General Presentations

1. Downtown West Bid Package #5

Mr. Rick Jenks, vice president of operations, and Mr. Greg Kladar, vice president for pre-construction of Ringland-Johnson, presented the Downtown West Bid Package #5.

Trustee Nelson joined the meeting at 5:24 p.m.

Mr. Jenks recapped the Downtown West (DTW) construction timeline and projects that have been completed or are close to completion. Mr. Jenks stated that the largest bid package (#5) for the DTW construction was released, and RVC now has the costs back from the vendors. Mr. Jenks stated that with all of the costs coming back from the vendors, the project is now \$3.5 million over budget. Mr. Kladar explained the process that Ringland-Johnson went through for bid package #5 and what recommendations the Construction Manager at Risk (CM-R) recommends for the project. Mr. Jenks presented two options that the Trustees can consider:

- Option One – Increase the funding for the project by \$3.5 million to cover the added cost.
- Option Two – Do not build the Downtown Learning Center; only build the Downtown Training Center.

Trustees Trojan and Gorski stated that they were not interested in option two. Trustee Gorski followed up with a question for VP Olson about where she would get the extra \$3.5 million for the construction. Ms. Olson stated that she anticipates excess revenues over expenses in FY2025, as in the last five years. Moreover, RVC has not touched the contingency in the FY2025 Budget of \$4 million and will have those funds after the close of FY2025. Those funds can be transferred to Fund 03.

Trustee Gorski asked that any additional costs or information discussed at future meetings be presented to Trustees before the meetings so that they may digest the information. Discussion ensued.

2. Starlight Theatre Update

Mr. Jenks introduced Mr. Christopher Brady, the director of the Bengt Sjostrom Theatre (Starlight Theatre). Mr. Brady discussed the fiscal year revenues versus expenses. Starlight ticket sales and the current price of Starlight tickets. Mr. Brady shared enrollment for the Stars of Tomorrow Summer Camp, Starlight Friends, and the volunteers contributing to Starlight Theatre's success. Mr. Brady finished his presentation with how Starlight selects its productions and that the theatre received seven Broadway World Chicago Awards, including Best Theatre for Young Audiences and Favorite Local Theatre. Discussion ensued.

Teaching, Learning & Communications Discussion: Board Liaison Trustee Simpson

1. 14th Day Census Enrollment Data Brief and Student Profile

Ms. Heather Snider, vice president of institutional effectiveness and communications, presented the 14th Day Census Enrollment Data Brief and Student Profile. Ms. Snider stated that the 14th Day Census Enrollment is slightly different than the data reported on the monthly Enrollment Report because this report includes adult education credits and some vocational skill courses, and that's per the Illinois Community College Board (ICCB) definitions on reporting enrollment. Hence, these are the official numbers reported by RVC to the ICCB.

Ms. Snider explained that RVC is ahead of where the College was five years ago for unduplicated headcount, credit hours, and full-time equivalent. Unduplicated headcount has increased by 27.70%, credit hours have increased by 12.57%, and full-time equivalent has increased by 12.57% from FY2024.

Ms. Snider focused on the Student Profile Report and discussed the demographics of students for the Spring of FY2025. Discussion ensued.

2. Review of Programs, Expected Students, and Faculty/Staff for Downtown West

Dr. Amanda Smith, vice president of academic affairs, and Dr. Hansen Stewart, vice president of career and technical education and workforce development, presented the Review of Programs: Students, Faculty, and Staff for the Downtown West campus. Dr. Stewart stated that the programs were planned based on community and workforce needs. Technical programs will be housed in the Training Center, including Automotive Technology, E-Vehicle Repair, Collision Repair, Truck Driver Training, and Criminal Justice.

Dr. Smith stated that the educational programs housed in the Learning Center will include Adult Learning, Early Childhood Education, and Human Services. Adult Education and Refugee and Immigrant Services will also be included.

Student enrollment is anticipated, and students from the surrounding zip codes will be reflected in the enrollment. It is essential that faculty and staff will be sufficient to meet the community's unique needs. Discussion ensued.

A motion was made by Trustee Cudia, seconded by Trustee Gorski, to approve BR8242-C.

Trustee Gorski questioned why the elevator was included in the general contracting bid. As explained by COO Rick Jenks, due to issues with the separate elevator bid, (one bid was incomplete and the second one was changed so much that the college attorney advised not to accept it), it was recommended that the elevator be included in the general contracting bid so that Ringland Johnson, the CMR, could confirm the bid was accurate.

At 5:20 p.m., Trustee Nelson entered the meeting.

The motion was approved by unanimous roll call vote.

Those who have not responded to the invitation are asked to RSVP to Ann Kerwitz. Speakers will include Board Chair Trojan, Winnebago County Chair Joe Chiarelli and Mayor McNamara, and photos will be taken with trustees following the ceremony. All local officials and state legislators, as well as groups representing the west side have been invited.

Updates/Reports

1. President's Update

President Howard Spearman reported the following updates

- Dr. Keith Barnes represented RVC well while serving on an equity and inclusion panel at the Illinois Community College Trustees Association (ICCTA) conference held March 14.
- Dr. Spearman will attend the American Association of Community Colleges (AACC) Annual Conference April 12-16. RVC is a finalist for the Outstanding College/Corporate Partnership Award and the Advancing Equity and Belonging Award. In addition, RVC was awarded the 2024 Higher Education Excellence in Diversity (HEED) Award by the Insight Into Diversity magazine.
- Allowing Community College baccalaureate degrees is still a hot topic in Springfield, but the bill was not called for a vote and did not get out of committee. House Bill 3717 represents the governor's proposal and is a good way to increase access for community college students, especially those in AAS degrees. Dr. Spearman also explained some of the erroneous myths regarding the bill such as increased property taxes, and community colleges will not have enough qualified faculty, both of which are not true. He added that many RVC faculty have terminal degrees and professional experience, and that RVC just received re-accreditation with no monitoring from the Higher Learning Commission (HLC). To help move this initiative in the positive direction for community colleges, he has spoken to and reached out to the College's legislators.
- Also, the Illinois Community College Trustees Association (ICCTA) has encouraged trustees to submit Witness Slips to the House in support of the bill. Students will have the opportunity to speak with legislators on Student Advocacy Day to be held April 9 in Springfield.
- Trustee Nelson commented that this was discussed at the recent ICCTA meeting, and attendees thought the bill would pass. He added that community colleges and four-year universities have had discussions regarding the pending legislation, but have reached an impasse. He agreed with Dr. Spearman that this is a big disappointment. Mr. Nelson added that although some of the four-year schools are worried about finances, community colleges are on solid financial footing, but there are enrollment concerns, and our industry partners are asking for help to develop educational opportunities for better workers.

2. Leadership Update

- Dr. Amanda Smith, vice president of academic affairs, reported that the RVC music festival will be held this weekend, and the Science Olympiad and juried art show were a great success.
- Mr. Rick Jenks, vice president of operations, congratulated Melissa Gear and Heather Persaud of the IT Department for their successful presentation at the Howard Technology Conference and Expo in Alabama. Their presentation on RVC's laptop loan program for students was well received, and they have been contacted by other schools for further information. Mr. Jenks also provided construction updates:
 - The Health Sciences Center (HSC) remodel of the third floor is expected to be completed this summer, with the new elevator later in the fall.
 - The Power Shed project that began last fall is nearing completion with the final power cutover for buildings E and F being planned for April. Demolition of the old shed and landscaping will take place as the weather gets warmer.
 - The lighting upgrade for the Stenstrom Student Center is almost finished. New LED lights will provide better lighting at a reduced cost.

In response to a question from Trustee Nelson regarding the possible effect of proposed federal tariffs, COO Jenks explained that the tariffs will not affect current projects, but may affect the Classroom Building II and Health Sciences Center renovation projects. Smaller projects may be affected as well, as bids will likely come in higher.

- Dr. Terrica Huntley, interim vice president of human resources, reported that a benefits survey has been sent to all employees to help determine how the HR Department can continue to support employees. She also recognized the benefits team who provided 1095C tax forms for employees before the March 3 deadline. She also reminded trustees that May 1 is the deadline to complete the Winnebago County Statement of Economic Interests form.
- Mrs. Ellen Olson, vice president of finance, announced that the College has received an AA minus bond rating for the upcoming debt certificates. The official preliminary statement for the debt certificates will be issued March 26, with bids expected on April 2, and receipt of the proceeds on April 22. Comments in relation to the bond rating indicated that the rating agency is looking for stabilized enrollment, and is watching the potential for OPEB liability to be passed down to the community colleges.

In response to a question from Trustee Nelson, CFO Olson indicated that her goal is to increase the College's rating to AA, as the College has a good reserve plan and consistent excess revenues, but the state of Illinois' financial situation is a negative.

- Ms. Heather Snider, vice president of institutional effectiveness and communications, provided several updates, reporting that enrollment for the spring semester continues to exceed the budget and is at 103% of the stretch goal. She also recognized Sharla Parsons, Ellen Olson, Leanna Davis, and Carol Kaufman, all who worked to submit the required federal reporting surveys to the Integrated Postsecondary Education Data System (IPEDS)

three weeks early. Jennifer Lindsay in HR also contributed to timely reporting to the state that support the federal IPEDS report.

3. Illinois Community College Trustees Association (ICCTA) Report

Trustee Nelson provided a report of his experience at the Illinois Community College Trustees Association (ICCTA) conference held March 14-15 at Lisle, IL. Discussion topics included standing firm on diversity, equity and inclusion (DEI) terms. He also received compliments on Dr. Keith Barnes presentation to the ICCTA representatives. As the regional chair for the Northwest Region, Mr. Nelson serves on the ICCTA Executive Committee, as well as the Finance Committee, and recommended extension of the contract for current ICCTA Executive Director Jim Reed.

4. Trustees Comments

- Trustee Gorski would like to review Board policy regarding loaning of technology, automobiles and college equipment and discuss it at the next meeting.
- Trustee Cudia commented that there is a lot of excitement surrounding the downtown campus and the upcoming groundbreaking. She also inquired about speaking protocol for public officials at the groundbreaking. Dr. Spearman confirmed that all of the speakers have been contacted ahead of time. Dr. Spearman also confirmed that a schedule of upcoming completion ceremonies will be presented at the April 8 Committee of the Whole meeting.
- Board Chair Trojan commented that there were 84 views of the video from the Trustee Candidate Forum held last night, with about 40-50 in the room. He added that trustees need to use their microphones, as it's difficult to hear when participating in a meeting via telephone, which he did for the March Committee of the Whole meeting.

5. Student Trustee Report

Student Trustee Nico Mikos reported on the following on-campus events: First Generation Speaker Series, Mental Health Check-in, Wellness Wednesday, and the Spring Jazz Concert. He also wished the softball and baseball teams the best of luck as they begin their seasons.

6. Rock Valley College Foundation Liaison Report

Trustee Trojan provided an update on the RVC Foundation Board meeting held on March 18, 2025. A record \$800,000 is available for scholarships, and 445 applications have been received. In addition, the Foundation's fundraising goal of \$2.5 million will be announced by Brittany Freiberg at the Downtown West groundbreaking later this week. Also, 14 community leaders have committed to participate in the 60th Anniversary CEO Challenge to be held April 25. The fundraising goal for the day of lunch, fun and games is \$60,000.

7. Freedom of Information Act (FOIA) Report

The FOIA report was accepted as presented.

Next Meeting

The next Committee of the Whole meeting will be held on Tuesday, April 8, 2025, at 5:15 p.m. The meeting will be held in the Educational Resource Center (ERC) in the Performing Arts Room (PAR), Room 0214 on the main campus.

The next Regular and Reorganization Board meeting will be held on Tuesday, April 22, 2025, at 5:15 p.m. The meeting will be held in the Educational Resource Center (ERC) in the Performing Arts Room (PAR), Room 0214 on the main campus.

Adjournment

At 6:20 p.m., a motion was made by Trustee Gorski, seconded by Student Trustee Mikos, to adjourn the meeting. The motion was approved by unanimous roll call vote.

Tentative Budget for Fiscal Year (FY) 2026

Background: The tentative spending plan totals \$229,821,283 for all funds and \$69,326,152 for the Operating funds (Funds 01 and 02).

Operating Funds

The Operating funds budgeted revenue is \$69,326,152, an increase of \$1,542,239 from the Fiscal Year (FY) 2025 Budget. This increase is due to a projected reduction in student tuition and fees, offset by higher property tax revenue resulting from an increase in Equalized Assessed Value (EAV), an increase in state funding, and an increase in investment revenue as short-term interest rates continue to remain steady. Operating revenue assumes 100% state funding, and tuition and fees are budgeted based on 110,000 credit hours, remaining flat to FY2025 budget and five percent below FY2025 projected actual credit hours. There is no increase in tuition included in the FY2026 budget. The Operating Budget includes the following assumptions:

Revenue

- 3.0% EAV increase from 2023 to 2024 EAV estimates. 2% EAV increase from 2024 EAV to 2025 EAV.
- State Funding remains at FY2025 levels for the ICCB Operating and Equalization Grant.
- Tuition and Fees based on 110,000 credit hours. No increase in tuition and fees.

Expenses

- Contractual Salary increases.
- Benefits increased by approximately 4%, predominantly based on Healthcare due to an actual rate increase of 8% for calendar year 2025.
- Contractual Services are projected to increase due to contractual increases for IT software, other annual contractual increases, as well as an increase in contracted instructors and services for CTE programs and Continuing Education.
- Fixed Charges are projected to increase due to the rental charges for facilities and equipment.

The FY2026 proposed budget is a balanced budget for operations with a \$3,797,260 contingency.

Other Funds

The attached document includes details for capital, auxiliary, health benefits, restricted, and other major fund groups. Included are detailed expenses and revenues for each fund. Also included in the budget packet is summary information on property tax revenues and the documents for the Illinois Community College Board (ICCB).

Next Steps

The Budget shall be made available for public inspection at the Financial Services Office in the Support Services Building on the Rock Valley College Campus at 3301 North Mulford Road, Rockford, IL, and on the Rock Valley College's website at www.rockvalleycollege.edu beginning at 9:00 a.m. on May 23, 2025.

A public hearing on the FY2026 Budget will be held at 5:15 p.m. on the 24th day of June 2025, in the Performing Arts Room (PAR) in the Educational Resource Center on the campus of Rock Valley College at 3301 North Mulford Road, Rockford, Illinois, in this Community College District No. 511.

Recommendation: It is recommended that the Board of Trustees approves the FY2026 Tentative Budget and submit any questions to Chief Financial Officer Ellen Olson. The public hearing will be scheduled for 5:15 p.m. on June 24, 2025.

**Extended Career Running Start Intergovernmental Agreement (IGA)
Rockford Public School District #205**

Background: The Career Running Start program allows qualified students from Rockford Public School (RPS) District #205 to attend Rock Valley College (RVC) for their senior year of high school. Students take dual credit courses that meet the requirements for a high school diploma and a Rock Valley College certificate in Fundamentals of Mechatronics, Certified Manufacturing Associate, Industrial Welder, or 30 credits toward the Aviation Maintenance Program certificate. The Career Running Start program will be administered through the Early College office at Rock Valley College in conjunction with Rockford Public School District #205.

Students selected for Career Running Start need to be academically and socially ready for college. The program provides students with additional experiences to develop the independence and confidence needed to succeed beyond high school. It allows students to work toward a more challenging educational environment and excel in high school and college.

The financial arrangement between Rock Valley College and Rockford Public School District #205 requires the District to calculate the cost equivalent of tuition and fees with the assistance of the College for the courses taken per Career Running Start student and pay the College the cost associated with this tuition and fees calculation, not to exceed \$460,000 during the term of this agreement. There is no cost to the students, as RPS will cover all costs, including books, supplies, and fees. The District's financial assistance helps reduce the overall cost of college for students and their families.

On January 24, 2023, the Rock Valley College Board of Trustees approved BR #8008, Career Running Start IGA, with Rockford Public School District #205. Both parties would like to extend the agreement from January 1, 2025, to June 30, 2025, for the duration of FY2025.

Students selected for the Career Pathways Jump Start program need to be academically and socially prepared for college. Career Pathways Jump Start program offers students the opportunity to work toward a more challenging educational environment and excel in both high school and college. The Career Pathways Jump Start program offers students additional experiences to develop the independence and confidence necessary to succeed beyond high school.

The financial arrangement between Rock Valley College and North Boone Community Unit School District #200 requires the District to calculate the cost equivalent of tuition and fees, with the assistance of the College, for the courses taken by each Career Pathways Jump Start student and to pay the College the cost associated with this tuition and fees calculation. Participating students will then be financially responsible for paying the remaining balance of tuition and fees and covering the costs for any repeated courses, textbooks, and course supplies. The District's financial assistance helps reduce the overall cost of college for students and their families.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Career Pathways Jump Start Intergovernmental Agreement with North Boone Community Unit School District #200, effective the date both parties have approved and executed the Agreement, for classes beginning Summer 2025, and expires automatically on June 30, 2026. **Attorney Reviewed.**

**2025-2027 Career Pathways Jump Start Intergovernmental Agreement (IGA)
Pecatonica Community Unit School District #321**

Background: Career Pathways Jump Start is a program that allows qualified students to attend Rock Valley College during their senior year of high school. Students take dual credit courses that meet the requirements for a high school diploma and a Rock Valley College certificate in Fundamentals of Mechatronics, Certified Manufacturing Associate, Industrial Welder, Automotive Maintenance and Light Repair, Basic Electronics, or 30 credits toward the Aviation Maintenance Program certificate. The Career Pathways Jump Start program is administered through the Early College office at Rock Valley College in conjunction with Pecatonica Community Unit School District #321.

Students selected for the Career Pathways Jump Start program need to be academically and socially prepared for college. Career Pathways Jump Start program offers students the opportunity to work toward a more challenging educational environment and excel in both high school and college. The Career Pathways Jump Start program offers students additional experiences to develop the independence and confidence necessary to succeed beyond high school.

The financial arrangement between Rock Valley College and Pecatonica Community Unit School District #321 requires the District to calculate the cost equivalent of tuition and fees, with the assistance of the College, for the courses taken by each Career Pathways Jump Start student and to pay the College the cost associated with this tuition and fees calculation. Participating students will then be financially responsible for paying the remaining balance of tuition and fees and covering the costs for any repeated courses, textbooks, and course supplies. The District's financial assistance helps reduce the overall cost of college for students and their families.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Career Pathways Jump Start Intergovernmental Agreement with Pecatonica Community Unit School District #321, effective the date both parties have approved and executed the Agreement, for classes beginning Summer 2025, and expires automatically on June 30, 2027. **Attorney Reviewed.**

**2025–2026 Running Start Intergovernmental Agreement
Byron Community Unit School District #226**

Background: Running Start is a formal program that allows qualified students from Byron Community Unit School District #226 to attend Rock Valley College for their junior and senior high school years. Students may enroll in a two-year degree completion program, which allows them to take dual credit courses that meet the requirements for both a high school diploma and a Rock Valley College Associate Degree simultaneously. Alternatively, students may enroll in a one-year program that meets the requirements for both a high school diploma and one year of Rock Valley College credit courses simultaneously. The Running Start program will be administered through the Early College office at Rock Valley College in conjunction with Byron Community Unit School District #226.

Students selected for Running Start need to be academically and socially ready for college. Running Start provides an opportunity for students to work toward a more challenging educational environment and excel in both high school and college; at the same time, they may continue to participate in sports and activities at their high schools, as their schedule allows. The Running Start program provides students additional experiences to develop the independence, study skills, and confidence needed to succeed beyond high school and into college.

The school district has elected not to provide financial assistance to its students. Program participants will be charged by Rock Valley College the cost equivalent of tuition and fees for courses taken per Running Start. Students will also be financially responsible for all associated program costs, including textbooks, supplies, and repeated courses.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Running Start Intergovernmental Agreement with Byron Community Unit School District #226, effective the date both parties have approved and executed the Agreement, for classes beginning Summer 2025, and automatically expiring on June 30, 2026. **Attorney Reviewed.**

APPENDIX C

Running Start Student Academic Conduct Policies

All *Running Start* students at Rock Valley College (RVC) are expected to demonstrate qualities of integrity, honesty, civility, and respect in their conduct, both in and out of the classroom. All RVC policies can be viewed in the Student Handbook found on our website: www.rockvalleycollege.edu/studenthandbook. Adherence to all policies is essential and required to remain in the *Running Start* program.

ADVISING & COMMUNICATION

Running Start students are expected to:

- Meet with your high school Program Counselor for high school graduation and semester schedules.
- Only add or drop classes with your high school Counselor.
- Meet with an RVC Advisor for RVC graduation requirements.
- Respond to communication via RVC Mail and EAGLE accounts on a daily basis.
- Keep all scheduled appointments.

ATTENDANCE POLICY

Students are expected to attend every class meeting and arrive on time. There is no college policy permitting absences. Each faculty member will decide when and how absences affect grades. It is the responsibility of the student to adhere to the course syllabus. If a student needs to miss class, they must contact their instructor and their home high school office.

MAINTAINING ACADEMIC INTEGRITY

Please refer to page 47 of the Student Handbook: <http://www.rockvalleycollege.edu/studenthandbook>

ACADEMIC EARLY WARNING

Transitioning from high school to college can be a challenge and students may find it difficult to adjust. The Early Warning System is designed to assist students by alerting the Dean of Students office of any student who misses class or struggles academically within the first few weeks of school. This early intervention is intended to make a difference in the student's academic performance before midterm and set a pattern of success for the rest of the semester. Notification to the Dean of Students is dependent upon faculty report.

ACADEMIC PROBATION & INDIVIDUAL ACADEMIC RECOVERY PLAN (IARP)

Students must earn a cumulative grade point average (GPA) of 2.5 or higher and not receive a "D", "W" or "F" for a course, or they will be placed on Academic Probation for one semester and be required to develop an IARP. If during the probation semester students fail to raise their GPA to 2.5 or higher or they earn an additional "D", "W" or "F", then they **will** be dismissed from the program and be returned to high school. Assistance to improve academic performance is available by taking advantage of the following:

- Meet with instructors to review course expectations and create a plan of action. Instructor office hours can be found on the course syllabus.
- Visit the Tutoring Center, Writing Center, and/or Math Lab for instruction, tutoring, and study skills enhancement. These services are free to RVC students.
- Students will be **required** to meet regularly with their high school program counselor to insure academic recovery.

DISMISSAL FROM PROGRAM

All *Running Start* students will be dismissed from the program as a result of *any* of the following:

- Failure to attend and complete STU 100: Planning for Success in their first summer semester with a grade of "B" or higher. No repeat allowed.
- Failure to raise cumulative GPA to 2.5 or earn "D", "F" or "W" during the Academic Probation semester.
- Demonstration of behavior and/or attitudes that undermine the integrity and privilege of program participation, as deemed by RVC and/or the participating School District.
- Violation of any of the Code of Conduct policies and/or Academic Misconduct policies.
- If high school graduation and/or RVC graduation is in jeopardy. Dismissal is determined by the participating School District in consultation with RVC.

In addition, students in their **first year** of *Running Start* will also be dismissed from the program as a result of *any* of the following:

- Earning a combination of three "D", "F" or "W" grades in a single semester.
- Earning two "F" grades in a single semester.
- Earning a semester or cumulative GPA less than 2.0.

Needing to recover more than 7 credits by the end of the first year in the program.

**2025–2026 Running Start Intergovernmental Agreement
Harlem Consolidated School District #122**

Background: *Running Start* is a formal program that allows qualified students from Harlem Consolidated District #122 to attend Rock Valley College (RVC) for their junior and senior years of high school. Students may enroll in a two-year degree completion program in which students take dual credit courses that meet requirements for both a high school diploma and a Rock Valley College Associate's Degree simultaneously, or a one-year program that meets the requirements for both a high school diploma and one year of Rock Valley College credit courses simultaneously. The *Running Start* program will be administered through the Early College office at Rock Valley College in conjunction with Harlem Consolidated School District #122.

Students selected for *Running Start* need to be academically and socially ready for college. *Running Start* provides an opportunity for students to work toward a more challenging educational environment and to excel both in high school and college; at the same time, they may continue to participate in sports and activities at their high schools, as their schedule allows. The *Running Start* program provides students additional experiences to develop the independence, study skills, and confidence needed to succeed beyond high school and into college.

The financial arrangement between Rock Valley College and Harlem Consolidated School District #122 requires the District to calculate the cost equivalent of tuition and fees, with the assistance of the College, for the courses taken by each Running Start student and pay the College the cost associated with this tuition and fees calculation. Participating students will then be financially responsible to pay the remaining balance of tuition and fees along with covering the costs for any repeated courses, and the cost of textbooks and course supplies. The District's financial assistance helps to reduce the overall cost of college for students and their families.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Running Start Intergovernmental Agreement with Harlem Consolidated School District #122, effective the date both parties have approved and executed the Agreement, for classes beginning Summer 2025 and automatically expiring on June 30, 2026.

Each Party shall have in place reasonable policies and procedures, which the other Party may monitor or audit upon request and with reasonable notice, to prevent such re-disclosure.
- D. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligent or wrongful acts either of commission or omission, chargeable to the other, unless such liability is imposed by law and this Agreement shall not be construed as seeking to enlarge or diminish any obligation or duty owed by one party

against the other party or against third parties.

APPENDIX C

Running Start Student Academic Conduct Policies

All *Running Start* students at Rock Valley College (RVC) are expected to demonstrate qualities of integrity, honesty, civility, and respect in their conduct, both in and out of the classroom. All RVC policies can be viewed in the [Student Handbook](#) found on our website: www.rockvalleycollege.edu/studenthandbook. Adherence to all policies is essential and required to remain in the *Running Start* program.

ADVISING & COMMUNICATION

Running Start students are expected to:

- Meet with your high school Program Counselor for high school graduation and semester schedules.
- Only add or drop classes with your high school Counselor.
- Meet with an RVC Advisor for RVC graduation requirements.
- Respond to communication via RVC Mail and EAGLE accounts on a daily basis.
- Keep all scheduled appointments.

ATTENDANCE POLICY

Students are expected to attend every class meeting and arrive on time. There is no college policy permitting absences. Each faculty member will decide when and how absences affect grades. It is the responsibility of the student to adhere to the course syllabus. If a student needs to miss class, they must contact their instructor and their home high school office.

MAINTAINING ACADEMIC INTEGRITY

Please refer to page 47 of the Student Handbook: <http://www.rockvalleycollege.edu/studenthandbook>

ACADEMIC EARLY WARNING

Transitioning from high school to college can be a challenge and students may find it difficult to adjust. The Early Warning System is designed to assist students by alerting the Dean of Students office of any student who misses class or struggles academically within the first few weeks of school. This early intervention is intended to make a difference in the student's academic performance before midterm and set a pattern of success for the rest of the semester. Notification to the Dean of Students is dependent upon faculty report.

ACADEMIC PROBATION & INDIVIDUAL ACADEMIC RECOVERY PLAN (IARP)

Students must earn a cumulative grade point average (GPA) of 2.5 or higher and not receive a "D", "W" or "F" for a course, or they will be placed on Academic Probation for one semester and be required to develop an IARP. If during the probation semester students fail to raise their GPA to 2.5 or higher or they earn an additional "D", "W" or "F", then they **will** be dismissed from the program and be returned to high school. Assistance to improve academic performance is available by taking advantage of the following:

- Meet with instructors to review course expectations and create a plan of action. Instructor office hours can be found on the course syllabus.
- Visit the Tutoring Center, Writing Center, and/or Math Lab for instruction, tutoring, and study skills enhancement. These services are free to RVC students.
- Students will be **required** to meet regularly with their high school program counselor to insure academic recovery.

DISMISSAL FROM PROGRAM

All *Running Start* students will be dismissed from the program as a result of *any* of the following:

- Failure to attend and complete STU 100: Planning for Success in their first summer semester with a grade of "B" or higher. No repeat allowed.
- Failure to raise cumulative GPA to 2.5 or earn "D", "F" or "W" during the Academic Probation semester.
- Demonstration of behavior and/or attitudes that undermine the integrity and privilege of program participation, as deemed by RVC and/or the participating School District.
- Violation of any of the [Code of Conduct policies and/or Academic Misconduct policies](#).
- If high school graduation and/or RVC graduation is in jeopardy. Dismissal is determined by the participating School District in consultation with RVC.

In addition, students in their **first year** of *Running Start* will also be dismissed from the program as a result of *any* of the following:

- Earning a combination of three "D", "F" or "W" grades in a single semester.
- Earning two "F" grades in a single semester.
- Earning a semester or cumulative GPA less than 2.0.
- Needing to recover more than 7 credits by the end of the first year in the program.

**2025-2026 Running Start Intergovernmental Agreement
North Boone Community Unit School District #200**

Background: Running Start is a formal program that enables qualified students from North Boone Community Unit School District #200 to attend Rock Valley College for their junior and senior years of high school. Students may enroll in a two-year degree completion program in which students take dual credit courses that meet the requirements for both a high school diploma and a Rock Valley College Associate's Degree simultaneously or a one-year program that meets the requirements for both a high school diploma and one year of Rock Valley College credit courses simultaneously. The *Running Start* program will be administered through the Early College office at Rock Valley College in conjunction with North Boone Community Unit School District #200.

Students selected for *Running Start* need to be academically and socially ready for college. *Running Start* allows students to work toward a more challenging educational environment and excel in both high school and college; at the same time, they may continue to participate in sports and activities at their high schools, as their schedule allows. The *Running Start* program provides students additional experiences to develop the independence, study skills, and confidence needed to succeed beyond high school and into college.

The financial arrangement between Rock Valley College and North Boone Community Unit School District #200 requires the District to calculate the cost equivalent of tuition and fees, with the assistance of the College, for the courses taken by each Running Start student and pay the College the cost associated with this tuition and fees calculation. Participating students will then be financially responsible for paying the remaining balance of tuition and fees, covering the costs for any repeated courses and the cost of textbooks and course supplies. The District's financial assistance helps reduce the overall college cost for students and their families.

APPENDIX C

Running Start Student Academic Conduct Policies

All *Running Start* students at Rock Valley College (RVC) are expected to demonstrate qualities of integrity, honesty, civility, and respect in their conduct, both in and out of the classroom. All RVC policies can be viewed in the Student Handbook found on our website: www.rockvalleycollege.edu/studenthandbook. Adherence to all policies is essential and required to remain in the *Running Start* program.

ADVISING & COMMUNICATION

Running Start students are expected to:

- Meet with your high school Program Counselor for high school graduation and semester schedules.
- Only add or drop classes with your high school Counselor.
- Meet with an RVC Advisor for RVC graduation requirements.
- Respond to communication via RVC Mail and EAGLE accounts on a daily basis.
- Keep all scheduled appointments.

ATTENDANCE POLICY

Students are expected to attend every class meeting and arrive on time. There is no college policy permitting absences. Each faculty member will decide when and how absences affect grades. It is the responsibility of the student to adhere to the course syllabus. If a student needs to miss class, they must contact their instructor and their home high school office.

MAINTAINING ACADEMIC INTEGRITY

Please refer to page 47 of the Student Handbook: <http://www.rockvalleycollege.edu/studenthandbook>

ACADEMIC EARLY WARNING

Transitioning from high school to college can be a challenge and students may find it difficult to adjust. The Early Warning System is designed to assist students by alerting the Dean of Students office of any student who misses class or struggles academically within the first few weeks of school. This early intervention is intended to make a difference in the student's academic performance before midterm and set a pattern of success for the rest of the semester. Notification to the Dean of Students is dependent upon faculty report.

ACADEMIC PROBATION & INDIVIDUAL ACADEMIC RECOVERY PLAN (IARP)

Students must earn a cumulative grade point average (GPA) of 2.5 or higher and not receive a "D", "W" or "F" for a course, or they will be placed on Academic Probation for one semester and be required to develop an IARP. If during the probation semester students fail to raise their GPA to 2.5 or higher or they earn an additional "D", "W" or "F", then they **will** be dismissed from the program and be returned to high school. Assistance to improve academic performance is available by taking advantage of the following:

- Meet with instructors to review course expectations and create a plan of action. Instructor office hours can be found on the course syllabus.
- Visit the Tutoring Center, Writing Center, and/or Math Lab for instruction, tutoring, and study skills enhancement. These services are free to RVC students.
- Students will be **required** to meet regularly with their high school program counselor to insure academic recovery.

DISMISSAL FROM PROGRAM

All *Running Start* students will be dismissed from the program as a result of *any* of the following:

- Failure to attend and complete STU 100: Planning for Success in their first summer semester with a grade of "B" or higher. No repeat allowed.
- Failure to raise cumulative GPA to 2.5 or earn "D", "F" or "W" during the Academic Probation semester.

**2025–2026 Running Start Intergovernmental Agreement
Pecatonica Community Unit School District #321**

Background: Running Start is a formal program that allows qualified students from Pecatonica Community Unit School District #321 to attend Rock Valley College for their junior and senior years of high school. Students may enroll in a two-year degree completion program, in which students take dual credit courses that meet requirements for both a high school diploma and a Rock Valley College Associate Degree simultaneously, or a one-year program that meets the requirements for both a high school diploma and one year of Rock Valley College credit courses simultaneously. The Running Start program will be administered through the Early College office at Rock Valley College in conjunction with Pecatonica Community Unit School District #321.

Students selected for Running Start need to be academically and socially ready for college. Running Start provides an opportunity for students to work toward a more challenging educational environment and excel in both high school and college; at the same time, they may continue to participate in sports and activities at their high schools, as their schedule allows. The Running Start program provides students with additional experiences to develop the independence, study skills, and confidence needed to succeed beyond high school and into college.

The financial arrangement between Rock Valley College and Pecatonica Community Unit School District #321 requires the District to calculate the cost equivalent of tuition and fees, with the assistance of the College, for the courses taken by each Running Start student and pay the College the cost associated with this tuition and fees calculation. Participating students will then be financially responsible for paying the remaining balance of tuition and fees and covering the costs for any repeated courses and the cost of textbooks and course supplies. The District's financial assistance helps reduce the overall cost of college for students and their families.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Running Start Intergovernmental Agreement with Pecatonica Community Unit School District #321, effective as of the date both parties approve and execute the Agreement, for classes beginning Summer 2025, and automatically expiring on June 30, 2026. **Attorney Reviewed.**

- B. DISTRICT and COLLEGE agree to comply with all applicable federal and State nondiscrimination and equal opportunity laws, rules and regulations. DISTRICT and COLLEGE shall not engage in unlawful discrimination or harassment against any person based on race, color, ancestry, national origin, religion, pregnancy, sexual orientation, order of protection status, gender identity or expression, age, marital status, disability, genetic information, unfavorable military discharge, veteran status, or sex (including sexual harassment, sexual violence, sexual assault, domestic violence, dating violence and/or stalking), or any other legally protected category. The Parties will coordinate regarding an appropriate response to any report of alleged harassment, including sexual harassment, involving students or employees involved in the Running Start Program, taking into consideration the nature of the report, the parties involved and the location and context in which the alleged harassment occurred.
- C. In carrying out its respective obligations under this Agreement, each Party and its employees shall maintain the confidentiality of all personally identifiable information concerning the students enrolled in Running Start courses, and shall adhere to all applicable federal, State and local laws, rules and regulations now in effect or later adopted relating to the confidentiality of student records and information, including but not limited to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. §1232g, and Illinois School Student Records Act ("ISSRA"), 105 ILCS 10/1 et seq. The Party and its employees shall not re-disclose personally identifiable student information that is received under this Agreement to any third party, except as directed or permitted by the other Party, or as required by law. Each Party shall have in place reasonable policies and procedures, which the other Party may monitor or audit upon request and with reasonable notice, to prevent such re-disclosure.
- D. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligent or wrongful acts either of commission or omission, chargeable to the other, unless such liability is imposed by law and this Agreement shall not be construed as seeking to enlarge or diminish any obligation or duty owed by one party against the other party or against third parties.
- E. The Parties agree that their respective representatives shall use their best efforts to

timely communicate with one another as needed to pursue the objectives and implementation of Running Start, and to work cooperatively to resolve any issues which may from time to time arise in the course of their collaboration.  - The DISTRICT Counselor and COLLEGE Early College department will assist with connecting students to Disability Support Services so that college accommodations can be developed prior to the start of Running Start coursework.
 - The DISTRICT will assist in providing students a copy of their current IEP or 504 Plan to provide to the COLLEGE Disability Support Services.

A student with a disability shall have access to the supplementary aids and accommodations included in their individualized education program under Article 14 of the Illinois School Code or Section 504 Plan under the federal Rehabilitation Act of 1973 while the student is accessing a Running Start Program course on DISTRICT's high school campus, in accordance with established DISTRICT practices for providing these services.
- D. A student with a disability who accesses a Running Start Program course on COLLEGE's campus shall have access to appropriate supplementary aids and/or accommodations for which the student is eligible through COLLEGE's Disability Support Services office. APPENDIX C

Running Start Student Academic Conduct Policies

All *Running Start* students at Rock Valley College (RVC) are expected to demonstrate qualities of integrity, honesty, civility, and respect in their conduct, both in and out of the classroom. All RVC policies can be viewed in the Student Handbook found on our website: www.rockvalleycollege.edu/studenthandbook. Adherence to all policies is essential and required to remain in the *Running Start* program.

ADVISING & COMMUNICATION

Running Start students are expected to:

- Meet with your high school Program Counselor for high school graduation and semester schedules.
- Only add or drop classes with your high school Counselor.
- Meet with an RVC Advisor for RVC graduation requirements.
- Respond to communication via RVC Mail and EAGLE accounts on a daily basis.
- Keep all scheduled appointments.

ATTENDANCE POLICY

Students are expected to attend every class meeting and arrive on time. There is no college policy permitting absences. Each faculty member will decide when and how absences affect grades. It is the responsibility of the student to adhere to the course syllabus. If a student needs to miss class, they must contact their instructor and their home high school office.

MAINTAINING ACADEMIC INTEGRITY

Please refer to page 47 of the Student Handbook: <http://www.rockvalleycollege.edu/studenthandbook>

ACADEMIC EARLY WARNING

Transitioning from high school to college can be a challenge and students may find it difficult to adjust. The Early Warning System is designed to assist students by alerting the Dean of Students office of any student who misses class or struggles academically within the first few weeks of school. This early intervention is intended to make a difference in the student's academic performance before midterm and set a pattern of success for the rest of the semester. Notification to the Dean of Students is dependent upon faculty report.

ACADEMIC PROBATION & INDIVIDUAL ACADEMIC RECOVERY PLAN (IARP)

Students must earn a cumulative grade point average (GPA) of 2.5 or higher and not receive a "D", "W" or "F" for a course, or they will be placed on Academic Probation for one semester and be required to develop an IARP. If during the probation semester students fail to raise their GPA to 2.5 or higher or they earn an additional "D", "W" or "F", then they **will** be dismissed from the program and be returned to high school.

Assistance to improve academic performance is available by taking advantage of the following:

- Meet with instructors to review course expectations and create a plan of action. Instructor office hours can be found on the course syllabus.
- Visit the Tutoring Center, Writing Center, and/or Math Lab for instruction, tutoring, and study skills enhancement. These services are free to RVC students.
- Students will be **required** to meet regularly with their high school program counselor to insure academic recovery.

DISMISSAL FROM PROGRAM

All *Running Start* students will be dismissed from the program as a result of *any* of the following:

- Failure to attend and complete STU 100: Planning for Success in their first summer semester with a grade of "B" or higher. No repeat allowed.
- Failure to raise cumulative GPA to 2.5 or earn "D", "F" or "W" during the Academic Probation semester.
- Demonstration of behavior and/or attitudes that undermine the integrity and privilege of program participation, as deemed by RVC and/or the participating School District.
- Violation of any of the Code of Conduct policies and/or Academic Misconduct policies.
- If high school graduation and/or RVC graduation is in jeopardy. Dismissal is determined by the participating School District in consultation with RVC.

In addition, students in their **first year** of *Running Start* will also be dismissed from the program as a result of *any* of the following:

- Earning a combination of three "D", "F" or "W" grades in a single semester.
- Earning two "F" grades in a single semester.
- Earning a semester or cumulative GPA less than 2.0.
- Needing to recover more than 7 credits by the end of the first year in the program.

**2025–2026 Senior Semester Intergovernmental Agreement (IGA)
Byron Community Unit School District #226**

Background: Senior Semester is a formal program launched in partnership with the Byron Community Unit School District #226 during the 2025-2026 school year. The program allows up to 20 qualified District students to attend Rock Valley College for their final high school semester of senior year. Students take dual credit courses that meet the requirements for both a high school diploma and one semester of Rock Valley College credit courses simultaneously. The Senior Semester program is administered through the Early College office at Rock Valley College in conjunction with Byron Community Unit School District #226.

Students selected for Senior Semester must be academically and socially ready for college. The program provides an opportunity for students to engage in a more challenging educational environment while finishing their high school careers.

The school district has elected not to provide financial assistance to its students. Program participants will be charged by Rock Valley College the cost equivalent of tuition and fees for courses taken per Senior Semester. Students will also be financially responsible for all associated program costs, including textbooks, supplies, and repeated courses.

Recommendation: It is recommended that the Rock Valley College Board of Trustees approves the Senior Semester Intergovernmental Agreement with Byron Community Unit School District #226, effective the date both parties have approved and executed the Agreement, for classes beginning January 2026. The agreement shall expire on June 30, 2026. **Attorney Reviewed.**

**2025–2026 Senior Semester Program
North Boone Community Unit School District #200**

Background:

Senior Semester is a formal program being continued in partnership with the North Boone Community Unit School District #200 during the 2024-2025 school year. The program allows up to 20 qualified District students to attend Rock Valley College for their final high school semester of senior year. Students take dual-credit courses that meet the requirements for both a high school diploma and one semester of Rock Valley College credit courses simultaneously. The Senior Semester program is administered through the Early College office at RVC in conjunction with North Boone Community Unit School District #200.

Students selected for Senior Semester must be academically and socially ready for college. The program offers students the opportunity to engage in a more challenging educational environment while completing their high school careers.

The financial arrangement between Rock Valley College and North Boone Community Unit School District #200 requires the District to calculate the cost equivalent of tuition and fees with the assistance of the College for the courses taken per Senior Semester student and pay the College the cost associated with this tuition and fees calculation, not to exceed \$48,000 during the term of this agreement. Participating students will be financially responsible for paying the remaining balance of tuition and fees and covering the costs for repeated courses, textbooks, and course supplies. The District's financial assistance helps reduce the overall college cost for students and their families.

Recommendation:

It is recommended that the Rock Valley College Board of Trustees approves the Senior Semester Intergovernmental Agreement with North Boone Community Unit School District #200, effective the date both parties have approved and executed the Agreement, for classes beginning January 2026. The agreement shall expire on June 30, 2026. **Attorney Reviewed.**
