

Division 3AA Schools:

A data entry error occurred for the Division 3AA Oral Competition.

The correct results are as follows:

Score	School
44	Boylan (unchanged)
39	Sterling (unchanged)
38	Rochelle
36	Cary Grove
29	Prairie Ridge

This **does** affect 3rd place in the Oral Competition (1st and 2nd remain unchanged). I have contacted Carol Nenne, the State Contest Chair, and am waiting to hear back.

As for overall team totals, the following scores would be changed. These do not affect the order of finish:

Score	School
501	Prairie Ridge
492	Cary-Grove
318	Rochelle

I am truly sorry that this happened. The error was discovered after 5:00 pm - the deadline to change the scores in the scoring program. I will email any updates to the schools involved.
