## RVC Board Policy 2:20.110

### Campus Trespass Policy

Rock Valley College is a public institution of higher education that is generally open to the public. At the same time, the College is committed to safeguarding its students, employees and visitors, to ensuring the safe operation of College programs and activities, and to protecting College assets. In that regard, the College reserves the right to establish expectations and parameters governing visitors' presence on College property. The College further reserves the right to restrict a visitor's access to some or all College property, where the visitor fails to refrain from any conduct that may adversely affect the College's educational function or disrupt or interfere with the rights of others to pursue their education, conduct their College duties and responsibilities, or participate in the College's activities.

The Administration, in consultation with the College Police Department, shall develop procedures outlining the circumstances under which a visitor's access to or presence on College property may be restricted, and the process for issuing a no-trespass order to such visitor for a definite period of time, to be determined on a case-by-case basis.

Nothing in this Policy precludes the College from issuing a no trespass directive to a currently enrolled student pursuant to the College's existing policies and procedures governing students, including but not limited to the Student Code of Conduct and the Code of Conduct for Visitors and Guests.
