Pathways for Students Ready for College-Level Math

MTH 115* General Education Math

MTH 220* Elements of Statistics

MTH 217* Math for Elementary Teachers II

MTH 216 Math for Elementary Teachers I

MTH 132 Precalculus Mathematics

MTH 125 Plane Trigonometry

MTH 120 College Algebra

MTH 100 Technical Mathematics

MTH 211* Business Calculus

MTH 160* Finite Mathematics

MTH 135* Calculus I

MTH 164 The Computer in Mathematics C++

MTH 235* Calculus II

MTH 236* Calculus III

MTH 240 Differential Equations

MTH 240 and/or MTH 250 may be taken concurrently with MTH 236

Note: MTH 240 and/or MTH 250 may be taken concurrently with MTH 236

* indicates courses counting towards General Education Core Curriculum math requirement
