achievement. Your child will do better in the classroom with self confidence that he/she has gained through learning how to analyze. This is a success oriented program designed to help children feel good about themselves. NO CLASS 7/4.

WIZ-817-GAR6 Gymnastic Academy Staff $62
Gymnastic Academy Rockford 6630 Spring Brook Rd.
Gymnastic Academy North 11447 2nd St., Roscoe

Boys Gymnastics
(Ages 6-13) ROSECO ONLY. Our boys gymnastics program introduces kids to all the equipment used in men's all around gymnastics. Whether it's the thrill of swinging on the horizontal bar or rings, or the core work and rhythm of the pommel horse and parallel bars, or the awesome power and precision of vault and floor, this class provides plenty of excitement and exercise for these young athletes NO CLASS 7/4.

WIZ-817-GAR4 Gymnastic Academy Staff $99
Gymnastic Academy North 11447 2nd St., Roscoe

Girls Gymnastics
(Ages 6-13) Bars, beam, floor-X & vault, all the traditional women's Olympic events. GAR's state-of-the-art training facility provides each student with a positive, progressive and fun approach to learning gymnastics. This is a success-oriented program designed to develop the individual, as well as the gymnast. NO CLASS 7/4.

WIZ-817-GAR2 Gymnastic Academy Staff $125
Gymnastic Academy North 11447 2nd St., Roscoe

Boys/Girls Trampoline
(Ages 6-17) This course has a unique Safe Progression System into every step of the skill development process to enable your child the safest learning experience available anywhere. Trampoline is the perfect tool for developing skills in other sports like cheerleading, diving, tumbling and gymnastics. NO CLASS 7/4.

WIZ-817-GAR Gymnastic Academy Staff $69

(Ages 9-14) Do your kids enjoy being in the kitchen or watching the Cooking Channels and food competitions? Bring them in to learn all about cooking! Basic kitchen safety, reading recipes, cooking/baking utensils, measuring, pots and pans, knife skills demo and closely supervised individual knife lesson on care, cutting and cleaning (with signed waiver prior to first class only). Each day will have a new lesson and new foods that we will prepare and serve for lunch. Take home packet with everything learned, recipes, and some cooking/baking items to use at home.

- Loves Park

**ANGELIC ORGANICS**

**Fantastic Farm Animals Day Camp**
(Ages 6-12) Make friends with your favorite farm animals at this fun summer camp. We'll work in the barnyard taking care of goats, chickens and pigs. We will make special food for our friends like oak leaf pizza for goats and collard green tacos for pigs. Our animals will have a chance to get out and about for a goat walk with campers or team up for chicken races. Campers will sample farm fresh foods including boiled eggs, garden veggies and goat milk ice cream. All this makes for a fantastic time with fantastic farm animals. On Friday from 2:30-3:00 pm we will have an open house for parents and family members. **BRING:** Lunch, snack and water bottle daily. **DRESS:** To be in the farm environment. **No refunds 7 days prior to class start.**

**WIZ-809-BE**

**Farm Animal Mysteries Day Camp**
(Ages 6-12) Everyday campers will solve a new barnyard mystery about the farm animals. Campers will need their detective hats to find clues and work together as farmers to keep the animals safe and healthy. In between solving farm mysteries there will be time to play with goats and chickens. Don't miss out on learning what honey bee dance means! On Friday from 2:30-3:00 pm we will have an open house for parents and family members. **BRING:** Lunch, snack and water bottle daily. **DRESS:** To be in the farm environment. **No refunds 7 days prior to class start.**
