Welcome to the
Golden Eagles Family!

You will often hear me say, “We are RVC Strong because our community is strong.” RVC Strong means a lot of different things, but what does it mean to you as a student? It means you are a part of something bigger than yourself. It means you have a community of faculty, staff, administrators, and fellow students who are here to support you to make sure your time at RVC is not only a success, but an experience you will look back on years from now and remember as life changing.

Rock Valley College’s Mission Statement reads: “Rock Valley College empowers students and community through life-long learning.” That means we are a student-focused institution. That means everyone who works here, in everything we do, should be focused on making RVC a better place for you to learn, grow, and thrive.

We do that by following the four pillars of the 2021-2024 Strategic Plan: 1) Access, 2) Exceptional Educational Opportunities, 3) Exceptional Training Opportunities, and 4) Diversity, Equity and Inclusion. We do that through faculty engagement with students. We do that by providing valuable resources such as the Tutoring Center and Writing Center, academic advising and personal counseling. We do that by providing opportunities to immerse yourself in the RVC culture through student organizations, campus events, athletics, intramurals and the arts.

As your president, it’s my responsibility to support your success as a student. When you see me out-and-about on campus, don’t hesitate to approach me or just say “hello.” Be on the lookout for various ways I will engage with students throughout the year.

At Rock Valley College, we are dedicated to providing you with exceptional educational and training opportunities, but we are also committed to making it a place where everyone feels welcome and supported. Like a family. Because we are better together.

We are RVC Strong.

Howard J. Spearman, Ph.D.
President and Chief Executive Officer (CEO)

Academic Advising
The purpose of Academic Advising is to help explore and clarify educational goals, motivation, and attitude; to map out academic plans; to receive assistance with transfer articulation to four-year schools; to select appropriate courses for college majors; and to help complete degrees (i.e., Associate of Arts, Associate in Science, and Associate in Engineering Science and the Associate in Applied Science).

Goal Setting
Transferable credits are a must for students planning to continue their education after Rock Valley College. Advisors will help you plan a transferable curriculum suited for the school of your choice. Don’t be caught short of required credits!

Phi Theta Kappa – Honor Society
Phi Theta Kappa, the official honor society of two-year colleges, serves to recognize and encourage the academic achievement of two-year college students and provide opportunities for individual growth and development through academic, leadership, and service programming. Rock Valley College is home to the Omicron Eta chapter, which has been ranked as one of the top 100 chapters in the world. Every fall and spring, letters are sent out to students eligible for membership. Omicron Eta inducts about 100 students each semester. To be eligible, students must be enrolled in classes at RVC at the time of induction, have completed 12 credit hours, and have achieved a cumulative GPA of 3.5. (Upon being inducted, students must maintain a 3.25 GPA.)

In addition to being an Honor Society, Phi Theta Kappa is also an active Student Organization, of 25-30 members, which is open to all RVC students. The organization's activities mirror those of the honor society. Activities include an “Honors in Action” project and volunteering for many community service projects.

For more information, please contact Phi Theta Kappa’s Advisor Tim Spielman at: T.Spielman@RockValleyCollege.edu or call (815) 921-4104, or visit: RockValleyCollege.edu/PTK or PTK.org.

B.I.T. History: The Rock Valley College B.I.T. was created and implemented Fall 2009. B.I.T. coordinates a response to anyone within the campus community who is displaying emotional, concerning and/or distressed behaviors or physical well-being concerns, with the intent to provide them the assistance they need.

B.I.T. Process: The team operates on a case by case situation, but aims to respond quickly to concerns brought the attention of the team; however, if an immediate response is needed, please contact the RVC Police Department at (815) 921-4357. The B.I.T. process does not replace classroom management, disciplinary processes or police responses.

The Rock Valley College Bookstore is your source for book rentals, used, new, and digital or e-textbooks and online access codes. We are conveniently located in the heart of the Main Campus. The Bookstore carries all required and recommended books and supplies for classes including classes offered at other RVC campuses, online and hybrid. Book rentals, used books, and e-textbooks versions have substantial savings. We also price match BN.com and Amazon.com. Check our website for price match details, book information, prices, and purchasing. In addition to textbooks, the Bookstore offers school supplies, backpacks, general reading and reference books, Rock Valley College clothing, and everything you need to show your school pride. We accept payment using cash, credit/debit cards (Visa, MasterCard, Discover, and American Express), Barnes & Noble gift cards, and Financial Aid (contact the Financial Aid Office for more details).

We invite you (students, parents, alumni, and faculty) to download our app Your Bookstore Mobile App (appbnc.com). You will receive information and special offers from the RVC Bookstore.

### Book Rental

Renting your textbooks is a great way to lower your upfront book costs. You will need a credit/debit card (not prepayd type) to secure your rental titles, and the rental fee can be paid with cash, financial aid, credit/debit card, or Barnes & Noble gift card. Book rentals are due on the last weekday of finals. We suggest when you take your final exam, you check in your book. There is no penalty for early check in, so bring it back when you are done with it. Check your receipt or in the Bookstore for the specific due date.

### Finding Your Book List

The easiest way to know which books you need for class is to log into RVC Online Services: RockValleyCollege.edu/OnlineServices. Once there, select “My Class Schedule and Textbook List” on the bottom right. Select the term you are looking for and at the bottom of your schedule, click on the “Text Books” button. Your schedule will be put into our website and show you what is needed for your classes. Remember to look if the item is required or recommended just below the book title. Use the “Select format” drop down box to see pricing for each item and if it is available digitally or to rent.

### Using Financial Aid Program in the Bookstore

RockValleyCollege.edu/FinancialAid

Required and recommended books, supplies, backpacks, and computers are available for purchase against anticipated Pell or Loan funds in the Rock Valley College Bookstore the week before classes begin through approximately the first four weeks of classes. See the Financial Aid Office for details. For students with classes starting at mid-term, purchase your mid-term books and supplies at the beginning of the semester. If you only have mid-term classes, you can stop by the Financial Aid Office to see if book and supply money can be loaded to your account.

For Summer II, you need to stop by the Financial Aid Office to have your money loaded. This program is not available for the Winterim or Summer I terms.

### Book Buyback

The best time to sell books back is during finals time each semester. If a book is being used the following semester, is in good condition, and the Bookstore hasn’t bought the quantity needed, students may receive up to 50% of what they paid. We buy books at national market value (0-25%) every day. You will need your RVC photo I.D. to sell your books back.

Financial Aid

Location: Student Center – Second Floor
Open Hours: Mon. – Th. 8 a.m. – 6 p.m.  Fri. 8 a.m. – 5 p.m.

Phone Number: (815) 921-4150
Website: RockValleyCollege.edu/FinancialAid

A Financial Aid Advisor is available on a limited basis, by appointment only. Please call for hours:
RVC Downtown (RVCD): (815) 921-2000

All students should complete and submit the Free Application for Federal Student Aid (FAFSA) as early as possible.

This is the first step needed to determine your eligibility for all types of financial aid. The application is online at: FAFSA.gov.

In addition, students must have a RVC Enrollment Form and a SSN on file for the Financial Aid Office to process your FAFSA.

For priority consideration for financial aid at Rock Valley College, you must submit your FAFSA to the Department of Education's central processing center and return all requested paperwork to the Financial Aid Office before:
- May 1, 2022 for Fall 2022
- October 15, 2022 for Spring 2023

By submitting all your paperwork by the above deadlines, the Financial Aid Office will have adequate time to review your file, make corrections if necessary, and determine your eligibility before the first Fall or Spring payment date. If you are eligible for financial aid and have a complete file, your classes will be held through the payment date.

Students’ Rights and Responsibilities and available information regarding financial aid:

A list of rights and responsibilities for students receiving Title IV and other financial aid is available in the Financial Aid Office and is also distributed to students receiving financial aid. It is the student's responsibility to read the Department of Education's Student Guide: StudentAid.ed.gov.

Other information available from the Financial Aid Office includes:
- Criteria for continued eligibility.
- Satisfactory academic progress standards and criteria to reestablish eligibility if a student fails to maintain satisfactory progress.
- Method and frequency of financial aid disbursements.
- Terms of any loans received, repayment schedules, and the requirements for repaying loans.
- Exit counseling information for student borrowers.
- Summary of requirements for the return of Title IV grant and loan assistance by withdrawn students.
- General conditions and terms applicable to any student employment offered as part of a student's financial aid award.
- Information regarding enrollment in study abroad programs and financial aid.
- Deferments of loan repayments for service in the Peace Corps, service under the Domestic Volunteer Service Act of 1973, or comparable volunteer service for tax-exempt organizations of demonstrated effectiveness in the field of community service.

Financial Aid & Withdrawing from Classes

Financial aid is paid for students who regularly attend class. If you register for classes and do not plan to attend, you are responsible for completing an Add/Drop Form in the Records and Registration Office. If students withdraw from any classes, they should contact the Financial Aid Office to see what impact this will have on their financial aid. Students receiving Title IV funds (Federal Pell Grant, Federal SEOG, and Federal Direct Loans) who withdraw from or fail all classes or receive a combination of all withdraws and grades of F (officially or unofficially) will be subject to Rock Valley College’s refund policy and the federal policy regarding the possible return of Title IV funds awarded to students. Further details and information can be obtained in the Financial Aid Office.
Financial Obligation of the Student
Grade reports, transcripts, degrees/certificates, or other academic record information may be withheld for students who are in default on financial obligations. In such a case, the student maintains the right to inspect and review their records. Information will only be released once the student’s account has been cleared.

Financial Aid Refund Policy
Students receiving Title IV funds (Federal Pell Grant, Federal SEOG and Federal Direct Loans) who withdraw from all classes and/or fail all classes (officially or unofficially) will be subject to Rock Valley College’s refund policy and the federal policy regarding the possible return of Title IV funds awarded to the student. The student will be responsible for any tuition balance resulting from the refund(s). Before withdrawing from any classes, the student should contact the Financial Aid Office to see what effect this will have on their financial aid. In addition, students who fail all classes are subject to this calculation.

Academic Standards Of Progress For Recipients of Financial Aid
In accordance with the U.S. Department of Education and state of Illinois regulations, Rock Valley College established Standards of Academic Progress applicable to all financial aid recipients. These standards apply to all students receiving federal and state funding, including veterans and students receiving student loans or federal/RVC work-study employment. For a copy of the entire policy, students can contact the Financial Aid Office for the Financial Aid Handbook or view online at: RockValleyCollege.edu/FinancialAid.

Completion Rate Requirement: A student must achieve a 67% cumulative completion rate for all course work attempted at Rock Valley College. This applies whether or not the student previously received financial aid. In addition, the student must achieve a 67% cumulative completion rate for all course work attempted within a given semester.

a. Credit hours completed are defined as completion of a course by the end of a given semester in which a student is enrolled and receiving a grade of A, B, C, D, or P.
b. Credit hours attempted include all credit classes in which the student is enrolled after the last day to drop for refund. Course withdrawals after the last day to drop as well as courses with grades of “F” and “I” count as hours attempted for financial aid purposes.
c. Audits, proficiency tests, and non-credit courses are not included in the total number of credit hours attempted.

Grade-Point Average (GPA) Requirement for 2020–2021:
A student must maintain a minimum GPA requirement in order to continue receiving financial aid. Students may receive financial aid while on a Financial Aid Warning Status.

Maximum Timeframe Requirement
Students are expected to complete their program of study in a timely manner. A student’s maximum time frame is based on total credit hours attempted and the student’s degree objective. These limits apply regardless of whether or not the student has changed majors or received federal funding. The student’s eligibility will end when the student has attempted 150 percent of the credits required for their specific program of study. For example, if a student is attempting an Associates of Arts Degree, the published length of program is 64 credits. Applying the 150% maximum timeframe rule on this program would limit a student to 96 attempted credits. Please note that this maximum time frame is specific to the student’s chosen program, and in some cases may be more or less than 96 attempted credit hours.

THERE ARE FOUR TYPES OF FINANCIAL AID AVAILABLE
There are grants, loans, employment opportunities, and scholarships. Please note that financial aid award levels are dependent on legislative action and available funding in any given year; therefore, award amounts are listed using the most current information known at the time of this printing.
The following are the financial aid types:

**GRANTS**

**Federal Pell Grant**

Who is eligible?
Undergraduate students who demonstrate financial need. Eligibility is based on the FAFSA calculation of the expected family contribution, the cost of college attendance, and the amount of available funds.

Duration: Varies with the student’s financial need and the student’s enrollment status as of the Financial Aid Census Date.

When to apply: We strongly recommend you start the process as early as possible after October 1st, as the whole process may take up to a month, depending on your situation.

How to apply:
1. Complete and file the Free Application for Federal Student Aid (FAFSA) online at FAFSA on the Web (FAFSA.gov). List Rock Valley College’s School Code 001747 on your application. The processor will mail or email you a Student Aid Report (SAR) within a week. Filing via U.S. Mail is possible, but may add up to three (3) weeks of processing.
2. Submit a Completed Enrollment Information Form to the Recruitment and Admissions Office at RVC. You will receive more information on your next step to become a student from the Admissions Office. You must have an application for enrollment in our system for the Financial Aid Office to determine your financial aid eligibility.
3. A letter will be sent to the student via U.S. mail or RVC Mail requesting additional information needed by Rock Valley College in order to determine your financial aid eligibility.
4. Once your financial aid file is complete, you will receive an award letter (by U.S. Mail or RVC Mail, award letters are also available on the student’s Online Services account) outlining what aid you are eligible to receive. You can check your award letter information online at: RockValleyCollege.edu/OnlineServices.
5. Students who first received a Pell grant on July 1, 2008 or later are limited to 12 full-time equivalent semesters of Pell.
6. Students who have filed the FAFSA, but have not completed the documentation to complete their financial aid file may be eligible for the “FA Deferred Payment Plan.” See page 33 “Online Nelnet Payment Plan.” Students who are eligible for the FA Deferred Payment Plan do not have any funds deducted from their bank/credit card account until November and December 2022 (for Fall 2022) or until April and May 2023 (for Spring 2023). Students who complete their documentation and are found to have enough financial aid eligibility to cover their tuition and fees prior to these dates will not have any funds deducted from their bank/credit card account. Signing up for this payment plan prior to the payment deadline will ensure that your classes are not dropped for non-payment.

**Federal Supplemental Education Opportunity Grant (FSEOG)**

Who is eligible? Pell eligible RVC students who are enrolled at least half-time with exceptional financial need.

The Rock Valley College Personal and Success Counseling's mission is to prepare students for learning and personal success throughout life. We educate and facilitate the growth of the whole person for living, learning, and coping in an unpredictable and diverse world. We work in conjunction with our colleagues across campus towards the promotion of a healthy campus environment and advocate for all students regardless of age, race, sexual orientation, or political beliefs.

Students will be provided assistance for feelings of anxiety, depression, inadequacy, loneliness, or any other personal concern students may be struggling with. The Personal and Success Counselors will provide short term counseling and will connect students to community resources if long term counseling is the better solution.

Students who do not meet the Financial Aid required Standards of Academic Progress (SAP) will be required to meet with a Personal and Success Counselor as a requirement for appealing their Financial Aid Eligibility. Students will develop an academic recovery plan and discuss any possible barriers preventing them from being successful and strategies to overcome them. Students are encouraged to continue visiting with the Personal and Success Counselor after the initial appointment. See “Financial Aid” for more details about requirements and appeals.

In addition, the Personal and Success Counseling Office coordinates the college Early (academic) Alert Program and leads Academic Recovery Program for students on Academic Probation. Students looking to implement or improve successful time management, study skills, or stress relief techniques are encouraged to schedule an appointment.

Also available to students:

ULifeline (ULifeline.org)

Severe Weather
RVC has established a liaison with the Winnebago County Emergency Services and Disaster Agency to be placed in the emergency warning network. Established plans have been given to staff and faculty members, and during severe weather warnings, you should follow their instructions and the instructions of the RVCPD. The ground floor, interior classrooms, stairwells, and restrooms will give you the best protection. Avoid corridors, windows, and roofs with long spans. Designated Severe Weather Areas are marked with signs.

You are strongly encouraged to sign up for RVC Alerts to receive up-to-date information on severe weather response, campus closings, and other emergencies. Go to: RockValleyCollege.edu/myRVC to sign up for RVC Alerts.
The Rock Valley College Police Department also maintains a “Sex Offender List” which documents all known Sex Offenders who are students and/or employees at Rock Valley College. This Sex Offender List is available for viewing at: the Rock Valley College Police Department in the Support Services Building (SSB), the Student Center Information Desk, and at the main office at our RVC Downtown location. The Registered Sex Offender process is managed by the RVC Police Department and the Dean of Students Office. This mandate applies to all RVC courses including General Education Development (GED), High School Equivalency (HSE), English as a Second Language (ESL), Adult Basic Education (ABE), and Community/Continuing Education (CCE). This also applies to students registered as part-time (less than 12 credit hours) and enrolled students of collaborative and partnership programs.

**REGISTERED SEX OFFENDER – RVC POLICE DEPARTMENT REQUIREMENTS**

The sex offender must register with Rockford Police Department (RPD) and the Rock Valley College Police Department (RVCPD). You are required to meet once per year with RVCPD unless your student status changes (full-time to part-time, no longer a student, re-enrolling after dropping out, etc.).

If your status changes, you must inform RVCPD and re-register with both RPD and RVCPD.

In addition, if you add, drop, or withdraw from courses anytime, you must contact RVCPD by calling (815) 921-4357.

Finally, you must complete sex offender registration paperwork with the Rock Valley College Police Department within three (3) days of enrollment.

**REGISTERED SEX OFFENDER – DEAN OF STUDENTS OFFICE EXPECTATIONS**

In addition, all students who are Registered Sex Offenders enrolled in RVC courses(s) are to meet with the Dean of Students, or their designee, each semester. You must meet prior to the beginning of each semester enrolled, complete and comply with the Expectation Sheet, and inform the Dean of Students Office of any change in schedule or enrollment status.

After you have met with the RVCPD, call the Dean of Students Office at (815) 921-4281 to schedule an appointment. Finally, all students are to be treated fairly and without discrimination. If you believe you are being subject to unfair treatment or experiencing harassment based on your status, please contact our office.

**ANNUAL SECURITY REPORT**

This report includes statistics for the previous three (3) years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Rock Valley College; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters.

The complete report is available at: RockValleyCollege.edu/PublicSafety. You may also request a paper copy of this report by contacting the RVCPD at (815) 921-4357 or visiting us in the Support Services Building (SSB) on the Main Campus.

PRIORITY REGISTRATION

• Priority Registration will take place during the fall and spring registrations only; summer registration will begin for open registration for all students on the first day.
• Priority Registration is meant to give priority to the students who are close to graduation so that they may enroll in the required courses needed to graduate.
• Priority Registration was implemented in response to a significant number of student complaints received from previous registration periods due to high volume and length of time necessary to register on the first day.
• Priority Registration is awarded on the dates specified to students who have completed the following number of credits (both developmental and college level; does not include credits in progress):
  - **Day 1**: 32 or more credit hours completed
  - **Day 2**: 16 or more credit hours completed
  - **Day 3**: Currently enrolled with no credit hours earned

• Only students enrolled in the past year will be assigned a priority date. If they were enrolled prior to the past year, they will be considered a new student and fall into the open registration category. Drops and withdrawals do not count as completed semesters.
• Priority Registration does include transfer credits earned as long as they were evaluated prior to the assignment of the priority registration date and earned within the past year at the other institution.

Adding/Dropping a Class

Adding or dropping a course can be completed through Online Services, or at one of our Rock Valley College locations. Registration dates are listed online at: RockValleyCollege.edu/ImportantDates.

Withdrawal From a Class

Rock Valley College reserves the right to administratively withdraw those students who are not actively attending and/or participating in the course as determined by the instructor. Please review individual course syllabi for instructor's individual processes. Students may also be withdrawn for emergency or disciplinary reasons or if they are enrolled in courses not consistent with placement testing and course prerequisites.

Students are responsible for officially withdrawing from course(s) they are no longer attending. These types of withdrawals do not remove any financial obligations incurred for the course(s). Students must withdraw from courses in person at the Records and Registration Office. Students are encouraged to consult with their instructor, academic advisor, and the Financial Aid Office if they are receiving aid before withdrawing from a course. Withdrawal after the last day for tuition refunds date will result in a “W” grade on a student's transcript. Deadlines for shorter-term courses may be found in the Records and Registration Office or on the individual course syllabus.

Grades of “W” (withdrawal) are not used in calculating GPA or semester hours attempted, but will count toward financial aid eligibility. No withdrawals are accepted after the deadline except in case of extenuating circumstances.

Students with extenuating circumstances (military activation, death of an immediate family member, or serious medical condition) may submit an Enrollment Appeal to the Records and Registration Office. Enrollment Appeal forms are available in the Records and Registration Office. All appeal forms must be accompanied by supporting documentation or the appeal will be denied. Submitting an appeal does not guarantee and approval.
Payment in full is due in the Accounts Receivable Office by the payment due date (see important dates at: RockValleyCollege.edu/ImportantDates). Failure to make payment in full or sign up for the Nelnet payment plan by the deadline will result in the cancellation of classes. Failure to receive a bill does NOT affect the payment due date.

Payment can be made in any of the following ways –

Walk-In: You may visit the Accounts Receivable Office (or Payment Center), located on the second floor of the Student Center to pay in full. The Payment Center accepts cash, checks, money orders, VISA, Mastercard, American Express, and Discover. **NOTE:** there is an additional service fee charged for debit or credit cards.

Online: Go to: RockValleyCollege.edu/Online Services and click on RVC Online Services. Log on to your Online Services account with your student ID number and password. Under Financial Information, select “Make a Full Payment.” Payment can be made as an automated payment (ACH) from a checking account or with a credit card. An additional service fee is charged for debit or credit cards.

NELNET PAYMENT PLAN: A monthly payment plan option is offered through Nelnet Campus Commerce; brochures are available in the Payment Center. It’s simple – just complete a short form online and you can pay your tuition and fees with monthly payments. The earlier you sign up, the more options available.

The monthly payment program is not a loan, so you don’t pay any interest. You don’t need to fill out complicated loan forms. The cost of the program is $25 per semester. The Nelnet monthly payment plan uses a convenient electronic payment system that automatically deducts from your account. Enrolling in the Nelnet program is secure and easy. Go to: RockValleyCollege.edu/Online Services and click on RVC Online Services. Log on to your Online Services account with your student ID number and password. Under Financial Information, select “Payment Plan”.

When using the Nelnet Payment Plan make sure you read all the information provided. Before you click the submit button, please carefully read through the Final Review and Terms and Conditions. An immediate e-mail will be sent (if an e-mail address was provided for the person responsible for payment) confirming enrollment through NBS e-Cashier.

Tax Information
Prior year tuition and fees tax information (form 1098T) will be available through your Online Services account by January 31.

Past Due Payments
Past due balances will be sent to The CMI Group and the Illinois Debt Recovery Program.

Financial Aid Options
The Financial Aid Office can provide you with information about financing your education through grants, scholarships, loans, Veterans services and student employment. For more details, refer to the Financial Aid section in this RVC Student Handbook (pages 16-22).

Residency
Students enrolling at RVC are classified for the purpose of determining tuition and fee rates. Evidence of resident status is provided by each applicant via the application for admission. Questions regarding classification should be directed to the Registrar. See the Rock Valley College Catalog or visit: RockValleyCollege.edu/Residency.

Student Records
It is your responsibility to notify the Records and Registration Office of any change in name, address, phone number, and/or any other incorrect information on your record. It is imperative that this information be kept current and accurate.
**Transferring Credit to RVC**
If you are a student at Rock Valley College who has credit from another college and plans to earn a degree or certificate at RVC, send us your official transcript. Once your transcript is received, a transcript evaluation form will be mailed to you. The form offers the opportunity to have your transcript evaluated. Visit the Records and Registration website for detailed transfer information at: RockValleyCollege.edu/Registration.

**Transcripts**
For transcript request information, visit: RockValleyCollege.edu/Transcripts.

**TUITION & FEES**

By registering for a credit course, you agree to pay the required tuition and fees for that course. Tuition is charged per semester hour and varies depending upon residency. Tuition rates and fees are subject to change without prior notice. To view Rock Valley College tuition, fees, and payment information, visit our website at: RockValleyCollege.edu/Tuition.

**Tuition Refunds**

Rock Valley College has determined that students may receive a tuition refund upon dropping credit courses based on the following guidelines. In each case if the student drops courses by the specified date, all tuition and fees are refunded. There is no prorated schedule for tuition and fee refunds.

Refunds will be made according to the following schedule:

<table>
<thead>
<tr>
<th>Course Length</th>
<th>100% Refund</th>
<th>No Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>16-week course (fall – spring)</td>
<td>Before or during first 9 business days of the semester</td>
<td>After the 9th business day of the semester</td>
</tr>
<tr>
<td>4- to 15-week course</td>
<td>On or before 4th business day from start of class</td>
<td>After 4th business day</td>
</tr>
<tr>
<td>Less than 4-week course</td>
<td>On or before 3rd business day from start of class</td>
<td>After 3rd business day</td>
</tr>
</tbody>
</table>

Saturdays are considered scheduled course days and used in the calculation of business days.

The college reserves the right to make the final decision on all refunds.

- Refund dates are printed in the credit schedule. It is the student’s responsibility to know the refund dates for their courses.
- Non-attendance does not constitute a drop in a course nor qualify you for a refund.

---

**WAITLISTING**

Waitlisting requires the student to check their RVCmail account daily. For step-by-step instructions, contact us at (815) 921-4250 or visit the RVC website at: RockValleyCollege.edu/WaitList for information.

**WITHDRAWING FROM CLASS**

You are responsible for officially withdrawing from courses you are no longer attending. You are encouraged to consult with your instructor, an Academic Advisor, and the Financial Aid Office if you are receiving aid, before withdrawing from a course. A withdrawal form can only be completed in person or by accessing and emailing the Records and Registration Office at: RVC-Records@RockValleyCollege.edu.

- RVC Main Campus | Student Center – Room 2200 (2nd floor)
- RVC ACEC – Room 1013
- RVC ATC – Room 1139 (in Belvidere)
- RVC Downtown – Room 6200B

Withdrawal (W) after the “Last Day for Tuition Refunds” date will result in a “W” grade on your transcript. Grades of “W” are not used in calculating your GPA or semester hours attempted, but will count negatively toward financial aid eligibility. No withdrawals are accepted beyond the deadline.

Students with extenuating circumstances must submit an Enrollment Appeal to the Records and Registration Office. Enrollment Appeal forms are available at the Records and Registration Office. All appeal forms must be accompanied by supporting documentation or the appeal will be denied. Submitting an appeal does not guarantee approval.

- Failure to drop a course properly may result in a failing grade.
- No refunds will be granted when a student is dismissed or suspended from the college for disciplinary reasons.

**Appeals** – No tuition refund will be granted following the refund date. If extenuating circumstances exist (i.e., military activation, death of immediate family member, or a serious medical condition) a student may submit a Tuition Appeal Form with supporting documentation to the Records and Registration Office. An appeal does not automatically result in a refund. Appeals must be made prior to the end of the term in which the late drop occurred.

**Transferring Credit to RVC**
If you are a student at Rock Valley College who has credit from another college and plans to earn a degree or certificate at RVC, send us your official transcript. Once your transcript is received, a transcript evaluation form will be mailed to you. The form offers the opportunity to have your transcript evaluated. Visit the Records and Registration website for detailed transfer information at: RockValleyCollege.edu/Registration.
Graduation Requirements

The general procedures for graduation are outlined below. Course requirements and other regulations are explained for each degree and major in the “program section” of the College Catalog.

1. Advising: As you work toward your Associate Degree, meet early and often with an Academic Advisor to plan your program of study and to ensure you meet all requirements to graduate. Call (815) 921-4100 to schedule an appointment.

2. Curriculum: Know and observe the requirements of your curriculum and the rules governing your academic work. Advisors can help you make wise decisions but the ultimate responsibility for meeting the requirements to graduate rests with you.
   - In the case of curriculum changes and the cancellation or withdrawal of courses, every effort will be made to substitute current course work to fulfill certificate or degree requirements.
   - Course substitutions must be approved in writing by the appropriate academic chairperson or dean. The student has the ultimate responsibility to fulfill the requirements for the certificate or degree, to check their eligibility to take courses, and to observe the academic rules governing the program.
   - The rules given apply only to requirements for certificates and degrees. All students are subject to the academic regulations stated in the most recent College Catalog.

3. Transfers: If you complete any courses (including final ones) from another college, you must submit official transcripts as soon as possible and notify Rock Valley College's Records and Registration Office to request an evaluation.

4. Receive a minimum Grade Point Average (GPA) of 2.0 for all college-level coursework.

5. A minimum of 15 credit hours must be completed at Rock Valley College if applying for a degree.

6. Meet with an Academic Advisor to apply for graduation and complete the graduation survey. This must be done during the semester in which the student plans to complete program requirements by the following deadlines:

- Spring completion: apply by March 1
- Summer completion: apply by June 1
- Fall completion: apply by October 1

Graduation Academic Honors

Graduates with a cumulative GPA of 3.25 to 3.74 will graduate with honors. Those with a cumulative GPA of 3.75 to 3.99 will graduate with high honors. Those with a cumulative GPA of 4.00 will graduate with highest honors.

Second Degree Requirements

A student who has received or qualified for one Associate Degree from Rock Valley College may receive a second degree upon satisfactory completion of all graduation requirements for the second degree, including 15 semester hours of residency. All specific course requirements for the second degree must be satisfied and at least 15 semester hours of credit, not applied to meet minimum requirements for the first degree, must be applicable toward the second degree.

A student who has received a degree from any other college accredited by a regional accrediting agency, such as the Higher Learning Commission (HLC), may receive a second degree from Rock Valley College upon satisfactory completion of all graduation requirements for the second degree, including a minimum of 15 semester hours of residency at Rock Valley College.

Commencement Ceremony – Friday, May 19, 2023

Commencement exercises are held once each year at the end of the spring semester. All students who will complete degree requirements at the end of the spring semester or summer immediately following, as well as those who completed their requirements the previous summer or fall semesters, are encouraged to participate. If you choose to participate in the Friday, May 19, 2022 ceremony, you must indicate your decision to participate on your graduation application.

A cap and gown reservation form will be sent ONLY to students who indicated their interest on the graduation application. The cap/gown reservation form must be returned to the Records and Registration Office by the deadline indicated on the form.

See more about Graduation/Commencement in the Academics section on page 56.

STUDENT ENGAGEMENT
Top 5 Reasons to Get Engaged in Student Life at RVC

#5. Discover Passions and Strengths: Student organizations cater to your interests and can help you to further develop a hobby or a skill. Student Life offers the opportunity to create any new organization with a group of like-minded individuals to enhance your academic experience.

#4. Make Connections: Many activities in Student Life are designed to give you an opportunity to make new friends and to enjoy the college experience. Having someone to study with or to hang out with between classes allows you to become more connected on campus.

#3. Build Your Resume: Student Life offers a co-curricular transcript that lists organizations and any executive board offices held while at RVC. It is a great addition to any resume. Studies show that participation in activities allows students to develop leadership skills as well as interpersonal skills that employers find attractive.

#2. Adjust to College: There are many resources on campus of which students may not be aware of. Becoming involved ensures that students are connected to campus and can benefit from all that RVC has to offer.

… and the #1 reason to get involved is:

#1. Increase GPA: Participating in Student Organizations and Clubs increases GPA! Students who are consistently involved devote more time to academics and can increase study skills such as time management.*

Student organizations can also reserve this space for special events.

• The Student Club Resource Room (SC-1126) is a space for all Student Organizations and Clubs to hold meetings and where their mailboxes are located, as well as a locked storage drawer and supplies.

Open Hours: Mon., Wed., Fri. 9 a.m. – 1 p.m.

The mission of the Eagles Nest Food Pantry is to combat food insecurity by distributing food to RVC students. This program collects and stores foods to distribute free-of-charge to ALL RVC students. This includes those enrolled in GED and ESL classes or international.

The Pantry provides free supplemental food, clothing, and toiletry closet for students and their families to meet basic, personal needs. At each distribution, students have a choice of canned fruits and vegetables; bread, rice, pasta, and cereal; canned beans, soups, and other protein sources; and toiletries.

Students, in need, are asked to check in on the second floor at TRIO and must provide RVC Student Identification number. They can also enroll online. Each student gets to choose which products in each category are most useful to them. Students are encouraged to bring their own bag, box, or other container for their food.

The student human services club, RVC Students of Service (SOS), is a peer-to-peer crisis intervention club organized to:

1. Effectively assist the needs of RVC students by providing resources, such as time, and more specific services.
2. Be a known center for guidance and resources for students and teachers in crisis.
3. Provide an outlet for members to gain the knowledge, skills, and competency required to have a positive impact on peers and in their communities.
4. Benefit from a collective environment of creativity and pro-activity centered on servant leadership.

Goals include assisting TRIO by:

1. Maintaining a food pantry and toiletry items.
2. Offer bus passes and transportation assistance for students with accessibility challenges to campus.
Rock Valley College is proud to feature a wonderful theatre venue for student and community theatrical productions: The Bengt Sjostrom Theatre (BST) – home of Starlight Theatre, a completely original one-of-a-kind outdoor theatre with our world-renowned roof that opens to the stars!

**Starlight Theatre**
Starlight Theatre has been a part of the campus of Rock Valley College for 54 years, however in 2003 Jeanne Gang, the renown international architect, unveiled her design of the new Starlight with a 1,000-seat venue situated under a very unique opening roof. Starlight is a community theatre providing the region with a venue with lasting and resounding impact to all who walk under our roof!

**Summer Musical Productions**
Starlight provides four major musical productions each summer. We rely on local talent to fulfill the role of actors, stage production, sound, set construction, lighting, and costume building. We only exist through our volunteer participation! If you are interested in volunteering, please see the list and contact info on page 43.

**StarLittle Series**
Attention Starlight families! Our StarLittle series is about creating onstage musical adventures for you to enjoy with your kids and grandkids to introduce them to the theatre world that you know and love! We choose a great kid-friendly show for you and your family to enjoy together. Enjoy this as a single show to bring your family to or as an addition to your Starlight season. Either way, you will have done it right, as this show is going to be a spectacular adventure for kids from ages 3 to 103!

**Starlight Shakes**
Every year, ardent supporters and producers of the Bard’s work gather at the Ray Castle stage, which is nestled into secluded areas of the RVC campus, to perform and celebrate the beauty of the outdoors and William Shakespeare’s plays! So bring your chairs, blankets, food, and frivolity to what will surely be one of the most magical nights of your year! Oh, and this is a “pay what you think it’s worth” event, so no advanced ticket sales are necessary!

**The Traditions Series**
Our Traditions Series focuses specifically on families, by birth or otherwise. It is our mission to create experiences tailored for families to enjoy every year. To enjoy each other’s company in this crazy, fast-paced world if only for a couple hours, but make memories that will last their lifetimes. In short, we’re hoping to create traditions.
Audition Information
Please visit our website: RVCstarlight.com or RockValleyCollege.edu/Starlight, to add your name to the email list. Once on the list, you will receive email information regarding all upcoming auditions. Call the Box Office with any questions about auditions.

Costume Rentals
The costume shop housed in the barn (Building F) on campus creates the costumes for all shows. We also receive donations of clothing and props to be used in our productions. The costume shop runs on volunteers! If you are interested in volunteering in the costume shop, contact Vicki Benson at (815) 921-2167 or V.Benson@RockValleyCollege.edu.

Student Workers
If you are a student at Rock Valley College and are interested in the theatre, there are student worker opportunities in our stage, costume, and Box Office areas. Please see the Financial Aid Office to get all requirements.

Theatre Courses
There are many opportunities to take theatre classes; intro to theatre, acting, and practicums along with others. Please check your course section under the Theatre Department. Your classes will be instructed by professionals in the field. Many of our student workers and theatre students have gone on to study this field at 4-year universities and colleges well-prepared and also well-networked with professionals at these institutions.

Volunteer Opportunities
Our success at Starlight Theatre depends heavily on the time our volunteers are willing to commit to the support of our program and are needed in order for us to function!
CONCESSIONAIRES are responsible for preparing the concession stands and food items before the show, selling the food before the show and during intermission, and cleaning the stands after intermission. Concessionaires arrive one or two hours before the show, and are free to leave about 20 minutes after intermission.
COSTUME SHOP (as needed) Volunteers assist our Costume Designer and Student Workers to alter and adorn costumes — and sometimes even create them from scratch! Knowledge of sewing and clothing repair required. Costume Shop Volunteer schedules are very flexible.
HOUSE MANAGERS are responsible for directing the crew of ushers (during Starlight season, they recruit the crew of 12 ushers for the show). They count the ticket stubs and report the count for each performance. They oversee and participate in the post-show cleanup. They report any problems to our staff. House Managers arrive an hour before the show, and are usually free to go about 20 minutes after the show ends.
RUNNING CREW (as needed) are the people in dark outfits that you may see rearranging the sets between scenes, and who you don’t see doing all sorts of other things behind the curtain. They work under the direction of the Stage Manager and are often the busiest volunteers on, below, above, or behind the stage. They usually work a few rehearsals before the show opens and during the entire run of the show. Unlike our other volunteers, the Running Crew reports to the Stage Manager.
SET CONSTRUCTION are people, typically carpenters and painters (or people who have an interest in carpentry or painting), who would like to be a part of the crew that makes the set happen. These people use power tools, take and build from designs, and do finish work on the sets. There are a wide variety of skills and interests needed, and it is one of the most rewarding volunteer opportunities available.
USHERS are responsible for taking tickets from the patrons, distributing programs, helping patrons find their seats, and helping pick up after the performance. Ushers arrive about an hour before the show, and are free to go about 20 minutes after the show.

To sign up to volunteer, please call the Box Office at (815) 921-2160 or email – RVCstarlightTheatre@gmail.com or visit our Facebook page “Rock Valley College Starlight Theatre” and follow the volunteer link to sign up!

**Writing Center**

The RVC Writing Center provides one-on-one assistance to students needing help in any phase of the writing process, whether it is for a paper, speech, or any assignment that involves writing. All of our Writing Center coaches have a masters degree in English and are experienced in working with college students.

Meeting face-to-face with a Writing Center coach is usually the preferred way for students to gain assistance with their writing. When that is not possible due to scheduling conflicts, etc., Upswing Online Tutoring is a wonderful resource. Not only does Upswing Online Tutoring provide synchronous help in writing; it also has a feature called AskUp that makes it possible to upload papers and any other assignment to be reviewed later by highly qualified tutors. Best of all, it is free to RVC students enrolled in credit classes.

Honesty statement: The faculty and administration expect that RVC students are serious and honorable scholars. Furthermore, students are expected to do their own, original work, except when collaboration on projects is directed by faculty as part of the course or specific assignment. Students are expected to observe the commonly accepted standards of academic honesty at all times.

Students who commit any of the forms of academic misconduct as outlined below are subject to the penalties and sanctions agreed upon by the faculty and administration of Rock Valley College. In addition to the penalty assigned by a faculty member, a report of the alleged violation and assigned penalty will be made to the Dean of Students Office. Students who have been reported multiple times for committing acts of academic misconduct (by a single Instructor or multiple instructors) will be required to speak with the appropriate Associate Vice President in Academic Affairs to discuss needed measures to better understand Academic Honesty and appropriate resources to use prior to pursuing the appeal process.

### Acts of Academic Misconduct

1. **Plagiarism**
   Plagiarism is the representation of someone else's intellectual property (words, ideas or data) as one's own. When a student submits work for credit that includes the work of others, the source of that information must be properly acknowledged through complete, accurate and specific references. If verbatim statements are included, quotation marks must be used and the source must be cited.

2. **Cheating by Copying**
   Students may not copy or purchase any part of another student’s or entity's assignment, computer program, or examination. No unauthorized communication is allowed between students during an examination. No student is permitted to keep books, papers, calculators, computers, cell phones or the like, or notes during an examination, unless permitted by the instructor or proctor.

3. **Dishonest Collaboration**
   Collaboration in the completion of assignments is prohibited unless explicitly permitted by the instructor. Students must acknowledge any collaboration and its extent in all submitted course work.

4. **Fabrication**
   Fabrication is the intentional use of invented information or the falsification of research or other finds with the intent to deceive.

5. **Other acts of academic dishonesty** include, but are not limited to:
   - Giving or receiving information during an exam; aiding cheating or other acts of academic dishonesty by providing material or information to another student with the knowledge that this material or information will be used improperly.

### Procedures for Addressing Academic Misconduct

1. **Action Taken by Instructors**
   a. A faculty member has the original jurisdiction over instances of academic misconduct that occur in their course; the faculty member’s jurisdiction is subject (in some cases) to departmental policy.
   b. When academic misconduct by a student is identified by an instructor, an appropriate academic penalty will be assessed by the faculty. The Dean of Students and the Academic Dean should be informed of both the nature of the offense and the action taken.
   c. The instructor may impose one or more of the sanctions:
      - An oral reprimand
      - A written reprimand
      - An assignment to repeat the work, to be graded on its merits
      - A lower or failing grading for the exam, paper, or project
      - A lower grade for the course
      - A failing grade for the course

   The instructor will report the violation and action taken to the Dean of Students Office for the purpose of centralized reporting and review.
The online referral form is available at: RockValleyCollege.edu/ReferralForm.

d. Accordingly, an instructor or designated proctor who has witnessed an act of academic misconduct or who has other evidence that academic dishonesty has occurred, will advise the student involved that there is reason to believe that the student has committed a violation of academic integrity and a report has been made to the Dean of Students Office. A letter will be sent from the Dean of Students Office to the student’s RVC email address acknowledging this report. If this incident has occurred previously with the same student, the student will first be referred to the appropriate Academic Vice President for a consultation regarding multiple incidents of academic misconduct.

e. The request to appeal should be made within 10 business days of the notification letter from the Dean of Students Office or the student forfeits the right to appeal.

2. Academic Appeal and Review Process

a. Student Appeal Process

If the student does not agree to the action taken by the faculty member, the student should contact the faculty's Dean. After meeting with the Dean, if the student chooses to request a formal appeal by an Academic Conduct Hearing Panel, the student will follow these steps:

i. Student submits, in writing, a request to appeal the faculty member’s allegation. Student should include any supporting documentation. Student submits request to the Dean of Students.

ii. Student will be provided a written notice of the allegation(s) from the Dean of Students. The notice will also include the date, time, and place of the Academic Conduct Hearing Panel.

iii. The Academic Conduct Hearing Panel will consist of the Dean of Students (facilitator, non-voting member), the appropriate Academic Dean, two (2) faculty members from the same academic discipline as the faculty member bringing the charge. If two additional faculty members do not exist within that department, the Dean of Students will consult with the Academic Dean to select other faculty members within the Division that teach a similar or related subject, one (1) faculty member from outside that department, and one (1) Student Development administrator; all five (5) will be chosen by the appropriate Associate Academic Vice President in consultation with the Dean of Students.

iv. If the student does not attend the Academic Conduct Hearing Panel as scheduled or notify the Dean of Students Office of their inability to attend the panel within 48 hours of the date selected, the student forfeits their right to appeal and the assigned sanction stands as is.

b. Faculty Review Process

If a faculty member feels a penalty greater than an “F” in the course is warranted:

i. Faculty member consults with Academic Dean.

ii. If Faculty member chooses to request a formal review, they will contact the Dean of Students to initiate the Academic Conduct Hearing Panel process.

3. Academic Conduct Hearing Procedures

a. Any documentation should be submitted to the Dean of Students Office within 48 hours of the scheduled Academic Conduct Hearing Panel for consideration. The student will meet individually with the Panel first. After the student has met with the Panel, the faculty member making the allegation will meet individually with the Panel.

b. Legal counsel shall not be permitted; however, a non-attorney representative from within the college shall be permitted for both faculty and student for support and may speak, only when addressed by the facilitator.

c. The Panel shall have the right to examine all documents presented, and question all participants.

d. The Panel will reach its decision, in closed session, within three to five (3–5) business days. Both the student and faculty member will be informed, in writing, by the Dean of Students of the results of the Panel’s decision. Decisions of the Academic Conduct Hearing Panel are final.
4. Penalties
   a. If, as a result of the hearing, the student is found responsible for the violation, one or more of the following penalties* may be assigned by the Academic Conduct Hearing Panel:
      • Faculty member’s original penalty remains in place.
      • The Academic Conduct Hearing Panel may impose the following sanctions:
         1. Withdrawal from course;
         2. Dismissal from program, or withdrawal from the course;
         3. Suspension from the college.
   b. If the student is found not responsible, the Panel will consult with the faculty member regarding the removal of the penalty.

*The prior disciplinary record of a student may be considered in establishing an appropriate sanction but not in establishing a student’s responsibility.

Please contact the Dean of Students Office for questions regarding the Academic Misconduct Procedure.

Academic Procedure Revisions: June 2010; August 2012; June 2013

Transcript Requests

NOTE: Transcripts listing courses numbered 100 and above will be sent for each request. If you took courses numbered below 100 (remedial), Community and Continuing Education courses or Adult Education courses, you will need to specifically request inclusion of these records.

Transcripts of work completed at other institutions become a part of a student’s record at Rock Valley College and are not released or copied for distribution. Copies must be obtained from the institution where the courses were completed.

All financial and academic obligations to Rock Valley College must be satisfied before transcripts will be released.

Visit our website for detailed information and to order your transcript at: RockValleyCollege.edu/Transcripts or contact the Records and Registration Office at (815) 921-4250 with questions.

Financial Obligation Of The Student
Grade reports, transcripts, degrees/certificates, or other academic record information may be withheld from students who are in default on financial obligations. Updating Student Records
It is the responsibility of students to notify the Records and Registration Office of any change or correction to their name, address, telephone number, and/or any other information on their record. It is imperative that this information be kept current and accurate.

Repetition Of Courses
The highest grade of the repeated course will be computed in the student’s Grade Point Average (GPA), but all attempts will be listed on the transcript. If a student chooses to audit a course, it will not be considered a repeat or counted in the GPA. This does not apply to grades earned at other colleges. It is important to note that other colleges may count all grades for repeated courses when arriving at a GPA. It is the students’ responsibility to acquaint themselves with the policy of the college(s) to which they plan to transfer.

Placement into Developmental Coursework
Rock Valley College offers developmental coursework in Reading, Math and English. Placement into developmental courses is determined by multiple measures as indicated in the Illinois Developmental Education Reform Act (110 ILCS 175/100-15 Section 100.15. Placement Measures).

Placement may be determined from one of the following measures: 1. Placement Testing, 2. Cumulative High School GPA, 3. Successful High School Transition Course in Mathematics or English, 3. Standardized Testing 4. Successful Placement Course Completion at another Post-Secondary Institution

Students who meet the eligibility requirements and earn at least a 4.0 GPA will be named to the President’s List (fall and spring semesters only).

APPEAL OF A CAPRICIOUS FINAL GRADE

The following procedures are available only for review of alleged capricious grading, and not for review of the judgment of an instructor in assessing the quality of a student’s work. Capricious grading is limited to one or more of the following:

a. The assignment of a final course grade to a particular student on some basis other than performance in the course.

b. The assignment of a final course grade to a particular student by a substantial departure from the instructor’s standards announced during the term which are not uniformly applied to others in the class.

The assessment of the quality of the student’s academic performance is solely and properly the professional responsibility of the RVC faculty. It is essential for the standards of the academic programs at RVC and the integrity of the degrees conferred that these professional judgments are not subject to pressures or interference from any source.

If a grade concern does not meet one of the two criteria listed, a student may submit a general complaint for review to the Dean of Students Office.

Process For Capricious Final Grade Appeal

A student who wishes to appeal a final course grade which he/she feels has been capriciously given should follow the steps below. Grades may be appealed no later than the beginning of the fourth week of the academic term or summer session which directly follows the term in which the grade involved was awarded.

1. A student who wishes to appeal a capricious final grade must first meet with the faculty member to review the criteria applied in assigning that grade.

2. After this initial review, if the problem is not resolved, the student may next appeal in writing to the supervising Dean. Once the appeal is read, the Dean will meet with the faculty member to review the criteria applied to the student’s performance in assigning the capricious grade. When the faculty member and the Dean have reached a decision, the Dean will communicate that decision in writing to the student.
3. If the problem is still not resolved, the student may appeal in writing to the Vice President of Academic Affairs for further review. When the faculty member and the vice president have reached a decision, they will communicate the decision in writing to the student.

4. In the event the matter is not resolved, the student may file a petition with the Chief Academic Officer (CAO) requesting a hearing by the Grade Review Committee. All decisions of this committee are final. See **College Catalog**, page 27.

The Grade Review Committee (GRC) Process is as follows:

a. A student must submit in writing their request for a hearing to the Chief Academic Officer (CAO).

b. The CAO, or their designee, will convene the GRC within 30 business days from the request.

5. The committee will consist of a Dean (from outside the academic department) and two (2) faculty members (one from the same academic discipline and the other from outside the academic discipline). All three (3) voting members of the GRC will be selected by the Chief Academic Officer (CAO), or their designee. The Vice President of Student Services will facilitate the committee as a non-voting member.

a. The Student will meet with the committee individually to present their appeal and any pertinent documentation.

b. The faculty member, who assigned the final grade, will then independently meet with the committee and present the criteria they applied in assigning the final grade.

c. The committee will reach a decision in closed session immediately following the hearing. The Vice President of Student Services will inform the student in writing regarding the decision of the committee, within five (5) business days. The decision of the Grade Review Committee is final.

**Grading**

Grade points at Rock Valley College are assigned on the following scale:

<table>
<thead>
<tr>
<th>GRADE LEVEL SIGNIFICANCE</th>
<th>GRADE-POINT</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>

* Audit – Students may elect to audit a course (no credit, no grade points, not figured in grade point average). Audit status indicates that the student will attend the classes but will not receive credit. (A student must declare audit status before the first day of classes.)

** Incomplete – Upon prior arrangement and agreement with the course instructor and upon submission of the college’s “incomplete grade agreement form” submitted by the instructor, an incomplete (I) indicator will be recorded on the student’s record.

An “I” will be issued at the discretion of the instructor when course requirements are not fulfilled by the end of the term only when the instructor believes that the reason the student cannot complete the course in a timely fashion is sufficiently serious to warrant the issuance of the “I” indicator.

The incomplete grade agreement is a contract made between the student and the instructor, and states specifically what the student must do to complete the course work. The course work must be completed within the specified time period, not to exceed 12 months from the end of the term in which the course was taken. Upon completion of the course work, the instructor will change the “I” indicator to the appropriate letter grade (A, B, C, D, or F).

If the student does not complete the course work within this prescribed time period, a grade of “F” will be entered for the course.
Calculation of Grade Point Averages

A Grade Point Average (GPA) will be calculated at the conclusion of each semester. The GPA includes all A-B-C-D-F grades complete to date, except those courses in which the pass/fail system is used exclusively, or those courses in which the pass/fail option is selected, or courses numbered less than 100. If a course is repeated, only the grade of the final repetition will be computed in a student’s GPA.

The GPA will be calculated based on a four-point basis (F=0, D=1, C=2, B=3, and A=4)

where the number of grade points for a specific letter grade is multiplied by the number of credit hours earned for that course. For instance, the number of credit hours in which the student earned an A is multiplied by four (4) then added to the number of credit hours in which the student earned a B multiplied by three (3), etc. Finally, the total grade points are divided by the total credit hours for which a student received an A, B, C, D, or F.

Academic Forgiveness Criteria

Academic forgiveness is the one-time elimination of up to a maximum of 15 semester hours of “D” or “F” grades in courses numbered 100 or above received at Rock Valley College.

Academic forgiveness applies to the calculation of a grade point average (GPA) at RVC and does not result in the deletion of those grades from the transcript. RVC does not guarantee that a receiving transfer institution will honor RVC’s Academic Forgiveness Policy.

To be eligible for academic forgiveness:

1. Students may petition for academic forgiveness for a maximum of 15 semester hours of “D” or “F” grades which have been earned in any 365-day period.
2. A period of 12 months must have elapsed between the date of the request for forgiveness and the end of the last semester in which the undesirable grades were earned.
3. Petitions shall include:
   a. A list of those courses to be considered for academic forgiveness.
   b. A statement which contains pertinent information regarding the receipt of the undesirable grades and an indication of serious intent to continue academic studies.
4. To be considered for academic forgiveness, a student must have completed a minimum of 12 credits of subsequent course work at a 2.0 GPA at RVC or another regionally accredited institution.
5. Academic forgiveness does not apply to courses which have been repeated and completed with grades of A, B, C, D, or F.
6. Special circumstances will be reviewed by the Chief Academic Officer (CAO).
7. Students will meet with an Academic Advisor to review courses that may be eligible for academic forgiveness.

The petition form may be obtained from the Records and Registration Office. The petition should be completed and submitted to the Records and Registration Office. The final decision for academic forgiveness will be determined by the CAO.
Commencement Ceremony
The Commencement Ceremony is held once a year at the end of the spring semester. All students who complete graduation requirements for the following degrees; A.A., A.S., A.E.S., A.A.S., and A.G.S. are eligible for participation in the Spring Commencement Ceremony. Students who expect to complete their degree at the end of the spring semester or summer immediately following, as well as those who completed their requirements the previous summer or fall semesters, are encouraged to participate. All specific course requirements for the second degree must be satisfied and at least 15 semester hours of credit, not applied to meet minimum requirements for the first degree, must be applicable toward the second degree.

A student who has received a degree from any other college accredited by a regional accrediting agency, such as the Higher Learning Commission (HLC), may receive a second degree from Rock Valley College upon satisfactory completion of all graduation requirements for the second degree, including a minimum of 15 semester hours of residency at Rock Valley College.

The college reserves the right to waive the 60-day rule based on the facts and circumstances of the complaint and after giving due consideration to the protection of the rights of both parties.

Preliminary Complaint Form
Use this link to initiate and notify RVC of your Informal or Formal concern or complaint: RockValleyCollege.edu/Complaint.

Informal Procedures
All students are encouraged to first utilize informal discussion to resolve any problems encountered at the college. Each student, faculty member, administrative and staff member has an obligation to resolve problems fairly and informally through discussion between the aggrieved student(s) and the specific college person immediately involved with the problem. Although students are strongly encouraged to use informal discussion for problem solution, it is not a requirement for the filing of a formal complaint.

Formal Procedures
Students should always first attempt to resolve issues through an informal process. If a student is unable to resolve the issue informally, they may file a formal written complaint. The formal written complaint process begins with the Dean of Students Office. All questions or concerns regarding both the formal and informal process should be directed to the Dean of Students Office.

1. Student must submit a written summary of their complaint to the Dean of Students. A consultation with the Dean of Students to review their written complaint before proceeding with the process may be scheduled. The written complaint must be signed and dated by the student and must clearly state the nature and basis for the complaint, including names of person(s) for which the complaint is being made against, any known witnesses and desired outcome. The written complaint must also include specifics of the incident(s). Consent to move forward with the complaint is implied when received electronically unless otherwise indicated.
   a. Where a previously established grievance procedure already exists, the Dean of Students, or designee will refer the complainant to and or resolve the complaint through the appropriate process.
   b. In cases of alleged illegal discrimination based on any protected class, the Title IX Coordinator or Deputy Title IX Coordinator will address the concern under Title IX or other appropriate policy and inform the Vice President of Student Affairs.
   c. In all other cases, the written complaint will be referred to the immediate supervisor of the specific college employee involved.

2. After the student consults with the Dean of Students to review the written complaint, and review the formal complaint process, the student will acknowledge they understand the process and agree to follow the college procedures before the complaint moves to the next step. Upon acknowledgement by the student, the Dean of Students will forward the students complaint to the appropriate Academic Dean or Department Supervisor for investigation.

3. The immediate Academic Dean or Department Supervisor will conduct an investigation and respond, in writing, to the student, within 30 business days of receipt of the complaint. An extension for additional review and response time may be granted by the Dean of Students if requested by the Academic Dean or Department Supervisor. The responding Academic Dean or Department Supervisor will provide a copy of the complaint response to the Dean of Students Office and the Academic Dean or Department Supervisor will log the resolution in the centralized tracking database (Maxient).
4. If the student feels that the decision of the Academic Dean or Supervisor is arbitrary or capricious, or if the student has new evidence to present, they may appeal the decision in writing within 10 business days of receiving the complaint response, to the next level of supervision or an individual designated by the Dean of Students.
   a. The written appeal must be submitted to the Dean of Students within 10 business days.
   b. The Dean of Students will forward the written appeal to the appropriate individuals and will communicate the results to the student, in writing, within 30 business days from the submission of the student’s written appeal.
5. The Dean of Students may designate different persons to review complaints or may consolidate complaints. When consolidation is important for the efficiency of fair resolution, the Dean of Students will notify all parties involved. If the Dean of Students deems a complaint to be frivolous, harassing in nature, or it does not provide enough specifics, the Dean may ask the student to rewrite the complaint, or may be limited in forwarding the complaint to the next steps. If this determination is made, the Dean of Students will communicate this decision to the student.
6. The decision of the Dean of Students, or their designee, regarding the complaint appeal shall be final.

**External Complaints**

Students may file a complaint with the Illinois Community College Board (ICCB) AFTER attempting to resolve the issue with the institution, according to the formal procedures set in place by Rock Valley College. Steps for completing this process are found on the ICCB Website: [https://www.ICCB.org/students/filing-complaints-about-an-illinois-community-college/](https://www.ICCB.org/students/filing-complaints-about-an-illinois-community-college/).

**Equal Employment & Notice of Nondiscrimination**

It is the policy of Rock Valley College to provide equal opportunity in its admissions, employment and educational programs and activities consistent with federal and state law. Discrimination is prohibited on the basis of race, color, religion, national origin, ancestry, citizenship status, sex, age, physical or mental disability, marital status, order of protection status, sexual orientation, gender identity (including gender expression and gender questioning), veteran status, or unfavorable military discharge, use of lawful products while not at work, genetic information, or other legally protected categories.

This policy of equal employment opportunity applies to all policies and procedures. This policy governs admission, access, participation, and treatment in programs and activities, application for and treatment in all aspects of employment, including but not limited to: recruitment, hiring, transfers, promotions, demotions, reclassifications, compensation, benefits, tuition assistance, training, discipline, layoffs, termination, social and recreational programs, use of college facilities, or any other terms, conditions, and privileges of employment.

In addition, the college has established an affirmative action program designed to promote the full utilization of protected groups at all levels and in all segments of its workforce, and to ensure equal employment opportunities to persons with disabilities and to Vietnam-era or disabled veterans. RVC is committed to taking affirmative action to increase opportunities at all levels of employment and to increasing participation in programs and activities by all faculty, staff, and students.

Upon request, RVC will make reasonable accommodations for qualified individuals with known disabilities, unless doing so would create an undue hardship. Inquiries regarding compliance with state or federal nondiscrimination requirements may be directed to the Title IX Coordinator or appropriate staff person for the respective college procedure.
In June 2013, the Office of Civil Rights, within the Department of Education, issued guidance that it is illegal for schools to exclude a pregnant student from participating in any part of an educational program. This prohibition applies to classes, extracurricular programs, interscholastic sports, and student leadership opportunities. The purpose of this amendment is to encourage and support students who may not otherwise complete their education due to pregnancy and conditions related to pregnancy.

This Title IX regulation specifically prohibits discrimination against a student based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery from any of these conditions, this includes the parenting fathers. The Title IX regulation also prohibits a school from applying any rule related to a student’s parental, family, or marital status that treats the student differently based on their sex.

At Rock Valley College, a pregnant student may utilize the process established for any student with a temporary medical condition. A pregnant student must be given excused absences due to pregnancy or pregnancy-related issues for as long as deemed medically necessary by a doctor. The student seeking an excused or extended absence should first contact the Dean of Students Office using the Hospitalization Procedure and provide medical documentation. The Dean of Students Office will then communicate with the students faculty alerting them to their medical leave and requesting reasonable accommodations. The student will be strongly encouraged to also contact their faculty member or supervisor to inform them if an excused absence is needed. The student and faculty will identify a reasonable timeframe for any missed assignments and/or class accommodations. If a pregnant or parenting student feels they are being treated unfairly, the student should then seek out additional information from the Title IX Coordinator, second floor Student Center. A pregnant or parenting student will be expected to provide medical documentation from their doctor.

In addition, Rock Valley College provides a “Lactation Room” available for nursing mothers. It is located in the Student Center and is available on a first-come, first-serve basis. To learn more, contact the Dean of Students Office at (815) 921-4281.

**University Religious Observances Act**

**P.L. 097-1038 110 ILCS 110/1.5**

The University Religious Observances Act (110 ILCS 110/0.01 from Ch. 144, par. 2101) establishes specific requirements for compliance in reasonably accommodating all aspects of religious observance and practice of individual students in regard to admissions, class attendance, and the scheduling of examinations and work requirements. The college recognizes and respects the diversity of religious beliefs and practices of its students in accordance with the University Religious Observances Act. See Board Policy Manual 4:20.130.

As of January 1, 2013, any student in an institution of higher learning, other than a religious or denominational institution of higher learning, who is unable, because of his or her religious beliefs, to attend classes or to participate in any examination, study, or work requirement on a particular day shall be excused from any such requirement and shall be provided with an opportunity to make up the requirement missed due to such absence in a particular day; provided the student notifies the faculty member or instructor in advance of any anticipated absence or pending conflict and the make-up examination, study, or work does not create an unreasonable burden upon the institution.

No fees of any kind shall be charged by the institution for making available to the student such opportunity. Further, no adverse or prejudicial effects shall result to any student due the provisions and accommodations of the Act. If a student chooses to file a grievance they may do so by utilizing the college’s established procedures for the resolution of student complaints. The Dean of Students will work with the faculty member and appropriate academic administrator(s) to work toward a reasonable accommodation for religious observance.
SECTION 504/ ADA COMPLAINT RESOLUTION PROCESS

Rock Valley College is committed to providing prompt and effective resolution of incidents of discrimination and harassment under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, and encourages informal resolution of discrimination complaints as close to the source as possible. If a student believes that they are not receiving appropriate accommodations or that they are being treated in a discriminatory manner, they may follow the procedures listed below.

For concerns that are not related to a disability, the student should follow general RVC complaint procedures, as outlined in the RVC Student Handbook.

Informal Complaint Resolution Procedure

Step 1: Informal Process

Complaints specifically related to services for students with disabilities authorized by the Disability Support Services (DSS) office as required under the Americans with Disabilities Act (ADA) should be initially addressed to the Director of the DSS office:

Section 504 Coordinator – Students
Lynn Shattuck
Director of Disability Support Services | (815) 921-2356
Main Campus, Student Center, Ground Floor, 3301 N. Mulford Road, Rockford, IL 61114

Step 2: Formal Process

The ADA Compliance Officer (Dean of Students) is designated by the college as the entity responsible for ensuring prompt resolution of complaints. The ADA Compliance Officer will, at the request of the student, review the issues surrounding the complaint and seek to resolve the matter informally, whenever possible.

If the complaint remains unresolved after consultation with the Director of Disability Support Services, the student will be prompted to file a formal, written complaint with the Compliance Officer within fifteen (15) days of the alleged offense. Upon receipt of the written complaint, the Officer will conduct a formal review, and once the investigation is complete, will issue a written decision no later than 30 days after the initial filing. An extension for additional review may be granted by agreement of the Officer.

The written complaint to the officer must:
• Clearly state the nature and basis of the alleged offense;
• Be signed and dated;
• Provide the name(s) of the person(s) committing the alleged offense;
• Document specifics of the incident(s) in question; and
• Identify any known witness(es) who have knowledge of the alleged discrimination.

ADA Compliance Officer – Students
Terrica Huntley
Title IX Coordinator | (815) 921-4187
Main Campus, Student Center, Second Floor, 3301 N. Mulford Road, Rockford, IL 61114
RVC-DeanofStudents@RockValleyCollege.edu
Step 3: Appeal Process

If the complaint remains unresolved, the student may appeal the decision of the ADA Compliance Officer by resubmitting the written complaint (within 15 days of receiving the Compliance Officer’s decision), to the Vice President of Student Affairs for a final review. In cases of appeal, the student must present in writing, the reasons for this final appeal (i.e., instances where the Officer acted arbitrarily, capriciously, or in bad faith). The VP of Student Affairs will issue a final, written decision within 30 business days of this new filing. If additional time is necessary, the complainant will be notified in writing, prior to the 30-day expiration period.

If it was determined that law and/or college procedure was violated, a remedy to the problem will be offered. If it is determined that there was no violation, the complainant will be notified and other options for possible resolution of the complaint will be explained.

External Complaint Resolution

Although the college’s internal procedures are designed to ensure a timely and effective resolution of student complaints, students do have the right to utilize external channels for complaint resolution. The regional contact for the Office of Civil Rights is listed below:

Chicago, IL 60661-4544
Telephone: 312-730-1560
FAX: 312-730-1576; TDD: 800-877-8339
Email: OCR.Chicago@ed.gov

Confidentiality

Any information regarding the filing of a complaint, the investigation of a complaint, and/or the disposition of the complaint shall be handled in a confidential manner and will be disclosed only as needed. Unauthorized breaches of confidentiality may result in disciplinary action.

Retaliation

No college community member shall discriminate against any individual because that individual has opposed any act or practice made unlawful by the applicable laws, or because that individual submitted a complaint or charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under any applicable law or this policy.

For concerns that are not related to a disability, the student should follow general RVC complaint procedures, as outlined in the RVC Student Handbook (go to: RockValleyCollege/StudentHandbook).
The Preventing Sexual Assault in Higher Education Act is intended to help colleges and universities prevent and address sexual assault, and was signed into law by Illinois Governor Bruce Rauner on August 21, 2015. The new law, effective August 1, 2016, mandates that every Illinois higher education institution develop a clear, comprehensive campus sexual violence policy, including detailed incident reporting options and university response guidelines, and provide a confidential advisor to survivors medical and legal assistance, and rights for both complainant and respondent, among other requirements. Rock Valley College recognizes the severity of this concern on college campuses and provides a fair and impartial response for all parties involved in such incidents. We will uphold these additional requirements beyond the federal requirements.

Examples of some of the key areas we will offer in the best interest of and support for our students are:

**Immunity:** Anyone reporting a sexual misconduct act while under the influence of alcohol or other substance will be granted immunity within reason (e.g., individual was drinking and underage or violated the code of conduct while a witness to a sexual or domestic violence).

**Confidential Advisor:** If a student requests a confidential advisor, they can make that request known to the Title IX Coordinator or Deputy Title IX Coordinator and they will be referred to the campus confidential advisor, Rockford Sexual Assault Counseling. The comprehensive policy will have a full list of other protections and options for students.

---

**Prohibiting Sex-Based Misconduct**

Rock Valley College is committed to providing an educational environment that is free from all forms of harassment as defined and otherwise prohibited by state and federal law. It is the policy of Rock Valley College that sexual harassment or any other form of harassment of a student by another student, an employee or a third party is prohibited and will not be tolerated. Any student or employee who is found after appropriate investigation to have violated this policy will be subject to disciplinary action, up to and including expulsion or termination.

Students who believe they have been subjected to harassment in violation of this policy shall have the right to submit complaints to the college in accordance with the administrative procedures implementing this policy.

Consistent with Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. §§ 1681 et seq., and its implementing regulations, 34 C.F.R. Part 106, the college will provide training for administrators, teachers, staff, and students to help ensure that they understand what types of conduct constitute sexual harassment or violence, can identify warning signals that may need attention, and know how to properly respond.

---

**Sexual & Other Harassment Defined**

**Sexual Harassment**

Sexual harassment means unwelcome sexual advances, requests for sexual favors, or other verbal, nonverbal, or physical conduct of a sexual nature from another student, an employee or a third party when:

a. Such conduct denies or limits a student’s ability to participate in or to receive benefits, services, or opportunities in the college’s programs or activities;

b. Submission to or rejection of such conduct is used as a basis for educational decisions affecting such individual; or
Such conduct has the purpose or effect of unreasonably interfering with an individual's academic performance, or of creating an intimidating, hostile, or offensive educational environment.

This policy applies in all college environments (where the college has jurisdiction), whether on campus, off campus, at college-sponsored social functions, or otherwise.

**Examples of Sexual Harassment**

Sexual harassment, as defined above, can range from unwelcome sexual flirtation to sexual assault. The following is a list of examples of conduct that may violate this policy. It is not intended to be an exhaustive list:

1. Direct propositions of a sexual nature
2. Physical assaults or sexual violence
3. Unwelcome and offensive physical contact such as patting or pinching
4. Unwelcome sexual flirtation
5. Sexually explicit statements, jokes, or anecdotes
6. Remarks or speculation about sexual activity
7. Direct or implied threats that submission to sexual advances will be a condition of grading, promotion, or other educational actions
8. Sexual slurs, sexual innuendos, and other comments about a person's body
9. Telephone calls, emails, text messages, use of social media, and other electronic communications of an unwelcome sexual nature
10. Deliberate touching of another's sexual parts without consent
11. Deliberate sexual contact of another without consent
12. Deliberate constraint or incapacitation of another, without that person's knowledge or consent, so as to put another at substantially increased risk of sexual injury
13. Any sexual act that occurs without the consent of the victim, or that occurs when the victim is unable to give knowing consent due to drug or alcohol intoxication, mental incapacity, or under the age of 17
14. Obscene or indecent behavior, which includes, but is not limited to, exposure of one's sexual organs or the display of sexual behavior that would be reasonably offensive to others

This policy also prohibits gender-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

**Other Forms of Harassment**

Harassment on the basis of any other protected characteristic is also strictly prohibited and will be addressed in accordance with student conduct proceedings.

Harassment means unwelcome verbal, physical, or other conduct based upon student’s race, color, religion, gender, sexual orientation, national origin, age, disability, marital status, citizenship, or any other characteristic protected by law that:

a. Has the purpose or effect of creating an intimidating, hostile or offensive educational environment
b. Has the purpose or effect of unreasonably interfering with a student's academic performance
c. Otherwise adversely affects a student's educational opportunities

Harassing conduct includes, but is not limited to: epithets, slurs, or negative stereotyping; threatening, intimidating, or hostile acts; offensive jokes; and written material that shows hostility or aversion towards an individual or group based upon a legally protected characteristic.

**Consensual Relationships**

A sexual or romantic relationship between an employee and a student creates a conflict of interest when one of the individuals has direct evaluative authority over the other. Voluntary consent to a relationship of this nature is inherently suspect given the dynamics of the relationship. Therefore, it is a violation of this policy for an employee to have a sexual or romantic relationship with a student enrolled in a course being taught by the employee or whose work that employee supervises.
Relationships of this nature can affect other students, faculty, and staff because it places the employee in a position to favor or advance one student’s interest at the expense of the others. This relationship may also send an implicit message that obtaining benefits is contingent on a sexual or romantic relationship.

Sex-Based Misconduct Procedures

1. Initial Discussion
   The college encourages students who have experienced sex-based misconduct to talk with someone about what happened so that they can get the support they need and so that the college can respond appropriately. Different employees on campus have different reporting obligations with regard to alleged sex-based misconduct. Designated Responsible Employees are required to report all incidents of sex-based misconduct to the Title IX Coordinator and all members of the College community (including students) are encouraged to report such incidents to the Title IX Coordinator.

2. Filing a Formal Complaint
   Any student who feels that he or she has been the victim (or complainant) of sex-based misconduct of any type by another student, an employee, or a third party may submit a formal written complaint to the:
   
   **Title IX Coordinator**  |  (815) 921-1500  |  RockValleyCollege.edu/SexualAssault
   or email: RVC-DeanofStudents@RockValleyCollege.edu

   located in the:  Dean of Students Office, Main Campus, Student Center, 2nd Floor  
   3301 N. Mulford Road, Rockford, IL 61114  
   (815) 921-4281  |  RockValleyCollege.edu/DeanOfStudents

   Written complaints must be signed and, to the extent possible, should state in detail the time, place, pertinent facts, and circumstances of the alleged harassment along with any witnesses. Written complaints must also state the remedy or relief being sought.

   See page 70 for Reporting options.

3. Initiating a Complaint
   All complaints of sex-based misconduct are taken seriously and will be investigated promptly. The Title IX Coordinator, or their designee, will inform and seek consent from the complainant before beginning an investigation. If the complainant requests confidentiality (and/or insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, or respondent), the Title IX Coordinator, or their designee, will inform the complainant that the college’s ability to respond may be limited and that the college may be required to act regardless in the interest of the safety of the campus and community.

   The Title IX Coordinator or their designee will also inform the complainant that this policy prohibits retaliation, and the college will not only take steps to prevent retaliation, but also take strong responsive action if retaliation occurs. The Title IX Coordinator or their designee will inform the complainant that the college cannot ensure confidentiality.

   The purpose of the investigation is to determine whether the alleged violation of the college policy has occurred. In making this determination, the college uses the preponderance of evidence standard, i.e., whether it is more likely than not that the sex-based misconduct occurred.

4. Supportive Measures
   Once the Title IX coordinator or their designee receives the report and then communicates with the complainant, they will discuss supportive measures that the complainant may have access to, which includes but is not limited to the following examples:
   - Counseling and mental health support;
   - Extensions of deadlines or other course-related adjustments;
   - Leaves of absence;
   - Changes to academic, living, dining, transportation and/or working schedules or situations;
5. **Grievance Process**

Once the complainant has spoken with the Title IX coordinator, if they choose to file a formal complaint, the college will start the grievance process in accordance with the Federal Title IX Formal Grievance Procedures. A formal complaint is a document filed by the complainant or signed by the Title IX Coordinator, alleging a Sex-Based Misconduct Violation and requesting the college to investigate. At the time of filing, the complainant must be participating in, or attempting to participate in the college’s programs or activities as a student or employee. Within 10 business days of signing a formal complaint, The Title IX Coordinator will provide written notice to all parties involved to inform them of the following information:

- The Grievance Process
- The Allegations
- Acknowledgement that the respondent is not currently responsible, and a final determination is made at the conclusion of the process
- Awareness that parties may have an advisor of their choice (can be an attorney, but doesn’t have to be)
- Acknowledgement that parties may inspect and review directly related evidence that is part of the investigation
- Review of the College Code of Conduct provision(s) that prohibit submitting false statements/information

The college will provide written notice if they investigate allegations not included in the original written notice of allegations.

6. **Informal Resolution:**

After the initial notice of allegations, both parties may agree to participate in the Informal Resolution Process. The Complainant and Respondent must provide voluntary written consent participate and may withdraw from this process at any time before a finalized signed agreement is reached. If one party withdraws from the informal resolution process, the college resumes the grievance process as a formal complaint. Informal Resolutions are not permitted for cases involving Sex-Based Misconduct by a college employee toward a student.

7. **Consolidation/Dismissal of Formal Complaints:**

The Title IX Coordinator may consolidate related formal complaints that come from the same facts or circumstances.

The Title IX Coordinator may dismiss an investigation if Title IX regulations are not applicable. If this occurs, the college will inform parties of this action and will give directives regarding other college policies and procedures that may be used to resolve the concern. A Title IX case may also be dismissed if the complainant requests in writing that the case be withdrawn, the respondent is no longer enrolled in and/or employed by the college or if specific circumstances prevent the college from gathering evidence needed for a determination.

8. **Investigation of a Formal Complaint:**

The Title IX Coordinator will assign a trained investigator to investigate the complaint. They will gather evidence and witness information from each party. Both parties may be accompanied by an advisor of their choice, but the advisor’s role is limited to providing support, guidance, and conducting cross-examination during the live hearing. The advisor may not speak on behalf of the party during the meeting and must comply with the investigator’s rules and expectations. If these procedures are violated in any way, that advisor may be prohibited from further participation.

Each party will receive a notice in writing with the date, time, location, participants and purpose of the investigative meeting. Three (3) Business days’ notice will be given to the parties by the investigator.
At the end of the investigation, the investigator will send each party (and advisor, if relevant) the evidence collected in electronic format. The parties will have 10 days to submit a written response to the evidence for the investigator to consider before completing their report. After completing their report, the investigator will forward a copy to the Title IX coordinator. The Title IX Coordinator will schedule a hearing. At least 10 business days prior to the hearing, the Title IX Coordinator will provide both parties with written notice of the hearing date, time, location, participants (including the name of the appointed Hearing Officer) and purpose of the hearing. They will also send to each party (and the party’s advisor, if any) the investigative report [in electronic format or hard copy] for their review and written response.

9. Hearings

A hearing will be conducted by a Hearing Officer appointed by the college. Both parties will have the opportunity to request a substitution if the selected Hearing Officer poses a conflict of interest. A party wishing to request a substitution must contact the Title IX Coordinator within three (3) business days after the party's receipt of the notice of hearing to make such a request.

At the request of either party, the college will arrange for the live hearing to occur with the parties located in separate rooms, with technology enabling the Hearing Officer and parties to simultaneously see and hearing the party or witness answering questions. This request is made by contacting the Title IX Coordinator at least three (3) business days in advance of the hearing. The college may conduct any live hearing virtually, with the participants in one or more separate geographical locations, and with technology enabling participants simultaneously to see and hear each other.

At the live hearing, each party's advisor will be permitted to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination will be conducted directly, orally, and in real time by the party's advisor of choice and may never be conducted by a party personally.

If a party does not have an advisor who is available to conduct cross-examination on behalf of that party at the live hearing, then the college will provide the party with an advisor of the college's choice, free of charge, to conduct cross-examination on behalf of that party.

To invoke this right, the party must notify the Title IX Coordinator at least three (3) business days in advance of the hearing that the party does not have an advisor to conduct cross-examination. A party who fails to notify the college that they do not have an advisor within the required three (3) business day timeframe will waive the right to request that an advisor be appointed.

Only relevant questions, as determined by the Hearing Officer, may be asked of a party or witness. Questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant and will not be permitted, except where:

1. The questions and evidence about the complainant’s prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant; or
2. The questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent.

If a party or witness does not submit to cross-examination at the live hearing, either due to absence from the hearing or due to the party’s or witness’s refusal to answer cross-examination or other questions, the Hearing Officer will not rely on any statement of that party or witness in reaching a determination regarding responsibility; however, the Hearing Officer will not draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.

The college will make all evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint available for the parties’ inspection and review during the hearing. In addition, the college will create an audio or audiovisual recording, or transcript, of the live hearing, which the Title IX Coordinator will make available to the parties for inspection and review upon request.
10. Determination Regarding Responsibility
Within ten (10) business days after the conclusion of the hearing, the Hearing Officer will make a decision regarding responsibility. The Hearing Officer will apply a preponderance of the evidence standard when determining responsibility. Within seven (7) business days of reaching their decision, the Hearing Officer will issue a written determination to both parties simultaneously. The written determination will include:

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 C.F.R. § 106.30 (Title IX) and/or constituting sexual violence, domestic violence, dating violence or stalking pursuant to the Preventing Sexual Violence in Higher Education Act;
   The new Title IX regulations require the college to provide parties with at least 10 days to submit a written response to the evidence, and they require the investigator to consider those responses before completing the report.
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the College Code of Conduct or other conduct standards to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the college imposes on the respondent, and whether remedies designed to restore or preserve equal access to the college’s education program or activity will be provided by the college to the complainant; and
6. The procedures and permissible bases for the complainant and respondent to appeal.

11. Appeals
Both parties will have the right to appeal any determination regarding responsibility, and any dismissal of a formal complaint or allegations therein, to the Vice President of Student Affairs or designee. An appeal must be based on one or more of the following grounds:

1. A procedural irregularity occurred;
2. New evidence or information exists that could affect the outcome of the matter;
3. The Title IX Coordinator, Investigator or Hearing Officer had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that affected the outcome of the matter; and/or
4. The sanction is disproportionate with the violation.

A party who wishes to appeal a determination regarding responsibility or a dismissal of a formal complaint or allegations therein must submit a written appeal request to the Title IX Coordinator within seven (7) business days of the party’s receipt of the written determination or written dismissal notice. The written appeal request must identify the ground(s) on which the party seeks to appeal the determination or dismissal.

Within seven (7) business days of the Title IX Coordinator’s receipt of an appeal request, the Title IX Coordinator will forward the appeal request to the Vice President of Student Affairs or designee and will notify the other party in writing that an appeal has been filed. Before reaching a determination regarding the appeal, the Vice President of Student Affairs will afford both parties an equal opportunity to submit a statement in support of, or challenging, the determination or responsibility or dismissal that is the subject of the appeal. Within seven (7) business days after the Vice President of Student Affairs or designee has concluded their review of the appeal, the Vice President of Student Affairs or designee will issue a written decision simultaneously to both parties, describing the outcome of the appeal and the rationale for the outcome. The Vice President of Student Affairs or designee’s decision is final.
12. Confidentiality

The college will strive to protect the confidentiality of the parties and records to the extent permitted by law. However, the college cannot ensure confidentiality in every situation. The college will evaluate requests for confidentiality in the context of its responsibility to provide a safe and nondiscriminatory environment for all students. Accordingly, the college may weigh the request for confidentiality against the following factors: the seriousness of the alleged harassment; the complainant’s age; whether there have been other harassment complaints about the same individual; and the alleged harasser’s rights to receive information about the allegations if the information is maintained by the school as an “education record” under the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g; 34 C.F.R. Part 99.15.

13. Retaliation

Retaliation means adverse action taken against a student because they have, in good faith, reported harassment or provided information in support of a harassment complaint. Retaliation violates the college’s policy and is also illegal. A person engaging in retaliatory conduct will be subject to corrective action, up to and including expulsion or termination.

14. Reprisal Against Alleged Harasser

It is against this policy to take into account the filing of a complaint against an employee or a student when making determinations such as reappointment, tenure, promotion, grades, merit, or any other evaluation, unless a final determination has been made that the employee or student did in fact violate this policy. The fact that a complaint has been filed is not proof of the prohibited conduct and should not be treated as such.

15. False Claims

Allegations of harassment are extremely damaging by their very nature. All claims of harassment must be made in good faith. Any claims that are brought while knowingly false, with malicious intent, or out of retaliation are a violation of this policy. Students who violate this policy will be disciplined and subjected to corrective actions, up to and including expulsion.

16. External Complaints

While the college encourages individuals to use the college’s internal procedures to resolve harassment, discrimination or sexual violence concerns, students also have the right to file a complaint with various external agencies. They may file in addition to or in lieu of filing an internal campus complaint. Students may also file a criminal complaint with the RVC Police Department or the Rockford Police Department. No retaliation shall be taken against a student for filing an external complaint.

At any time during the course of the investigation, hearing, and/or appeal, students and employees with questions about Title IX or those who believe they have been subjected to sexual misconduct or retaliation may file a complaint with the Office for Civil Rights (OCR):

**Chicago Office - Office for Civil Rights**

U.S. Department of Education – Citigroup Center

A bystander may observe an emergency or a situation that looks like someone could use some help. They must then decide if they are comfortable stepping in and offering assistance. A bystander may be a third party in receipt of information about an incident that has already occurred, an actual witness to, and whom may or may not know the impacted party.

**Comprehensive Policy:** the policy created and implemented by a higher education institution, including Rock Valley College to address student allegations of sexual violence, domestic violence, dating violence, and stalking.

**Confidential Advisor:** means a person who is employed or contracted by a higher education institution to provide emergency and ongoing support to student survivors of sexual violence with the training, duties, and responsibilities specific to addressing such concerns. Confidential advisors receive 40 hours of training. The confidential advisor for Rock Valley College is Rockford Sexual Assault Counseling (RSAC).

**Confidential Communication:** Confidentiality exists in the context of laws that protect certain relationships, including with medical and clinical care providers, mental health providers, licensed professional counselors, and ordained clergy, all of whom may engage in confidential communications under Illinois law. In the event of imminent threat or danger, this confidential communication may need to be shared to provide assistance for mental health, medical or other services. Confidential resources employees (Counselors) are not required to report any information about an incident to the Title IX Coordinator or others at the college without an individual’s permission.

**Consent:** is freely given agreement to the act of sexual penetration or sexual conduct in question. Lack of verbal or physical resistance or submission by the survivor resulting from the use of force or threat of force by the accused shall not constitute consent. A person's manner of dress does not constitute consent. A person's consent to past sexual activity does not constitute consent to future sexual activity. A person who initially consents to sexual penetration or sexual conduct is not deemed to have consented to any sexual penetration or sexual conduct that occurs after he or she withdraws consent during the course of that sexual penetration or sexual conduct. (See the comprehensive policy for full definition.)

**Dating Violence:** is violence committed by a person:
1. who is or has been in a social relationship of a romantic or intimate nature with the survivor; and

**Domestic Violence/Intimate Partner Violence:** involves a person knowingly, without justification, causing bodily harm to any family or household member, or making physical contact of an insulting or provoking nature with them. allegedly have a child(ren) in common, persons who share or allegedly share a blood relationship through a child, persons who have or have had a dating or engagement relationship, persons with disabilities and their personal assistants, and caregivers as defined in Section 12-4.4a of the Illinois Domestic Violence Code.

**Immunity:** Any student who reports, in good faith, an alleged violation of the Rock Valley College comprehensive policy to a responsible employee, or other college official, so that the reporting student will not receive a disciplinary sanction for a student conduct violation, such as underage drinking, that is revealed in the course of such a report, unless the incident or action is determined to be egregious, including without limitation an action that places the health or safety of any other person at risk.

**Private Communication:** Privacy means that information related to a report of violations of the policy or incident will be shared with a limited circle of college employees who “need to know” in order to assist in the assessment, investigation, and resolution of the report. Professional staff may share information without revealing any personally identifying information about an incident to the college.

**Responsible Employee:** is someone who has the authority to redress sexual discrimination, harassment or misconduct, who has the duty to report incidents of such or other student misconduct, or who a student could reasonably believe has this authority. They are required to report to Title IX Coordinator.

**Sex Discrimination:** Discrimination on the basis of sex, sexual orientation, or gender-related identity. Sex discrimination includes sexual harassment, sexual misconduct, and sexual violence.

**Sexual Violence:**
- refers to physical sexual acts perpetrated against a person’s will, or where a person is incapable of giving consent. Consent must be given freely and voluntarily. It must be active and cannot be passive; silence or an absence of resistance, does not imply consent. A person may not give consent if they are unconscious, under the age of 17, incapacitated due to the use of alcohol or drugs, or have an intellectual or other disability. Past consent does not imply future consent, consent can be withdrawn at any time. Coercion, force, or threat of either; invalidates consent.
- involves the use of force or threat of force to sexually touch or sexually penetrate the victim’s body or forcing the victim to touch or penetrate the offender’s body. Threats of death or use of a weapon increases the severity of criminal charges. According to Illinois law, sex crimes can be prosecuted even if the victim knew the attacker; the victim did not fight back; the victim had consensual sex with the attacker previously; or the victim was intoxicated or unconscious.

**Stalking:** is a course of conduct directed at a specific person that involves repeated (two or more occasions) visual or physical proximity, nonconsensual communication, or verbal, written, or implied threats, or a combination thereof, that would cause a reasonable person fear. Stalking behaviors include defaming character, use of Internet and e-mail (cyberstalking) to harass and spread rumors about an individual, damaging or threatening to damage one’s property and following or lying in wait for an individual. Stalking is a crime under law in the state of Illinois.

**Survivor:** means a student who has experienced sexual violence, domestic violence, dating violence, or stalking while enrolled at RVC.

If You Have Been the Survivor of Sexual Violence

We take sexual misconduct seriously and provide support for on- and off-campus incidents. If you have been the survivor of a sexual, domestic or stalking concern, we encourage you to report it immediately to the appropriate campus official. The following protections and options are available for you.

**Reporting:** You have several options for disclosing on- or off-campus incidents: Title IX Coordinator, or their designee; RVC Personal & Success Counselor; Responsible Employee (RE) or Campus Security Authority (CSA); Confidential Advocate/Advisor or RVC Police Department. RE’s, CSAs and RVC Police are obligated to report incidents of sexual and domestic violence to the Title IX Coordinator. See the website and/or the comprehensive policy for each of their individual roles and obligations.

**Title IX Coordinator Role:** provide assistance by discussing options available at the college including: assistance with support services, confidentiality, college procedures, implementing interim measures or administrative measures, option to involve law enforcement and providing answers to questions or concerns.

**Investigations:** The Title IX Coordinator, or their designee, will provide investigation of campus policy violations, if the student chooses. We will evaluate a survivors request of confidentiality and choosing not to want to participate in the investigation. This may limit our ability to respond. However, there may be times that we have to act in the best interest of the parties involved and/or in the best interest of the college community.

**Sanctions:** Sanctions for students found responsible for sexual misconduct may range from disciplinary warning or probation to suspension or expulsion from the college. Please see the website (RockValleyCollege.edu/SexualAssault) for the 2019-2020 Title IX comprehensive policy for a full list of sanction options.

**Rock Valley College Police Department (RVCPD):** The Chief of the Rock Valley College Police Department, or their designee, will inform the survivor of their reporting obligations and the survivor's right to speak with the Title IX Coordinator in lieu of an RVC Police investigation and offer resources. If warranted and appropriate, the Chief of Police or designee will complete a campus report and explain to the student their options for pursuing the complaint through the legal system. The Rock Valley College Police Department can also assist with the needed hospital treatment (or other appropriate agency) and investigation of the complaint. It is important to have prompt, thorough medical care after a sexual assault. The primary medical concerns are physical injuries, sexually transmitted diseases, and pregnancy. At the time of the medical examination, testing will also be done to collect evidence that can be used to prosecute the individual who committed the assault. For this reason, sexual assault victims should not bathe or change their clothing after an assault, because it could destroy evidence.

The RVC Police Department will notify college officials and will report the complaint to the Title IX Coordinator for determination of the need for campus adjudication to take place regardless of prosecution through the legal system.

**Referral and Counseling:** RVC provides referral to off campus resources and counseling assistance on campus, as appropriate. Referrals can be provided by the Title IX Coordinator and/or the RVC Personal and Success Counselor (located second floor of the Student Center Main Campus). An RVC Counselor may provide confidential response to obtain resources, discuss options and help navigate the process. For absolute privilege and confidential, advisor, a survivor may contact Confidential Advocate/Advisor Rockford Sexual Assault Counseling.

Any case of sexual assault referred to the Title IX Coordinator will be investigated. Sanctions for students found responsible of sexual assault may range from disciplinary warning or probation to suspension or expulsion from the college.

A survivor may report directly to an RVC Personal and Success Counselor for immediate confidential response to obtain resources, discuss options, and to help navigate the process.

The Act established the right of the student to inspect and review their educational records; provides that personally identifiable information will not, with certain exceptions, be disclosed without the student’s written permission; provides for guidelines for the correction of inaccurate or misleading data through informal or formal hearings; and grants the student the right to file complaints with the Family Educational Rights and Privacy Act Office concerning alleged failures of the college to comply with the Act. A student who wishes to review their education records must complete the appropriate form and submit it to the Records and Registration Office. The student will be notified in writing of the date and time they may review the records.

Rock Valley College has designated the following categories of student information as public or directory information: first and last name, dates of attendance, part-time/full-time enrollment status, degrees/certificates earned, awards received, participation in officially recognized activities, college-assigned e-mail address, and height and weight of athletic participants.

Such information may be disclosed by the college for any purpose at its discretion. However, the student may withhold disclosure by filing written notification with the college.

Information may be withheld by filing written notification with the Records & Registration office, located on the second floor of the Student Center, prior to the tenth day of classes each semester. Forms requesting the withholding of categories of directory information are available in the Records & Registration office.

Rock Valley College assumes that failure on the part of any student to specifically request the withholding of directory information indicates approval of disclosure.
Student Right-to-Know &
Campus Security Act (P.L. 101-542)

The Student Right-to-Know and Campus Security Act requires higher education institutions receiving federal financial assistance to disclose their graduation rates and other consumer statistics of institutional effectiveness. The Act also requires that prospective and current students receive the following information to help them make informed decisions about the safety educational benefits, including but not limited to: retention, transfer, and graduation rates, campus safety, voter registration, net price calculator, Title IX, and Drug Free Schools Act. A complete list of consumer information is available on the RVC web page: RockValleyCollege.edu/StudentRightToKnow.

Automated License Plate Recognition System

Proactive enforcement measures aimed at protecting students, faculty, staff, and visitors are a constant challenge for the Rock Valley College Police Department (RVCPD). Identifying persons of interest, stolen vehicles, and wanted criminals are among those challenges. RVCPD is now utilizing new technology to assist in locating vehicles/persons of interest, developing investigative leads, and solving crimes.

Rock Valley College has implemented an Automated License Plate Recognition (ALPR) system at its Main Campus entrance/exit drives.

This system contains integrated processors which rapidly process license plate images using optical character recognition which is cross-referenced to national, state, and local license plate databases.

If the license plate or registered owner(s) matches the databases’ “hot list”, notification is made to the RVCPD for evaluation and potential action. ALPR systems are being utilized by local communities such as; Rockford, Loves Park, and Machesney Park, with which we will be working closely to utilize this technology to reduce crime in our region.

Abused & Neglected Child Reporting Policy

Mandated Reporters: All personnel of institutions of higher education, all athletic program personnel and all athletic facility personnel are mandated reporters (325 ILCS 5/4). Mandated reporters are required to immediately report to the DCFS whenever there is reasonable cause to believe that a child with whom they have contact in their professional capacity may be abused or neglected. Students enrolled in an academic program leading to a position as a child care worker, school service personnel and/or education degree are also mandated reporters pursuant to the Act.

Cooperation: Employees and students are required to cooperate in the investigation of any report made pursuant to the Act.

Immunity for Good Faith Reports: The Act provides immunity for anyone who makes a report in good faith.

No Retaliation: Retaliation against any employee, student, volunteer or other individual who makes a good faith report of abuse or neglect or who participates in any investigation of abuse or neglect under the Act is prohibited. Anyone found to have engaged in prohibited retaliation may be subject to discipline, up to and including termination, expulsion and/or other sanctions. Procedures to implement this policy will be published through the college’s Human Resources Department and available in that Office, the Dean of Students Office, and on the college’s website.
Rock Valley College cares about the mental health of students and employees. Effective January 1, 2016 and in compliance with the State of Illinois Student Optional Disclosure of Private Mental Health Act, Rock Valley College will provide all incoming students an option for students to disclose mental health information. This act ensures that every new student is given the opportunity to complete and submit the authorization form to disclose private mental health information, if they choose to. The institution may disclose that mental health information if a physician, clinical psychologist or qualified examiner (as explained in the mental health and developmental disabilities act) makes a determination that the student poses a clear danger to himself or others.

The student may complete and file a FERPA form through the Records and Registration Office which includes the “Student Optional Disclosure of Mental Health Act” disclosure. This form allows a student to designate whom RVC and/or the qualified medical examiner may disclose certain private mental health information.

Effective January 1, 2014, an ACT concerning alternative treatment for serious diseases causing chronic pain and debilitating conditions passed. Illinois is an approved state for allowing dispensary of cannabis for medicinal purposes. A statement on medical marijuana use on campus: At this time, marijuana use remains prohibited on campus for medicinal or recreational purposes. Any use of marijuana on campus would be a violation of federal and campus policy and may result in disciplinary action.

Effective July 1, 2015 all Rock Valley College campuses are smoke free. Violators may receive up to $250 fine. (See pages 84-85 for details of both statutes.)

The following information is provided to all Rock Valley College students and employees in compliance with the Drug-Free Schools and Communities Act Amendments of 1989 (PL 101-226) and the Drug Free Schools and Campuses Regulations [EDGAR Part 86].

We provide Annual Notification about the impact, risks and penalties of drugs and alcohol to both students and employees.

**Statement on Medicinal Marijuana in Illinois:**
Please see the Policy & Regulation Section of this handbook listed above.
Questions and concerns regarding this legislation or any of the information contained in this document should be directed to the Dean of Students Office.

**1. Policies - Alcohol, Other Drugs**

As an academic community, Rock Valley College is committed to providing an environment in which learning and scholarship can flourish. The possession or use of illegal drugs, alcoholic or the abuse of those which may otherwise be legally possessed, seriously affects the college environment, as well as the individual potential of our students and staff. The college enforces
state laws and related college policies, including those prohibiting the following activities on campus:

a. Providing alcoholic beverages to individuals under 21 or possession or consumption of alcoholic beverages by individuals under 21.
b. Possession, consumption, distribution, or manufacturing of any alcoholic beverages on the campus or any property that the college may own or lease, except as approved by the college President, or their designee.
c. Distribution, possession, or use of illegal drugs or controlled substances.

The use of alcohol by students, regardless of age, is prohibited by the Student Conduct Code. The college can, and will, impose disciplinary sanctions for violations. Students are also subject to city ordinances and state and federal laws. A separate policy addresses violations by college staff.

The college strongly encourages students and staff members to voluntarily obtain assistance for dependency or abuse before such behavior results in an arrest and/or disciplinary referral which might result in their separation from the institution.

The use of, or addiction to, alcohol, marijuana, or other controlled substances is not considered an excuse for violations of the Student Conduct Code, and will not be a mitigating factor in the application of appropriate disciplinary sanctions for such violations.

Help is available both on campus and within the community for students and staff members who are dependent on, or who abuse the use of alcohol or other drugs.

2. College Sanctions
For a complete description of College disciplinary sanctions, State of Illinois and Federal Drug Laws Penalties, visit RVC’s website: RockValleyCollege.edu/DrugFree.

3. Counseling and Treatment
Students may be referred by the Rock Valley College Counselor or other staff to community treatment programs for assessment or more intensive treatment through Rosecrance Inc. or Treatment Alternatives for Safe Communities (TASC) in Rockford, Illinois; additional counseling and treatment services may be recommended. These agency services include intake/evaluation, social setting detox, intensive residential and day program, chemical dependency programs, adolescent and adult outpatient services, assessment DUI evaluations and prevention education.

4. Health Risks Associated with the Use of Illicit Drugs and Alcohol
See “Substance” chart, on page 78, for more information.

5. Treatment
RVC provides a complete listing of counseling and treatment programs available in the Winnebago/Boone County area. This listing is available in the RVC Personal and Success Counseling Office, or RVC website under B.I.T. resources. In addition, students and employees may seek assistance from the RVC Personal and Success Counselor.

6. Consequences
RVC will not tolerate the abuse of alcohol or illicit drugs among students and employees. Those found in violation of college rules and regulations regarding the use of these substances will be subject to penalties which include but are not limited to warnings, disciplinary actions, probationary status, suspensions from classwork or employment, expulsion from school, and referral for prosecution.

The college recognizes each student’s procedural right to due process, which includes providing notice setting forth alleged violation(s) of the Code, and a speedy and fair hearing/administrative meeting. An appeals process is available to students that are suspended or expelled from the college. Any member of the college community can initiate accusation of an alleged violation. If a student is referred to the Dean of Students for an alleged violation, they will receive notice of the alleged violation which will include a request for an administrative meeting with the Dean of Students, or their designee. If requested, students are obligated to respond to notification to meet, if the student does not respond, they are in violation of the Code.

Any student facing possible disciplinary action is entitled to the following procedural due process:
- To be notified of the allegations against them.
- The right to a speedy and fair hearing/administrative meeting.
- To know the nature of the information against them, unless release of the information would endanger the health or safety of victim(s) or witness(es).
- To present information and/or witnesses relevant to the allegation.
- To appeal a sanction of suspension or expulsion, if applicable.

Jurisdiction is maintained between periods of enrollment for all students. The term “student” includes all registered Rock Valley College Students (full-time, part-time, special programs, Community/Continuing Education, Professional Education). Persons who withdraw after allegedly violating the Student Code, who are not officially enrolled for a particular term but who have a continuing relationship with the college or who have been notified of their acceptance for admission are considered “students.” This Student Code applies to all college locations, including the Main Campus, RVC Downtown, Stenstrom Center, and all other off-campus sites and General Education Development (GED)/High School Equivalency (HSE), English as a Second Language (ESL), OR Adult Education, and Community/Continuing Education; and enrolled students of collaborative and partnership programs.
- Sanctions may be imposed for prohibited conduct which occurs on college premises, at off-campus instructional sites (e.g., experiential coursework, internships, lab, or clinical sites), at college-sponsored extracurricular activities or events when a student serves as a representative of the college at off campus events where two or more students are involved, or in the course of using college technology or property.
The Dean of Students, or their designee, shall determine whether the Code shall be applied to conduct occurring off campus, in accordance with the best interests of the college. Sanctions may be imposed for conduct that occurs on or off campus which substantially interferes with the college's operation or educational programs or the safety and welfare of the college community. A substantial college interest is defined to include:

a. Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of themself or others

b. Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder

c. Any situation that is detrimental to the educational mission and/or interests of the college

The Student Conduct Code may be applied to behavior conducted online, via email or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. The college does not regularly search for this information but may take action if and when such information is brought to the attention of college officials.

Records maintained and/or created by a law enforcement unit of an educational institution for purposes of law enforcement are not considered “student records” under the Family Educational Rights and Privacy Act (“FERPA”) and may be released to third parties as necessary without violating FERPA. Contact the RVC Police Department on how to view law enforcement records.

Violations of The Law

1. College discipline may be imposed on students charged with an off-campus violation of federal, state or local laws even when there is no accusation of any other violation of the Code. This action is necessary to provide for the safety and welfare of the college community. Disciplinary action may be taken and sanctions imposed only for grave misconduct, which demonstrates flagrant disregard for the college community.

2. College disciplinary proceedings may be instituted against a student charged with violation of a federal, state, or local law which is also a violation of this Student Code, that is, if both violations result from the same factual situation, without regard to pending civil litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus.

3. When a student is charged by federal, state, or local authorities with a violation of law, the college will not request or agree to special consideration for that individual because of their status as a student. If the alleged offense is also the subject of a proceeding before a judicial body under the Student Code, however, the college may advise off-campus authorities of the existence of the Student Code and of how such matters will be handled internally within the college community. The college will cooperate fully with law enforcement and other agencies in the enforcement of law on campus, and in the conditions imposed by criminal courts for the rehabilitation of violators who are also students. Individual students and faculty members, acting in their personal capacities, remain free to interact with governmental representatives as they consider appropriate. Students accused of crimes may request to take a leave from the college until the criminal charges are resolved. In such situations, the college procedure for voluntary leaves of absence is subject to the following conditions:

• The responding student must comply with all campus investigative efforts that will not prejudice their defense in the criminal trial.

• The responding students must comply with all interim actions and/or restrictions imposed during the leave of absence.

• The responding student must agree that, in order to be reinstated to active student status, they must first be subject to, and fully cooperate with, the campus conduct process, and must comply with all sanctions that were imposed.
A. Reporting a Code Violation

Any member of the college community may file a Code violation allegation against any student (with the exception of complaints of academic misconduct, faculty have original jurisdiction over these matters). Reports may be sent to the Dean of Students, or their designee. Reports can be made in person or online: RockValleyCollege.edu/ReferralForm. There is no time limit on reporting violations of the Code of Student Conduct; however, the longer someone waits to report an offense, the harder it becomes for college officials to obtain information and witness statements and to make determinations regarding alleged violations. Though anonymous complaints are permitted, doing so may limit the college’s ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Dean of Students Office or the RVC Police Department.

B. Notice and Response

Within 30 business days of receiving an alleged Code violation, the Dean of Students, or their designee, will notify the responding student of the allegation. The notice shall include:

(a) the alleged Code violation;

(b) the opportunity for the student(s) to meet with the Dean of Students, or their designee, for purposes of resolving of the allegation(s).

The student may choose to have an “advisor or support person” accompany them during the meeting (such as a peer, friend, family member, or Rock Valley College employee). The advisor/support person may be present during the administrative meeting but may not be permitted to speak for or on behalf of the student unless deemed appropriate by the Dean of Students or their designee.

If the student does not meet with the Dean of Students, or their designee, or chooses not to participate in the process within 10 business days of the notice, the Dean of Students will make a decision without input from the student.

A student against whom a Code violation has been filed and/or disciplinary charges are pending may have a “hold” placed on their academic record until charges are resolved. A hold will prevent the student from requesting an official transcript, registering for classes or withdrawing, dropping courses, etc.

C. Findings/Resolution

Once a determination has been made regarding the violation, there are generally two outcomes for student conduct violations. Responsible or Not Responsible.

D. Sanctions

If a student is found responsible for alleged Code violation, they may be issued sanctions. Sanctions will need to be completed or turned in by the time frame given, before the case will be closed out. If the sanction isn’t completed within timeframe given, the student may have additional sanctions assigned and/or may be prevented from participating in various campus events or activities, including registration. Please see pages 91-95 for a full list of student disciplinary sanctions.

Preliminary Investigation and Administrative Meeting

A. The Dean of Students

The Dean of Students, or their designee, will conduct a preliminary investigation to determine if the allegation has merit. If the allegation can be disposed of at the preliminary investigation stage, such disposition will be final and there will be no subsequent proceedings.

If necessary, the Dean of Students, or their designee, shall meet with the responding student and inform the student of their procedural rights to due process. The Dean of Students, or their designee, may determine the following:

- Find student responsible for code violation(s)
- Issue sanctions for code violations
- Dismiss the case
- Refer parties to conflict resolution or mediation
- Refer case to Behavioral Intervention Team (BIT)
- Refer student to educational programming
- Refer student to RVC Personal and Success Counselor
- Refer the case to the appropriate college administrator, or their designee
- Refer to community resource

The Dean of Students, or their designee, will notify the student in writing within 20 business days of the decision.

The outcome of the conduct process is part of the education record of the responding student and is protected from release under FERPA, except under certain conditions. As allowed by FERPA, when a student is accused of a policy violation that would constitute a “Crime of Violence” or forcible or nonforcible sex offense, the college will inform the alleged survivor/party bringing the complaint in writing of the final results of an administrative meeting, regardless of whether the college concludes that a violation was committed. Such release of information may only include the alleged student’s and responding student’s name, the violation committed, and the sanctions assigned (if applicable). In cases of sexual misconduct and other offenses covered by Title IX, only, the rationale for the outcome will be shared with all parties to the complaint in addition to the finding and sanction(s). (See Title IX policy.)

In cases where the college determines through the student conduct process that a student violated a policy that would constitute a “Crime of Violence,” the college may also release the above information publicly and/or to a third party. FERPA and Clery Act defines “crimes of violence” to include: arson, assault offenses (includes stalking), burglary, criminal homicide (manslaughter by negligence), criminal homicide (murder and non-negligent manslaughter), destruction/damage/vandalism of property, kidnapping/abduction, robbery, forcible sex offenses, and non-forcible sex offenses.

   f. Both the responding student and the complaining parties may present information, including witnesses and written statements. The Chair of the Conduct Review Board will determine the format of the hearing, the admissibility of witnesses or written statements, and may elect not to hear such information if deemed redundant or irrelevant.
   g. The Chair of the Conduct Review Board retains authority to question witnesses and parties to the alleged violations and will determine the appropriateness of questions posed by the parties.
   h. The Chair of the Conduct Review Board may opt to hear the witnesses separately.
   i. There will be a single verbatim record, such as an audio recording, of all hearings before the Conduct Review Board. Review of the verbatim record may only occur on college premises and in the presence of the Dean of Students, or their designee. The verbatim record is property of the college.
